# THE CAPITAL JOURNAL.

### She Got One.

We sat upon the topmost step,
And talked of this and that;
She asked me if I'd been away,
And how I liked her hat.

We chatted about various things,
Of novels and the weather;
For hours on almost every theme
We there conversed together.

I asked her what paper she preferred;
She hesitated some,     I heard
While through the dark around we
The gay mosquito hum.

She moved a little closer then,
And answered: "Can't you guess?
Why the one that suits me most
Is the Daily Evening Press."

### A Cat's Suicide.

A tabby cat belonging to the family of David B. Paul, Wallingford, is reported to have committed suicide while grieving over the loss of her family of five kittens that had been drowned in order to keep down the cat population. When the old cat missed her offspring she went tearing over the house, showing her great distress by loud mewing. Failing to find her kittens after a long search, she went up to the third story and deliberately jumped out on the porch roof below. When picked up old tabby was dead, her neck being broken by the fall.

### A SCRAP OF PAPER SAVES HER LIFE.

It was just an ordinary scrap of writing paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, Druggist, Fort Smith. Trial bottle of this wonderful discovery free at Dan'l J. Fry's drug store.

### An Aged Indian.

It is claimed that "old Gabriel," an Indian in the Monterey, Cal., country hospital, is 150 years old. It is proved to the satisfaction of many people that "old Gabriel" was a grandfather in 1770. Father Juniper is said to have taught him the trade of stone-cutting in 1771, and became so expert at the business that he managed the construction of the San Antonio mission in 1781. Nothing is said about "old Gabriel's" acquaintance with George Washington, but if they ever met the Indian's recollections would be valuable if not too fanciful.

It would be generally known that Dr. Henley's Dandelion Tonic insures a hearty appetite and increased digestion, dispels nervous depression and low spirits, overcomes lack of energy and wakefulness and will infuse new life and strength into the weakest invalid. Sold by D. W. Mathews

The man who lives mainly within the limits of his physical senses certainly lives on a small scale, and at a low level, as compared with his possibilities.

This is the season of the year when the raw, cold winds create sad havoc with the hands and complexion. Soft white hands and a clear "peachy" complexion can be assuredly preserved by the frequent application of Dutard's Specific. If rubbed into the skin well it leaves no greasy surface. The skin absorbs it. Sold by D. W. Mathews.

Implicit trust in the ultimate integrity of human nature is all very well in a prayer meeting, but it won't work for a cent in an ordinary grocery store.

### Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter chapped hands, chilblains, corns and all skin eruptions, and positively cures piles or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Daniel J. Fry, druggist.

If a man does not make new acquaintances as he advances in life, he will soon find himself alone. A man should keep his friendship in constant repair.

The Newport cottagers, in their fight against the street railway there set up the claim in their bill of equity that they own to the middle of the street.

Elder Wm. Spry, alias Franklin Haymour, who has been working up the Mormon converts in the Chattanooga, Tenn., district, has been arrested on the charge of bigamy.

### Deafness Can't Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We offer One Hundred Dollars reward for any case of Catarrh that cannot be cured by taking Hall's Catarrh Cure. Free 75c. per bottle. Sold by all druggists.

### For the Public Good.

It is an indisputable fact that the handsomest vestibule trains that run out over the American continent are those on the Burlington route, leaving from Union depot in Denver, also St. Paul, immediately on arrival of all through trains from the west. The first and second class coaches are magnificent, the reclining chair cars superb, the Pullman sleepers extremely luxuriant, and as for the meals that are served in those palace Burlington dining cars—yum yum. The next time you go east to Kansas City, Chicago or St. Louis, if you mention to the ticket agent that you want your ticket to read from Denver or St. Paul over the Burlington route, you will get it, and you will always be glad of it.

If you go via the Northern or Canadian Pacific, the elegant vestibule trains of The Burlington Route, between St. Paul and Chicago, or St. Louis, will carry you along the eastern shore of the Mississippi river for a distance of 350 miles, amidst scenery that cannot be surpassed; or, if you go via the Oregon Short Line or southern Pacific, and you ticket reads via The Burlington Route from "Cheyenne or Denver, you will pass through all the thriving cities and towns located in what is popularly known as the Heart of the Continent. For further information apply to A. C. Sheldon, General Agent, 48 First street, Portland, Oregon.

His pills as thick as hand-grenades flew, and what they fell so certainly they slew was said of one of these ignorant doctors in the early times, who might well have been called the aid-de-camp of death. The sufferer from the scrofula, with sores as bad as Job's, need not now curse the day he was born, for Dr. Pierce's Golden Medical Discovery will remove health and beauty, appetite and strength. Especially does it cure salt-rheum, tetter, boils, carbuncles, sore eyes, scrofulous sores and swellings, hip-joint disease, white swellings, goitre or thick neck, and enlarged glands.
