SAN FRANCISCO, August 5, 1889.

We, the members of The Board of Health of the City and County of San Francisco, cordially approve and recommend the Royal Baking Powder. It is absolutely pure and healthful, composed of the best ingredients of the highest strength and character.

In our judgment it is impossible to make a purer or stronger Baking Powder than the "Royal."

POSTOFFICE BLOCK, -- SALEM, OREGON

As early as 1800 Americans were fully alive to the fact that there was a value to real estate in and around cities of this country which id not attach to that of any other nation in

The cause of this is easily underneath the dignity of genteel peo. proclaim the merits of ple, and as a vulgar adjunct of life to the outside world. which contributed remotely to their comfort. Hence men who dealt in real estate in a commercial way were looked upon as little better than professional gamblers. This did not apply to agents alone-for they to anyone who was known to be paradise,

dabbling in real estate. Foreigness and descendants of nobility living in this country could not perceive that the will of the peo-ple was the sovereign of this nation, and that individual was an equal part of the sovereignty, thus attaching to them a right or joint owner-is is ship of the nation whose property they could acquire and convert by legitimate means into individual 15 % holdings—absolutely in their con-4 04 trol, giving them the right to buy 18 % and sell as they please. This value is best realized when we think it was 20 20 an opening for the poorer classes to acquire homes, and with commendable vigor they sought to secure property as quick'y as possible. The progressive had faith in his government, in his country and his town, and when he had secured his home he added to his holdings and "pro-

handsome profit. From that day till now this has been practiced with profit by the wide awake peowith profit by the wide awake peoyie in every walk of American life.
