## What is the Matter With SALEM? HAS THE BOTTOM DROPPED OUT?

One would think to read the advertisements of some of the merchants that this is a very poor place to do business in. They are continually **SELLING OUT AT COST.** How do they keep up? Are they supported by charity, or are they and their advertisements frauds?

## Hear the Truth!

Salem is a prosperous and growing city, and all its merchants are doing well and making money, and any right-minded man knows that when a merchant advertises to sell "at cost," that it is always at what it costs the buyer." Men do not go into business for fun or for their health, but to make money.

## The Capitol Adventure Company

never advertise to sell off at cost, yet we are constantly 20 to 30 per cent. lower than any other house in Salem. Why? Because we buy from first hands and for cash, and get our goods cheaper. Now during the months of January and February only we propose to reduce our prices on all goods and show the people of Salem and the surrounding country how we can **SELL GOODS** and not

### LATEST BY TELEGRAPH.

The Greetings of the Great. The World has received the following greetings to the American people.

WASHINGTON, Jan. 1.—I hope for the continued prosperity of our country. **BENJAMIN HARRISON.**

PARIS, Jan. 1.—While in my official capacity I cannot send a message direct to you, still I may associate myself heartily with thousands of others in wishing the great American people and our sister republic all the good things for the coming year. I think that the sympathy between the two nations shown this year, is a guaranty of friendship for the future. **CARNOT.**

ROME, Jan. 1.—Pope Leo, through his secretary of state, sent word that it would be impossible to comply with the request to send a message to the American people, as his holiness never sends any message whatever to the Catholics of America, except through Cardinal Gibbons. "But you may be assured," said the under secretary, of his holiness. "Of his continued sympathy for America, and that his prayers and benedictions are for the great republic."

LONDON, Jan. 1.—May every good gift of God rest upon the great American people in the year of 1890, and may they be united in the bonds of peace and in the only true liberty which springs from faith in the Savior of the world.

**HENRY EDWARD.**  
Cardinal Archbishop of Westminster.

HAWARDEN, Jan. 1.—I fear that I must ask you to excuse me from compliance, as it would expose me to numberless similar requests in England, and I think that any of my countrymen would say, if asked, that I was already rather too much than too little before the public eye. I remain yours, very faithfully,  
**W. E. GLADSTONE.**

LONDON, Jan. 1.—To my liberal patrons, the great American people, I send a loving New Year's greeting.  
**PHINEAS T. BARNUM.**

**FOR THREE COFFINS.**  
Children Skating on Johnson's Lake go Through the Ice Together.

SEATTLE, Jan. 1.—Three children were drowned yesterday afternoon at 3 o'clock, while skating on Johnson's lake near Port Ludlow. They were Edward Oliver, aged 9 years; Francis Johnson, aged 9 years; George Johnson, aged 11 years, children of Edward Oliver, who was step-father of the Johnson boy and girl. The children were skating over the lake when the ice gave way and all were engulfed in the water, which was only about seven feet deep at that place, yet they perished almost instantly. The bodies were recovered in half an hour after the sad accident, by C. V. Anderson and Mr. Oliver and conveyed to the home near by.

A strange coincidence is the fact that Mr. E. Johnson, father of the two last-named children, was drowned exactly two years ago near Port Ludlow and Whiddy island. Mr. Anderson came to this city this evening on the steamer Edith and ordered three coffins from undertakers, returning on the steamer at 10:30 p. m., to Port Ludlow. The funeral of the three children will be held from the family residence Friday afternoon.

**Soldiers Keep Peace.**  
PIERRE, S. D., Jan. 1.—The town of South Pierre is becoming more a reality than many of the most sanguine expected. The settlers are dead in earnest about their claim and insist that they have as good rights within the mile square as real estate boomers at Fort Pierre, who headed a gang of half-breeds that had the battle with the settlers Saturday. The war department has taken action. This afternoon a company of United States infantry arrived in Pierre and went into camp on the mile square. It is reported they have ordered the half breeds off. The company is under command of Lieutenant Peore, whose instructions are to keep peace or move the whites as well as half-breeds off the land. South Pierre settlers feel jubilant over the result thus far and take it for granted that Uncle Sam will protect them in their rights as settlers, and they will at an early date begin the work of building and improving the property.

At the coming session of the British parliament the government will ask that the London police force be increased 1000 men.
