ABOUT PAPER HANGING.—In talking with Wright & Emert the popular docorators and paper hang-ers, yesterday, "many people," said they, "pay great sums of money in order to build houses that have fine, large rooms, and, because of bad taste in descenting their appreciation of the physician's opinion as to their physi-taste in descenting their appreciations. taste in decorating their apartments, cal requirements and disqualifica-counteract the fine effect their money has gained. There is oppor- Feeble constitutions, symptoms of tunity for the use of much ingenu-ity in decorating the walls of a room to affect its apparent size. An apartment is always enlarged in ap-pearance by light paper. If the walls are light and the ceiling dark, the effect would be a long, wide and squatty room, whereas, if the

ing light the apparent height of the room is increased. "The same principles applied in arranging the perspective of a picture would be appropriately used in producing desired effects in a room, though the chief feature of such effects is merely that of shade. The border used in papered rooms also has an influence on apparent height. The extremely wide bar der that has been occasionally used of late, looking like wainscoting of late, looking like wainscoting deficient in these. pushed up under the ceiling, makes the apartment look very limited in board to Mr. Hermann will be reewhether or costly there is no reason why every room should not be made be required to report at West Point why every room should not be made be required to report at west rout to look large or small as desired." not later than June the 14th next, Orders left at any of the paper deal-ers or by dropping a card in the postoffice, will be promptly attended. The work being done in the city now is a sufficient guarantee as to Derive the sufficient discussion of the nom-inee to pass this ordeal, Mr. Her-man has requested the board at Derive the sufficient discussion of the nom-inee to pass this ordeal, Mr. Her-man has requested the board at now is a sufficient guarantee as to their ability.

"BOUND FOR SPOKANEOR BUST"' -Last week, says the Harney Items, a "prairie schooner" and "backaction," all the way from Markle-ville, Alpine county, California, with their banner conspicuously arranged on the wagon in "Pike's Peak" and "Bannock" fashion, "Bound for Spokane Falls or Bust!" "Bound for Spokane Falls or Bust" and as he is a sturdy pioneer of the Sierras, of the Hank Monk persua-sion, the celebrated "knight of the whip," who is handed down to pos-terity as having said to Horace Greely, when that veteren journal-ist was on his memorable journey across the plains and American continent overland, and not caring to take any avoidable chances on being dashed to atoms over the brinks of mountain precipices into the yawning abyss thousands of feet below, around the Donner Lake and Henness Pass route wended feet below, around the Donner Lake and Henness Pass route wended down the western slope of the steep mountain sides, "Keep your seat, Horace?" The old man obeyed the injunction and held the seat down, although it was the most trying ex-perfence of his long and eventful life, and Hank landed him in Dutch Flat sufely at daylight the next mountain for West Point, and he has so far passed all the rigid examinations of the Military academy there, and nonors and take his place as an officer in the United States army, a pride and joy to the devoted wid-owad mother to whom he has been morning, but he never fully recov- owed mother, to whom he has been ered from the excitement and jolt-ing-up of the previous night. "He'll get there all the same, and don't you IN THE "SIXTIES."—The "M forget it," and being an out niner," a first-class hotel man, prac-tical blacksmith and carpenter, he'll the blacksmith and carpenter, he orget it," and being an old "fortytical blacksmith and carpenter, he'll be at home when he does get there, if it takes him till the Fourth of July, and the people of Spokane Falls may be prepared for a grand treat about the size of Buffalo Bill's Wild West Show, now the center of attraction in London, eclipsed entirely. AN ENTHUSIASTIC MEETING.— There was quite an enthusiastic meeting of the stockholders of the There was quite an enthusiastic meeting of the stockholders of the Salem Building and Loan Association last evening at the council chambers. J. H. Albert was elected temporary president and O. M. Smith was elected temporary secre-tary. Considerable discussion took place and it was decided to meet again next Monday at 8 o'clock at the same place and then proceed to elect a board of directors and auditors. Upwards of \$130,000 worth of stock has been subscribed up to date. There is now no doubt as to the as-sociation proving a success. THE BROTHER MISTAKEN—The Astorian says that "among the many hundreds of persons who played checkers and chess with Ajeeb, the wooden man at the fair in Portland was G. C. Fulton who state that how it is believed to be the oaly man in the state that beat it in a game of chess. Eugene Protzman, of Portland, was the only man in the state thatbeat it Alternation of the Barker both gave him switch and did not have by the final did here. velopment of the great west. Per-mit us to indulge the hope that our SOCIETY.—The society editor of the JOURNAL wishes to say that Saturday's issue will contain many business relations with your merchants may soon become more ac-tive, and that your board may be society events of interest. If you know of anything whatever in this line don't fail to let it be known at this office. Remember that all especially identified with the prosperity of our people. E. B. McELaoy, such matters are desired and must be had to make everything com-plete in these columns. Saturday's Commander, Department of Oregon, B. S. Cook, Captain and A. D. C. The receipt of the exhibit and let-JOURNAL is gaining quite a good reputation so lend a helping hand, dear reader, and lets make 'er boom.

ter was acknowledged as follows: CHICAGO, Oct. 22.—Col. E. B. Mc-Elroy, Commander, and Capt. B. S. SENATORIAL COMMITTEE. - The senatorial committee that is out West looking into the Pacific rail-roads passed through the city to-day on a special train for Portland. It was their intention of stopping here at Solem, but, owing to the Cook, Grand Army of the Republic, Department of Oregon, Salem, Ore. --Gentlemen: We have the pleasure of informing you that at a meeting of the Board of Directors of this board, held the 15th inst., the speci-

fact that they were in receipt of a special telegram calling them to Portland at once, they decided to run straight through.

you, by the Graad Army of the Re-public, Department of Oregon, were most gratefully accepted and his hiy appreciated. These evidences of the THE DAY OF ALL.-To-morrow is the first of another month and the productiveness of your great state have been appropriately ar-ranged for permanent exhibition in the exchange hall of this board. This, board, as you properly observe, is intimately associated with the prosperity of the great West, and may

always be relied upon to co-operate with the citizens of Oregon for the development of their resources. One development of their resources. One of the grandest illustrations of American citizenship, constituting an assurance of the perpetuity of the Republic, the sublime spectacle of those who fought for the Union with a splendid bravery, address-ing themselves with equal devotion to the aris of peace

The above almost explains itself. The exhibit spoken of is the one that was so carefully prepared by the Oregon Land company and Prof. McElroy, and was sent to the National G. A. R. Encampment, held in Milwaukee in September.

After the encampment was over, Mr. Cook, of the Oregon Land com-pany, and Commander McElroy decided to try and have the exhibit laced in some good location in hicago, and through their efforts hey have placed it where no other xhibit was ever allowed before. he advertisement and exhibit is for this boat to make the trip easy.

Of Salem, Oregon, has lately purchased and caused to be platted the beautiful

ENGLEWOOD ADDITI

To the city of Salem. This fine property is a portion of that vacant property which has heretofore been with-held from the market, and lying a short distance north and east of the elegant high school building. This company now places it on the market and proposes to advance Salem's interest and the interest of all investors in this addition by making improvements that will guaranty a good advance on present prices.

THE SALEM LAND COMPANY

Also has on its books very choice property in all parts of Salem, as well as a few fine subdivisions suitable for platting, and one, two, five and ten acre tracts near the city—best in soil, best in location, lowest in price and best of terms, namely:

FAIRVIEW, HAMPDEN PARK, GARDEN CITY AND WEST SALEM ADDITIONS !

It also has farms of all kinds and sizes, fruit, grain, stock or poultry, some of which are as good bargains as can be found in Marion or Polk counties, and knows of one or two excellent opportunities for investment in the mercantile line,

The company engages to aid in the advancement of Salem and vicinity, and requests those having prop-erty for sale cheap to call at the office, which for the present is over the Capital National Bank. T. H. BARNES, President, W.M. HOWARD PHELPS, Secretary, W. F. SEAVER, Solicitor. References: Lincoln Land Company, Lincoln, Neb.; Capital National Bank, Salem, Oregon; G. L. Lewis, Secretary of State, Lincoln, Neb.
