Source of Complaint .- One of the most prolific sources of complaint now existing in the city, and the most disagreeable, feature that meets the eye of the visitor, as well ience and discomfort, is the miserable condition of sidewalks in the residence portiou. Valuable pieces of property, containing good houses, handsome gardens, and so forth, are surrounded by broken sidewalks, loose boards, nails sticking up, uneven planking and such like, tearheir. The street supervisor has been doing his best to have proper for about \$25 each, laid down here, repairs made, but the work goes on very slowly. The JOURNAL would sired end: Let every person seeing intersections in the district now a piece of sidewalk inside the cor- peculiarly affected and at the exporation that should be replaced or treme cost of \$40 each there could let him report at each meeting to the would give good security and these erty's expense.
