with great importance to the coun- general interest on this subject, try. A restricted coinage of silver claimed for a single standard by the goldites. There is a suspicion that all the evils predicted from a free and unlimited coinage of silver have not materialized and are not made in an entirely disinterested manner. Unless the republican party shows perfect fairness toward silver it will be exposed at the elections this fall and 1892 to the objections that were so effectively used against the Cleveland administration when it came up for re-election in 1888. A liberal silver bill is what the people want and will have.
