T. H. BARNES, PRES.

JEWELS AND LACES. girl with the jewelled fingers, girl with the luces rare!"

What are your jewels and what are your laces worth to you if, from undergoing the trying ordeals which fushionable society imposes on its devotess, enough to test the physical strength and enturasice of the most robust, you break down, loss your health and become a physical strength where the property of the most robust, you break down, loss your health and become a physical wreck, as thousands do from such cause ?

Dides such circumstances you would willingly give all your jewes and all your laces to regals set health. This you can do if you will but receive the use of that great restorative known and of grateful womes bies the day it was nade known to them.

For all derangements, irregularities and weak-esses penullar to women, it is the only remedy, old by draggists, under a positive guarnee from the manufacturers, that it wil give allafaction is every case, or money will be reinded. This guarantee has been printed on it bottle-wrappur, and faithfully carried out y many years. What are your jewel: and what are your lac
