THE FATAL CYCLONE.

$100,000 Damage and Thirteen Lives Lost.

13 MILES OF COUNTRY DEVASTATED.

A Colusa Colored Coachman Commits Wife Murder.

A TERRIFIC CYCLONE.

EARLVILLE, Ill., June 21.—A terrible cyclone and cloudburst occurred about five miles north of this city shortly after 4 o'clock yesterday, which resulted in a terrible loss of life and property, no less than fifteen people being killed and a number of houses and barns demolished.

The force of the cyclone was terrific. Nothing remains but the bare earth, huge trees being torn out. The width of the storm was about 80 yards and it progressed at the rate of eighty miles an hour. The work of rescue began immediately, but at the hour of writing but little can be learned of the names of the killed and injured.

ITS EXTENT.

The storm swept over large parts of Illinois, Iowa, Minnesota, Kansas and Missouri.

SWEEPS THIRTY MILES.

AMBOY, Ill., June 21.—Reports from the surrounding towns show that last night's cyclone started at about Harman, in Lee county, and proceeded to Sublei, Compton and Pawpaw. A great many are seriously injured, but as the damage and wreck is distributed over a distance of thirty miles it cannot all be reached. Thirteen are known to be dead, mostly children. The school house in Brooklyn township south of here is completely demolished. The teacher and scholars were nearly all injured, two children meeting death. The loss of property so far heard from is over $100,000.

COLORED WIFE MURDERER

COLUSA, Cal., June 21.—Charles Bell, a coachman and servant for J. W. Goad, this morning stabbed his wife in several different places and then cut her throat with a large pocket knife. They have been having trouble for some time and Mrs. Bell had commenced a suit for divorce. The immediate cause of the deed is unknown. Both are colored. The doctors are trying to save her life, but she will probably die. Bell escaped and started on the run down the river, but the sheriff and others have started in pursuit. The feeling against the man is intense and threats of lynching are freely made.

NOTICE.

To Merchants, Mechanics and Laborers.

WANTED

1000 Families to Settle in the Town of Aumsville.

Aumsville is located in Marion county, Oregon, 14 miles southeast of Salem, in the midst of a rich grain, fruit and stock country. The country tributary to Aumsville produces 400,000 bushels of grain yearly, 200,000 bushels of fruit and vegetables, and supports thousands of head of stock. Among its other advantages Aumsville has three miles of valuable water power, a large fertilizer rock quarry on what is known as the Butler place, one mile west of town. It has good shipping facilities, having one railroad and will soon have two more. It has a good 100-barrel roller process flour mill, several good stores, blacksmith shops and fine homes, all in a prosperous condition, a good opening for a woolen mill, fruit dryer and cannery, a tannery and large boot and shoe factory, a large cheese factory. Any man or company starting such an enterprise here could easily obtain the milk of 1000 cows.

To anyone who will start a factory of any kind in Aumsville, the people will give every encouragement in their power.

There is also a good opening here for a weekly newspaper.

Parties looking for a new home or business location should not fail to see Aumsville. Prices of property are reasonable, and now is the time to locate, for in five years there is bound to be a city here of 10,000 inhabitants. 6-20-6w

CUPID.—That is the name of Farrar & Co's new private brand of tea. It is extra good. Try it.

The Salem 4th is being talked all over the valley, and delegations are being formed all over the neighboring towns to attend the celebration at Salem. There is room here for all, for Salem is a big city, her streets are wide, her parks numerous, her accommodations abundant and her hospitality unequalled.

Light coats and vests, dress suits, business suits, working-men's suits at great bargains at the Capitol Adventure company.

THE SILVER BATTLE.

The House Tables Bland's Appeal from Chair.

BILL GOES TO COINAGE COMMITTEE.

Important Eastern News of To-Day.--Other Matters.

THE SILVER BATTLE.

WASHINGTON, D. C., June 21.—(In the house.) The house has laid on the table Bland's appeal from the speaker's decision. Yeas 144, nays 117. The effect of this is to sustain the speaker's reference of the bill to the coinage committee.

The regular order being demanded, Speaker Reed proceeded to state his position on the mooted question and reference of the silver bill which he had referred to committee on coinage, weights and measures. He did the rules required such bills to be considered in committee of the whole. Under these circumstances and in conformity with the rules chair held that the bill which had been referred to was now referred to committee on coinage, weights and measures.

MUST GO TO COMMITTEE.

Rep. Bartine, of Nevada, said that the representatives of the silver producing states were mostly new members and not trained parliamentarians, but he could read plain English, and when the rules said a bill must be considered in the committee of the whole it did not mean that it was to go the coinage committee.

OREGON FOR FREE SILVER.

Rep. Morrow, of Cal, contended in opposition to the speaker's ruling, that the bill on the speaker's table was open to disposition of the house. Congressman Hermann, of Oregon, said the silver question was the issue of the election held four weeks ago in this state. He had agreed to support the republican state platform, declaring in favor of free coinage. These were his sailing orders.

A DOUBTFUL MEASURE.

WASHINGTON, D. C., June 21.—In the senate, the house bill in reference to bigamy was taken up. It provides that all funds and property lately belonging to the Mormon church shall be devoted to the use and benefit of the common schools of that state.

The bill passed without division with some formal amendments.

WON'T COME TO THE COAST.

ALBANY, N. Y., June 21.—Gov. Hill has accepted the invitation to attend the unveiling of the Thos. A. Hendricks monument at Indianapolis, July 1st. By reason of official duties the governor has declined urgent invitations to extend his trip to the Pacific slope.

AN OLD MAN SUICIDES.

MARTINEZ, Cal., June 21—This morning an old man named C. Morgan went to the doorstep of County Physician Carothers and shot himself through the head. He lived only an hour. He has suffered a long time from a complication of diseases.

WEATHER REPORT.

PORTLAND, Or., June 21.—The following is the report of the Oregon Weather bureau for the past week, relative to crops. The weather during the past week has been cool and cloudy and general rains prevailed, doing great benefit to crops. The grain crop is now assured, except late sown and that will make good hay. Fruit prospects are very flattering.

A DOCTOR'S REBUKE.

Immensely More Mischief than is Generally Suspected.

Dr. Kinz, the eminent medical writer, in a learned disquisition on our national complaint, constipation, says:—

"The great quantity of cathartic pills, etc., which are taken by the people of this country are productive of immensely more mischief than is generally suspected. True, the physic unloads the bowels, but its action tends to diminish the tone of the intestines; so that, instead of removing costiveness, it aggravates it, leaving the bowels in a more torpid condition.

"Joy's Vegetable sarsaparilla was designed to fill just such a contingency as the doctor's argument anticipates, viz.: instead of being a powerful mineral purgative, it is a mild vegetable laxative, that, owing to its solvent and gentle stimulating properties, is so certain a relief in constipation that it has been given away to hundreds, not to be paid for unless it was of positive benefit. It replaces constipation almost immediately with a natural easy habit, and is so mild that, unlike drastic purgatives, it can be taken indefinitely with perfect safety.
