Deafness Can't Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucus lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflamation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucus surfaces.

We offer One Hundred Dollars reward for any case of Catarrh that cannot be cured by taking Hall's Catarrh Cure.

F. J. Cheney & Co., proprietors, Toledo, O:

It is a fact that Minneapolis has included the names of the dogs in her city directory. The discovery was made by a St. Paul man who was looking for "Carl Baxter, colored, watchman, Crescent Club." He found that Carl was a fine brown dog owned by W. H. Baxter, the stewart of the club. This has led to further investigation and it is found that there are thousands of dogs whose names figure in the directory and are used to make it appear that the population of Minneapolis is over 200,000. The real population is about 150,000.

For sale by Daniel J. Fry, druggist.

Second Adventists disagree as to the date of the ending of the world; some place the event as near as the 6th or 7th of October next, while others put it as far away as the year 2001. The prophets who have given the world the most time wherein to spoil will escape the chagrin of failure. Dead prophets are not disturbed by ridicule.

Oregon is one of the most productive states in the Union. Its vast mineral regions contains gold, silver, copper, iron, and coal. Its immense tracts of grazing lands support thousands of cattle and sheep, and its extensive agricultural regions produce all the cereals in abundance, the yield per acre being, in some instances, the largest in the world. Among the useful and valuable products of the Web Foot State may be mentioned Oregon Kidney Tea, which has proved a boon to thousands afflicted with pain in the back and kidney difficulties. It is purely of vegetable composition and never fails. Sold by D. W. Mathews.

An antidote for the elixir of life will prove a very important discovery if the victims continue to loom up at the present rate.

It should be generally known that Dr. Henley's Dandelion Tonic insures a hearty appetite and increased digestion, dispels nervous depression and low spirits, overcomes lack of energy and wakefulness and will infuse new life and strength into the weakest invalid. Sold by D. W. Mathews.

It's a good thing for Columbus that he is out of the way. It he had to locate the show of '92 it would be a tougher job than discovering America.

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. If rubbed into the skin well it leaves no greasy surface. The skin absorbs it. Sold by D. W. Matnews.

For the Public Good.

It is an indisputable fact that the handsomest vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union depot in Denver, also St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars suburb, the Pullman sleepers extremely luxuriant, and as for the meals that are served in those palace Burlington dining cars—yum yum. The next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it.

If you go via the Northern or Canadian Pacific, the elegant vestibule trains of The Burlington Route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 350 miles, amidst scenery that cannot be surpassed; or, if you go via the Oregon Short Line or Southern Pacific, and your ticket reads via The Burlington Route from Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent. History of Oregon

From the Earliest Period to the Present Time

BY HUBERT HOWE BANCROFT.

Just published, complete in two vols, with index. A magnificent contribution to knowledge. The pride of a people who are proud of their record. A household necessity; a national benefit.

Agents Wanted Everywhere. No book ever published can at all compare with this in interest and importance to the people of Oregon, and to all others interested in the welfare of their country. It contains a record of brave doings, of grand emigrations and permanent organizations. It is the life of an important part of the nation. No true Oregonian, no true American will fail to secure this work, now for the first time offered seperately from the full set of Mr Bancroft's marvellous historical series in 39 vols.

Earnest, active workers should secure exclusive territory immediately, or they will lose a rare opportunity to mkae for themselvas

$500 or $1,000.

One needs no experience or capital in this business, for if properly presented the work sells itself, and we give our Agents 30 days' time in which to deliver and collect before paying us. Address
