"There was a frog that lived in a spring. He caught such a cold that he could not sing."

Poor, unfortunate, Batsheba! In what a sad plight he must have been. And yet his misfortune was one that often befalls singers. Many a once tuneful voice among those who belong to the "genius homo" is utterly spoiled by "cold in the head," or on the lungs, or both combined.

For the above mentioned "craquel" we are not aware, but we rejoice to know that all human singers may keep their heads clear and throats in tune by a timely use of Dr. Sage's Catarrh Remedy and Dr. Pierce's Golden Medical Discovery, both of which are sold by druggists.

Berlin merchants complain that Mr. Edwards, United States Consul, subjects exports to trivial vexations in the matter of verifying invoices, thus hampering trade with America.

A SCRAP OF PAPER SAVES HER LIFE. It was just an ordinary scrap of writing paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, Druggist, Fort Smith. Trial bottle of this wonderful discovery free at Dan'l J. Fry's drug store.

Washington, D. C., Sept. 23.—Delegates to the International Congress which takes place next month, are beginning to arrive in this city.

Deafness Can't Be Cured. By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We offer One Hundred dollars reward for any case of catarrh that cannot be cured by taking Hall's Catarrh Cure. Price 75c. per bottle. Sold by all druggists.

WHY THAT YOU GET THE GENUINE

A Fortunate Druggist.

Mr. Edwin W. Joy for many years and now a prosperous druggist on the corner of Stockton and Market streets in San Francisco, probably never dreamed of rivaling in wealth the medicine kings of the country. But various rumors have been floating around to the effect that he has struck it big, an Examiner reporter was detailed to unearth the cause, and after much difficulty unraveled the following story:

It seems that about seven years ago an English physician, a great student of botany, located in this city. His practice was not extensive, and yet the few cases that came to him attracted no little attention. His success seemed to be in the treatment of liver and kidney disorders, and vitiated blood. In fact his ability to cope with these common complaints was marvelous.

He seemed almost infallible, and his quiet modest methods and his well-kept secret were as much a mystery as himself. After his departure about a year later Mr. Joy determined to fathom the secret, and copying all the prescriptions he had filled for the erratic doctor, he began a systematic analysis. In his examination he discovered running all through the prescriptions for liver and kidney troubles, vitiated blood and stomach disorders a couple of vegetable extracts indigenous to California, so simple and so well known under homely every day names to every school boy as to entirely dissipate the suspicion that they were the active principles involved. So certain, however, was Mr. Joy that he had discovered a preparation of Sarsaparilla to disguise the taste, and put it before his customers under the modest name of Joy's Vegetable Sarsaparilla. Immediately the same marvelous stories came back of its astonishing effects, and the mystery was solved, and the talk it has created has already caused it to step into prominence, and orders pour in daily from all over the coast. And thus another California industry leaps into existence.—E. F. Examiner.
