second-class matter. THE STANDARD OIL CO. TO PUB-LISH A PAPER.

Capital Journal Publishing Company.

THE CAPITAL JOURNAL.

The "sagacious monopoly" that from New York:

"Another great daily newspaper is to be started in New York, with money enough to keep it going any nection with the Standard Oil Co. Its principles will be prohibition and clean politics. A full staff has been engaged and the paper will appear about September 1st.1

No doubt the Standard Trust finds it cheaper to print a daily the expense of controlling so many great journals as it does. "The sagacious and beneficent monopoly,' as the Oregonian has lovingly baptized it, is not satisfied to confine legislatures; crushing our competition in refineries and transportation charges; it proposes also to go to instructing the people through its own newspaper.

The Standard would not only look out that the people get oil from no other source and see that legislatures and courts are all right. It would also furnish opinions and do the thinking for the people. As an apostle of cold water the Standard the prohibition cause. As the exponent of clear politics, Rockafeller's new paper will be a novelty. That this organization of millionecived when presented as the fruit
