regular joint meeting in their com-The Capital Lumbering Company Encouraged by Prospects-6,000,000 Feet of Logs in the Luckimute.

This morning a JOURNAL reporter called at the office of the Capital of Front and Ferry streets, and found the genial manager, Mr. A. W. Moores, wreathed in smiles over the promising outlook toward obtained some material for the mill.

Adams and Mary Shafer sang in a Adams and Mary Shafer sang in a Shafer sang in a Adams and Mary Shafer sang in a Shafer sang in a Adams and Mary Shafer sang in a who do not secure their paper regularly. Owing to the low stage of water will notify this office, giving address, and and the light snow in the mountains and the light snow in the mountains Mr. MaGee pronounced an oration last winter, the mill has been unable in a firm and impressive voice. The to do much work for the past year, societies were next favored by a fine

owing to the mabinity to obtain logs. Selection by Miss Jennie M. Long. The company now have something Miss Long has the highest gratitude over 6,000,000 feet of logs in the of the societies for tendering one of Luckimute country, ready to run down just as soon as the water is high enough. The heavy snow that has fallen in the mountains gives an encouraging outlook. When the weather moderates and the snow in the mountains begins to melt it is thought that the loggers will have no trouble in running all their logs down to the mills. Just as soon as the water is high enough material to work on, the enough material to work on, the next listened to "minute" speeches mills will be run at their fullest capa- from several of the members, who

it will enable the earpenters and appropriate pieces. The societies nouse builders to obtain their lum-then adjourned and the remainder Services as usual to-morrow. Tie ber right at home, and save the excommunion announced for the :6 pense of having it shipped here from attside points. The company are at present having to have lumber shiped in here to supply their own

The thermometer will have to attorney was standing at the foot of register something like 50° above the stairs of his office on State street, before the thaw will begin, and that ime is anxiously looked for.

AN ENJOYABLE TRIP.-Last He was picked up and carried into svening some twenty-five or thirty members of Capital Lodge No 11, 1. O. G. T., bearded the overland train for a visit to Jefferson lodge of the same order. When the train arrived at Jefferson, the members of the lodge of that order were at the long of that order were at the long of that order were at the the lodge of that order were at the and his friends carnestly hope his lepot clothed in regalia, ready to illness will only prove of temporary depot clothed in regalia, ready to escort the visitors to their half. A line of march was formed and marched up to the city. There were over one hundred members in the line and it was indeed a pretty. the line and it was indeed a pretty resting comparatively easy this every sight. When the hall was reached he visitors were at once made to feel at home and everything possible was did by the good people of that sion Examiner, is at the Cook hotel city to entertain those who were so to remain over Sunday.
