CRIMINAL.

TOOK A QUANTITY OF OPIUM. BUTTE, Mont., Nov. 20.—John Hill committed suicide at his room about 1 o'clock. Mr. Hill was 29 years of age and his rash act was caused by domestic trouble, he having separated from his wife some time before. About 9 o'clock last night he tried to borrow a razor from his room-mate but was refused, owing to his suspicious actions. He went out later, and after he came back took something to which his room-mate paid no attention. Shortly after he became deathly sick, and his room-mate, surmising he had taken poison, ran for a physician. The first he called on refused to go to the sick man, and the result was that Hill died unattended. He had taken enough opium to kill a regiment.

A BANKER ARRESTED. NEW YORK, Nov. 20.—Albert Jarulowsky, a banker at Ludlow and Canal streets, is in trouble over a batch of lottery tickets imported into the city from Germany a few weeks ago, in all valued at \$20,000. When the tickets arrived they were seized by the customs inspector. Jarulowsky made every effort to procure their release in order that he might send them back and not be compelled to stand the loss. He went to the district attorney's office to see what could be done. He was told he had better see Constock in regard to the matter. Just then Constock walked in and seeing the Russian banker, said: "I have a warrant for your arrest," and a detective was ordered to place Jarulowsky in custody. The charge is that of bringing lottery tickets into the state. The banker furnished \$1000 bail for his presence when wanted and was allowed to go home.

MISCELLANY.

THE SIOUX INDIAN TROUBLE—AN OUTBREAK FEARED. MINNEAPOLIS, N. D., Nov. 20.—The Sioux Indians on Devil's Lake reservation are not especially stirred up yet. All the troops at Fort Totten have been removed to Standing Rock. The citizens here are uneasy and believe the Indians contemplate an outbreak. A FORTY-NINER DIES. BATH, Maine, Nov. 20.—J. C. Randal who accompanied Commodore Perry to Japan, having charge of the detachment left at Loo Choo Island, died yesterday. He was a forty-niner and at one time deputy collector at San Francisco.

LATEST OF THE INDIAN SITUATION. CHYENKE, Wyoming, Nov. 20.—Frank Griard reached Buffalo, Wyoming, with the information that parties of Sioux are traveling up the Powder river valley toward the Big Horn country. They were committing depredations upon ranches in the Big Horn valley.

HELIEVES ALL DANGER PAST. STANDING ROCK AGENCY, N. D., Nov. 20.—Major McLaughlin has returned from a visit to Sitting Bull's camp. He believes all danger of an outbreak is past. Sitting Bull and his followers are losing faith in the Messiah craze. McLaughlin says the Indians are deserting Sitting Bull and he has not enough men to go on the war path if he wanted to.

TROOPS ARRIVING. OMAHA, Nov. 20.—Gen. Brooks and his battalion reached the Pine Ridge agency this morning. Pine Ridge Indians are greatly excited and continue dancing. Gen. Brooks is en route from the Rosebud agency to join the Pine Ridge Indians. There is no truth in the report that sixty Sioux Indians were killed yesterday in a factional fight.

A \$30,000 TWO-YEAR OLD. NEW YORK, N. Y., Nov. 20.—At a sale of horses owned by ex-Congressman Scott, of Pennsylvania, today, Balero, the crack two-year-old of the season, by imported Bayou, out of All-Hands-Around, was knocked down to Phillip Dwyer for \$35,000.

RAILROAD COMMISSION.—The railroad commission were still taking testimony this afternoon on the Lake Lash disaster. They thought they could conclude the testimony this afternoon when they will give a decision as the result of their investigations. This decision is awaited with much interest. In whichever way the decision may be rendered there will many pleased and many displeased. The commission seems to be laboring to give the facts regardless of who may be pleased.

Gene With Another Man.

A young man by the name of Sharpe, who recently came here from Corvallis, complains that his wife, only 18 years of age, has gone where the woodbine twined with a handsomer man by the name of Jones, and who is in the lively stable business. Sharpe, who is himself fond of horses as well as a pretty wife, married last September. For a time all went well until Mrs. Sharpe got to going with other men to theaters, etc., and finally capped the climax by leaving Corvallis with a woman known as "Dutch Annie" and a railroad brakeman. Sharpe followed, only to find that Mrs. S. had taken up with "a party by the name of Jones," and flatly refused to return with him, saying that she had done all the work she ever would do and preferred a life of ease.—Portland Examiner.

It is a Mistake. To try to cure catarrh by using local applications. Catarrh is not a local but a constitutional disease. It is not a disease of the man's nose, but of the man. Therefore, to effect a cure, requires a constitutional remedy like Hood's Sarsaparilla, which, acting through the blood, reaches every part of the system, expelling the taint which causes the disease, and imparting health.

The New York World says: The greatest piece of news in Wall Street is that John D. and William Rockefeller, the Standard Oil magnates, have acquired control of the Northern Pacific railroad, which practically means the ousting of Henry Villard. There is a scheme on foot to provide connections for the Northern Pacific which will make it an uninterrupted rail line from the Atlantic to the Pacific.

WINDOM'S PLANS ON FINANCE. The Post's Washington special says: Windom believes another crisis in government finances is threatened this fall, and that his plan to use the proposed new bonds as security for the national bank circulation would obviate the perils of free coinage of silver or further paper issue without a dollar for dollar coin basis.

DEPARTS WITH \$25,000. ROCHESTER, N. Y., Nov. 20.—Moses S. Mark, formerly employed at the Flour city National bank, telegraphed the National Bank of Commerce at New York to send \$25,000 currency, having signed his name as cashier. Foolish Martyrs. There are martyrs and martyrs. Some were wise in the hottest, some are silly in the most important case. The world is provided exactly applies to the latter class, since they neglect to provide against threatened danger, we commiserate, but we do not respect them. Among the silliest are martyrs to rheumatism, who might have prevented daily and nightly recurring tortures by the early use of Hostetter's Stomach Bitters, which is a more efficient in removing the virus of this complaint than any other medicine, and thus far brought to the notice of the community and the medical profession. It promotes greater activity in the system, imparts degree of vigor to digestion and assimilation which is highly favorable bearing on the general health.

SCROFULA. That impurity of the blood which produces unsightly lumps or swellings of the neck, on the arms, legs, or feet; discharges in the eyes, ears, or nose, often causing blindness or deafness; is the origin of pimples, cancerous growths, or the many other manifestations usually ascribed to "humors"; and fastening upon the lungs, causes consumption and death. Hence, the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can Catarrh Be CURED. By taking Hood's Sarsaparilla, which, by its remarkable cure it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula or impure blood, be sure to try Hood's Sarsaparilla. Every spring my wife and children have been troubled with scrofula, sores breaking out on them in various places. My little boy, three years old, has been a terrible sufferer. Last spring he was one mass of sores from head to feet. I was advised to use Hood's Sarsaparilla, and have taken it. The result is that all have been cured of the scrofula, my little boy being entirely free from sores, and all four of my children look bright and healthy. W. B. ADAMS, Sarsaparilla Co., N. J.
