MRS COL KNIGHT SERIOUSLY ILL

Change of Business-Big Squashes-The U. S. Mail-New Railroad Cars.

To BE SHUT OUT .- The Astoria Columbian of the 22d says that William Reid, the smooth-tongued manip dator of paper railroads, will to-day besqueezed out of the Astoria & South Coast company by D. P. Thompson, of Portland, and J. H. Smith, who have William in a corper unless he can raise \$80,000 in eash to-day. Those who have capital to invest have little faith in any scheme with which Reid is connected and it will be a blessing to the proposed Astoria & South Coast railroad when he is well out of it. This is a line in which Sa-Salem is laterested, and we shall be ultimately connected with it by the Salem and Astoria line, hence its prosperity is entacetly desired here.

but who has ever seen an equine glied with the power of speech? Such an assumi would be pronounced a miracle; but so would the telegraph and the telephone a hundred years ago. Why, even very recently a cure for consumption, which is universally acknowledged to be arrofus affecting the lungs, would have been looked upon as infraculous, but now people are beginning to realize that the disease is not frecurable. Br. Fierco's Golden Medical Discovery will cure it, if taken in time and given a fair trial. This world-wnowned remedy will not make new lungs, but it will restore diseased ones to a healthy state when other means lave failed. Thousands tratefully testify to this. It is the most potent tonic, or strength-restorer, alterative, or blood-cleanser and nutritive, as flesh-builder, known to medical science. For Weak Lungs, Spitting of Blood, Bronchitts, Asthems, Catarris in the Head, and all Lingering Courfus, it is an unequaled remedy. In derangements of the stousach, hver and bowels, as indigestion, or Dyspepsis, Biliousness, or "Liver Complaint," Chronic Diarrhea, and kindred allments, it is a sovereign remedy.

"Golden Medical Discovery" is the only medicine of its class, said by druggists, under a printed guarantee, from the manufacturers, that it will benefit or cure in every case of disease for which it is recommended, or money paid for it will be promptly refunded.
