Deafness Can't be Cured

sas, Oct. 3rd. 1890, aged 75 years, and was taken back to his old Illinois home for burial. In 1861 he came to Oregon and lived in and near Dallas for several years.

"K. is K. of K." When these cabalistic letters are once fully understood it will be found that they mean "Konrad is the King of Klothiers."

Deafness Can't be Cared by local applications, as they can not reach the diseased portion of the car. There is only one way to cure deafness, and that is by constitutional remedes. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflamation can be taken out and this tube restored to its normal condition, hearing will be

en out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are causep by catarri, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarri) that we cannot cure by taking Hall's Cataar Cure. Seud for circulars, free.
