THE HARBOR HORROR.
 Latest News From the Fatal Farm Hill Mine.
 WHAT WAS DONE YESTERDAY.
 A Rescuing Party of Nine Enter the Mine—Other Fatalities.

THE HARBOR HORROR.
 INTO THE MINE.
 DUNBAR, Pa., July 1.—The rescuing party has dug through into the Hill Farm mine at 2:30 this morning, but before they had gone far the fire and black damp struck them and the men made their way out quickly. Fans were then started and at 9 o'clock this morning nine select men, including three mine inspectors, district master workman Watchorn, and superintendent HPI started in to search for the thirty entombed men. At eleven o'clock nothing has been heard from them and there is scarcely any hope of finding any of the imprisoned men alive.

EASTERN NEWS.
A Life-Saving Hero Submits to Matrimony.
MONUMENT TO HENDRICKS UNVEILED.
An Immense Crowd and Governors of Many States Honor the Late Vice President.
CAPT. MURREL MARRIES.
 BALTIMORE, Md., July 1.—Captain Murrel and Mary McCormick were married today. Captain Murrel is best known as rescuing passengers from the sinking steanship, Denmark.

INDIANapolis, July 1.—The great day for unveiling the Hendrick's monument dawned clear and hot with a good breeze blowing. The earliest trains began to pour crowds into the city and it was early apparent that the crowd would be the largest ever assembled in Indianapolis. Governor Campbell, of Ohio, and party, and Governor Hill and party, of New York, arrived yesterday. Among arrivals to-day are Governor Francis of Missouri. About every civil and military organization in Indiana and many more from Ohio, Illinois, Kentucky, and Missouri are represented.

THE UNVEILING.
 The parade formed at 1 o'clock and was composed of civic and military organizations, the governors of Indiana, New York and Missouri and staffs, and many notable public men were in the procession. It was a mile and a half long as it moved over its course. At two o'clock Governor Hoye called the assembly around the monument to order and the final exercises of unveiling were begun.

THE WORLD'S FAIR.
 CHICAGO, Ill., July 1.—The local board of directors of the world's fair by a unanimous vote decided, subject to the approval of the national commission, to hold the world's fair on the Lake Front at Jackson Park. Almost immediately a deputy sheriff served upon Chairman Gage notice of an injunction issued at the suit of certain abutting property owners, on the Lake front, restraining the board from proceeding to occupy that ground for the world's fair purposes.

A SHARP YANKEE TRICK.
 CHICAGO, July 1.—Details of a scheme to establish new stockyards here and freeze out the English syndicate which has just purchased the Union stockyard for \$10,000,000, are made public to-day. When the new yards are established, the site being some distance south of the Union yards, the latter will not be worth one-fifth of the amount paid for them, as the projectors of the new yards control packing houses. When the packing houses are removed from the old yards to the new, as they will be, the property of the Englishmen will be rendered comparatively worthless.
