A Bang-up Postoffice.

A new postmaster was appointed, perhaps for Newport, and June 1st people began to write to the two hotels there for rooms and rates. Answers were only received from a small per cent of the letters, and a great deal of anxiety and trouble was the consequence.

"I have written several letters to the Ocean House here and received no answer. I have several friends who also make the same complaint."

"How long ago was this?"

"About a month."

"Ah! yes, well, your letters probably went to the Dead Letter Office."

"But why? Were they not called for?"

"Oh, yes, but I started in here determined to do my duty. The last postmaster was removed because he hadn't sent a dead letter to Washington during his whole term of office, and during the first four weeks of mine I sent off 96. I've got about 50 more ready to go to-day but after this I shall hold up for a while and deliver all that come. I'm going to run this office bang up and city style or I'm going to get out. Good day, sir."

Deafness Can't Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube.

The Evidence Was Conclusive.

William Johnson, colored, had his wife arrested recently, for assaulting and beating him. He told all about it in the court: "Jedge," he said, "dat woman's a terror. She cum arter me wid a big razor, an' she'd a killed me, shuah, Jedge, if I hadn't run like a streak. She said ter me, says she, 'Look out! I'sea cumin' fur yer!' Den she plucked dat razor ont en her stockin', an' jest cum for me like sixty."

"What did you do?" asked Justice Gorman.

"What did I do? Why, what would you do if dat woman was cumin, arter yer? Yer don't think I wuz such a dabbargested fool as to stand still, do yer? No, sir! I went. I tell yer."

At this point Mrs. Johnson broke in.

"He's a lyn' like 2:40 Jedge," she said. "I never carry no razor in my stockin', cos I can't wear no stockin's. See?" she said. She told the truth.

"Well, she bit me, anyway," broke in the husband.

"Dat's another lie," said the wife.

"How could I bite him when I ain't no teef? Jes' look here." At the same time she opened her mouth wide, showing that she had only two molars in the back part of her mouth.

"Well, that's indisputable evidence," remarked the Justice. "You are discharged."

Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, letter chapped hands, chilblains, corns and all skin eruptions, and positively cures piles or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box.

No Fool—Mr. Rubnose (referring to his pipe)—Getting a beautiful color, isn't it? Mrs. Rubnose (mistaking his reference)—Smoke! Nonsense; you can't fool me that way. Gin and whisky did it.

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. If rubbed into the skin well it leaves no greasy surface. The skin absorbs it. Sold by D. W. Matthews.

Oregon is one of the most productive states in the Union. Its vast mineral regions contains gold, silver, copper, iron, and coal. Its immense tracts of grazing lands support thousands of cattle and sheep, and its extensive agricultural regions produce all the cereals in abundance, the yield per acre being, in some instances, the largest in the world. Among the useful and valuable products of the Web Foot State may be mentioned Oregon Kidney Tea, which has proved a boon to thousands afflicted with pain in the back and kidney difficulties. It is purely of vegetable composition and never fails. Sold by D. W. Matthews.

ROYAL BAKING POWDER Absolutely Pure. This powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitudes of cheap imitations of the phosphate powders. Sold only in cans. ROYAL BAKING POWDER CO., 106 WALL ST., N.Y.

It is Easy to Operate and Economical in Fuel.

For the Public Good.

It is an indisputable fact that the hand-some vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union depot in Denver, and St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars superb, the Pullman sleepers extremely luxurious, and as for the meals that are served in these nice Burlington dining cars—just you, the next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to run from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it.

If you go via the Northern or Canadian Pacific, the elegant vestibule trains of The Burlington Route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 350 miles, amidst scenery that cannot be surpassed, or, if you go via the Oregon Short Line or Southern Pacific, and your ticket reads via The Burlington Route from Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent. For further information apply to A. C. Sheldon, General Agent, 89 First street, Portland, Oregon.

LITTLE WOMEN

are as a rule, possessed of happy dispositions, but when these sweet dispositions become soured and irritable, in consequence of the long train of distressing features peculiar to female complaints, they are then not comparable to any the least. It is the duty, not only of little women, but of all women so afflicted, to bring about the suspension, and immediate removal, of these painful maladies. This is easily accomplished by the use of Dr. Howe's Favorite Prescription, the great specific for "female weakness." It is a positive cure for the most flowing, painful menstruation, menstrual depression, nervousness or falling of the womb, weak back, "female weakness," anorexia, retroversion, bearing-down sensation, chronic constipation, inflammation and secretion of the womb, inflammation, pain and tenderness in ovaries, and kindred ailments. All druggists.

A SAFE INVESTMENT.

\$100 REWARD. \$100. The readers of the JOURNAL will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution, and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O., Sold by Druggists, 75c.
