AN INTERESTING CASE.

WASHINGTON, April 17. The secretary of the Interior has rendered a decision in the case of the Willamette Valley and Cascade Mountain Wagon Road Company of Oregon vs. Joseph A. Morton. On July 5, 1876, congress made a grant to this company twelve miles in width and extending across the state. Soon thereafter the Commissioner of the General Land Office sent to each local land office notice that the lands within the grant were withdrawn settlement and entry. The notice addressed to the land office at La Grande district was never received; neither was the fact of its non-receipt known at the General Land Office until June 19, 1883. In the mean time a large number of settlers, among them Morton, settled upon the land.

On March 2, 1889, Congress passed a law directing suit to be brought to forfeit this and certain other grants. The Wagon Road Company held that the jurisdiction of the Interior Department was ousted by the act, and also that the land was actually withdrawn from settlement and entry by the act of the commissioner of the General Land Office signing and mailing the notice of withdrawal.

CONDENSED TELEGRAMS.

Ex-President Hayes is in Bermuda. Three thousand Chicago carpenters are striking for eight hours as a day's work. Tacoma's official census reveals a population of only 28,431 inhabitants. The California grand commandry of Knights Templar is in session in San Francisco, Acting Commander Sir Samuel H. Wagener, of San Jose, presiding. A premature blast at Speed's cement mills, Sellerville, Ind., Thursday, killed three workmen, mangled their bodies horribly. All leave large families.

THE PLOT THICKENS.

BRANTFORD, Ont., April 17.—A discovery which may further complicate the Burchell murder case has been made. The name F. C. Beowell on the hotel register supposed to have been written by Burchell's victim, it is now learned, was placed there by another young Englishman of the same name, who came to this country a few weeks before the Princeton tragedy. As Burchell has insisted that the supposed murderer Beowell is still alive, an effort will now be made to identify the murdered man as the one who registered here.

A STRONG TICKET AND PLATFORM.

ALBANY, Or., April 18.—Prominent republicans here interviewed agreed that the ticket nominated is a strong one, and is composed of popular men who will command the respect and support of a good healthy majority in June. The platform, it is acknowledged, is a bold, sensible document, which speaks out on the questions of interest to the state in no uncertain manner. Several prominent democrats admitted that there are some good men on the ticket whom they do not wish to see defeated.

COWARDLY MURDERERS.

JACKSON, Miss., April 17.—Governor Stone has been notified of a horrible assassination in Lawrence county, thirty miles from this city. The stable of Jerry Bass, a colored man, was fired by unknown parties and when Bass and his son Charles went to extinguish the flames, they were fired on in the darkness. The boy was killed and Bass was badly wounded. Their dwelling-house was then burned to the ground. There is no clue to the murderers. A reward has been offered for their capture and conviction.

HUNTINGTON HAS A COVETOUS EYE ON THE OREGON PACIFIC.

SAN FRANCISCO, April 17.—C. P. Huntington went to Portland this evening to look after the Southern Pacific interests in that region, and there is a possibility that he may inspect the Oregon Pacific road which the Southern Pacific is said to covet, as a possible outlet, in case the Union Pacific should build into California.

KILLED THROUGH JEALOUSY.

TACOMA, April 17.—A negro by the name of Scott, a pianist in a house of ill repute, was shot dead to-day, as it appears, by his wife because of jealousy.

TURNED TRAITOR.

ETOWNE, Or., April 18.—It is said the man Bayd, of Portland, who recently raised a subscription of about thirty dollars a month among our citizens to have him use his in-

fluence in sending immigrants here, has turned traitor and worked against the town instead of for it. Naturally enough his services are wanted no longer and his salary has stopped.

MILLIONAIRE DROPS DEAD.

LOS ANGELES, April 17.—O. W. Childs dropped dead this morning from heart failure, caused by asthma. The deceased was the owner of the Grand opera house, and real estate valued at a million and a half dollars.

RICHMOND, N. Dak., April 17.—A sensational tragedy occurred at noon yesterday at the country residence of O. P. Ziner, of Stark county. Albert Ziner entered the house of his brother, O. P., and assaulted the latter's wife, whereupon O. P. Ziner seized a shotgun and literally blew his brother's head off. Albert died almost instantly and his brother was arrested. A great crowd gathered at the jail at night-fall, and it was feared that the prisoner would be lynched. The sheriff is powerless to withstand the mob, and has no opportunity to spirit his prisoner away.
