THE CAPITAL JOURNAL.

Lawyer and Editor.

Queer world this! A lawyer and an editor stood on a street corner in an Ohio town and saw a man murdered in cold blood. The murderer is a rich man, and after committing the deed he said to the lawyer and editor: "Here is a thousand dollars for each of you, defend me before the court and the people for the crime I have committed." They took the money and defended him in their own way and according to their own profession—editor through his paper and the lawyer through his mouth. The murderer through their joint efforts was acquitted. But see the difference—mark the result. The people said: "The editor is a scoundrel, and did so for pay. Lo! we will stop his paper and not patronize him." The paper was stopped—the editor ruined financially and reduced to a pauper. But of the lawyer the people said: "He is an able man, deeply learned in the law, and deserves great credit for having obtained the acquittal of a man guilty of murder! We will give him our law business and pay big fees." They made him a judge and as such he sent his partner, the editor, to the work-house, and said he was a bad man, and should not only be deprived of the means of living, but punished.

We don't indorse the act of an editor in laboring for what is wrong or against what is right for money—but how about the lawyer?—Leavenworth Times.

Deafness Can't Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucus lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflamation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucus surfaces.

We offer One Hundred Dollars reward for any case of Catarrh that cannot be cured by taking Hall's Catarrh Cure.

Price 75c. per bottle. Sold by all druggists.

That Kansas editor who drew a crazy quilt in a lottery and won it back again in his wife's lottery shortly afterwards, the moral being that it is very hard to get anything out of an editor, has attained immortality. The item is now on its travels through Nebraska. We hope it will hurry up and reach the Pacific coast and start through China. All we want is a rest and the paragraph will take a little while to get through Asia and Africa and Europe, not to mention Australia, before it comes back to us via the east. We wouldn't mind so much if the item was printed in Mongolese, or Telugu, or Hottentot, or one of those breezy languages in the middle of the Pacific ocean. We might head it, "A Short Dialect Story and get rid of it in that way, but in its present baldheaded American form it threatens to destroy the little remaining reason of our exchange editor.

It should be generally known that Dr. Henley's Dandelion Tonic insures a hearty appetite and increased digestion, dispels nervous depression and low spirits, overcomes lack of energy and wakefulness and will infuse new life and strength into the weakest invalid. Sold by D. W. Mathews

Temperance is the regular use of our faculties, which makes us never exceed in our sensations the end of nature, to preserve us, it is the moderation of our passions.

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. If rubbed into the skin well it leaves no greasy surface. The skin absorbs it. Sold by D. W. Mathews.

Fifty-two new war-ships are being built in Great Britain—additional preparations for the maintenance of international peace, of course.

Oregon is one of the most productive states in the Union. Its vast mineral regions contains gold, silver, copper, iron, and coal. Its immense tracts of grazing lands support thousands of cattle and sheep, and its extensive agricultural regions produce all the cereals in abundance, the yield per acre being, in some instances, the largest in the world. Among the useful and valuable products of the Web Foot State may be mentioned Oregon Kidney Tea, which has proved a boon to thousands afflicted with pain in the back and kidney difficulties. It is purely of vegetable composition and never fails. Sold by D. W. Mathews.

For the Public Good.

It is an indisputable fact that the handsomest vestibule trains that are now run on the American continent are those on the Burlington route, leaving from Union depot in Denver, also St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars superb, the Pullman sleepers extremely luxuriant, and as for the meals that are served in those palace Burlington dining cars—yum yum. The next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it.

If you go via the Northern or Canadian Pacific, the elegant vestibule trains of The Burlington Route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 350 miles, amidst scenery that cannot be surpassed; or, if you go via the Oregon Short Line or Southern Pacific, and your ticket reads via The Burlington Route from Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent. For further information apply to A. C. Sheldon, General Agent, 25 First street, Portland, Oregon.

was said of one of those ignorant doctors in the early times, who might well have been called the aid-de-camp of death.
