UNION PACIFIC RY. TO BE UNITED

Under one Grand Pool, Managed by Jay Ghoul—Other News.

THE GREATEST CORPORATION COMBINE EVER KNOWN IN HISTORY.

NEW YORK, N. Y., Nov. 21.—It is stated this afternoon that an alliance has been formed between the vast interests represented by Geo. C. Magoun, of Kidder, Peabody & Co., Jay Gould, C. P. Huntington and the Standard Oil Corporation by which all the railroads and other property owned or controlled by them individually or jointedly is to be operated together, and practically under Gould's direction. The grand alliance includes the Southern Pacific, Union Pacific, Missouri Pacific, Northern Pacific, Atchison, Wabash, Kansas and Texas, Texas Pacific and many other large railroads. It is also said that Gould is trying to force the holders of the Rock Island road either to sell or join hands with the other roads of the alliance. If the Vanderbilts and the roads controlled by J. Piermont Morgan can be be brought in, a meeting of bankers and railroad presidents of all roads in the country will be called and a new association formed, and then there will a material advance in all railroad rates ordered at once.

THE KING OF PLUTOCRATS INTERVIEWED—CONFESSES HE HAS CONTROL OF THE UNION PACIFIC.

NEW YORK, N. Y., Nov. 21.—Jay Gould was asked this morning in reference to the report that he had got control of the Atchison, Topeka & Santa Fe railroad. He said the report was erroneous, although he admitted that he owned a considerable portion of Atchison stock. It is authoratively learned to-day that a meeting of the principal stockholders of the Union Pacific, for reorganization of the board of directors will be held next week. It is understood that Chas. Francis Adams will retire and and be succeeded by Sydney Dillon. The new board of directors will include Russell Sage, Jay Gould, Alexander Orr and Henry Rhyde. U. re-assembled this morning a telegram from Miss Francis Willard was read, asking that the name of the organization be changed as it was not legal. The executive committee decided that as it was not addressed to the president, and that as the association could not change its name for a year anyhow, no action be taken.

MISCELLANY.

SURGEON GEN. HAMILTON'S VIEWS ON THE IMMIGRATION QUESTION—HE URGES STRINGENT MEASURES.

WASHINGTON, D. C., Nov. 21.—Surgeon General Hamilton has made a report to Secretary Tracy, giving the results of the visits made by him to the principal foreign points in regard to the embarkation of immigrations for the United States. He says that he found no thorough medical examination of emigrants was made any where. Dr. Hamilton says that no country is so free as the United States in admitting immigrants, and urges that restrictive legislation be enacted on this subject. Nearly two million and seven hundred thousand immigrants have come here within the past six years, largely made up of an undesirable class. He recommends that a law be passed requiring intended immigrants to furnish United States Consul evidence that he is not a criminal, or pauper nor suffering from any epidemic or contagious disease or any disability to make him a public charge.

GEN. MILES WANTS MORE TROOPS.

CRIMINAL.

ROBBERS IN TACOMA—DANGEROUS ON THE MAIN STREETS AT NIGHT.

TACOMA, Nov. 21.—The Tacoma Morning Globe says: That men are being "held up" every night in Tacoma is too much of a truth to conceal. Many of the victims do not like the notoriety that they necessarily receive from announcing to the police or the public that they were stopped on the public streets and robbed of every valuable on their person. Too often if it becomes public property they are set down as being drunk or cowards. But that men are being "held up" even in the business quarters of the city every night, leaks out from some quarter or another. On Tuesday night, shortly after midnight, a man came to Officer Smith at Ninth street and Pacific avenue with his face bleeding, and stated that he had been "held up" and robbed at the corner of Eighth and Pacific avenue, and had had his pistol, gold watch and $7.50 taken from him. Officer Smith took the man to Slayden's drug store under the Hotel Fife where the night clerk dressed his wound, which consisted of a cut, about two inches in length, under his left eye. The man, who from his appearance looked and acted like a gentleman, refused to give his name, but related the attack as follows, which at least three men present heard. He said that he was a stranger in the city and had had a business engagement which had detained him late, and was taking a walk and smoking a cigar before retiring. When he reached the corner of Eighth and Pacific avenue, and was about to turn and walk down the avenue again, a man stepped in front of him and with a pistol pointed at him demanded that he throw up his hands. He had a pistol in his pocket, and attempted to draw it, when another man appeared from the other side and dealt him a blow under the eye which knocked him down. Both men then jumped on him and relieved him of his gold watch and chain, his pistol and the $7.50 that he had in his pockets. The two men then ran away before he could get to his feet, and he went in search of an officer. The gentleman gave no appearance of being under the influence of intoxicants as a physician who was present told a Globe reporter last evening. John G. Slayden was found in his drug store last night and acknowledged that a man who claimed to have been robbed and had his face cut had been treated in the store the night previous, but refused to give any information with reference to it. The clerk who had been on duty at the time he said was no longer in his employ, but Mr. Slayden refused to say where he could be found. He laughed and made light of the matter when questioned and said that the less said about the matter would be better. At police headquarters all knowledge of the robbery is denied, and Officer Smith was not on his beat last night on account of sickness.

DISAPPEARED WITH FUNDS OF THE LODGE.

SEATTLE, Nov. 21.—C. B. Grant, secretary of Seattle Lodge No. 4, I. O. O. F., is reported to have fled the town, taking the funds of the lodge with him and leaving his wife behind in destitute circumstances. He was formerly in the real estate business, and was for a time deputy city clerk. He was dissolute in habits, and left the town once before under similar circumstances. Officers of the lodge say they do not know the amount of money taken by Grant.

SEVENTEEN MEN INDICTED.

NEW ORLEANS, Nov. 21.—The grand jury to-day indicted seventeen Italians, under arrest for the murder of Chief of Police Hennessy.

It is a Mistake

To try to cure catarrh by using local applications. Catarrh is not a local but a constitutional disease. It is not a disease of the man's nose, but of the man. Therefore, to effect a cure, requires a constitutional remedy like Hood's Sarsaparilla, which, acting through the blood, reaches every part of the system, expelling the taint which causes the disease, and imparting health.

Foolish Martyrs.

There are martyrs and martyrs. Some were wise in the loftiest, some are silly in the most improvident case. The word improvident exactly applies to the latter class, since they neglect to provide against threatened danger, we commiserate, but we can not respect them. Among the silliest are martyrs to rheumatism, who might have prevented daily and nightly recurring torture by the early use of Hostetter's Stomach Bitters, a blood depurent more efficient in removing the virus of this complaint from the circulation than any thus far brought to the notice of the community and the medical profession. It promotes greater activity of the kidneys. The channel through which blood impurities, productive of rheumatism, gout and dropsy are principally expelled and it imparts a degree of vigor to digestion and assimilation which has a most favorable bearing on the general health.

School Tax List.

The school taxes of district No. 24 in Marion county are now due and payable at the clerk's office in No. 263 Commercial street (in the rear of F. S. Dearborn's book store in the Bush Breyman block) Salem. The same will become delinquent unless paid within 60 days from this date. By order of board, this 17th day of November, 1890. W. B. SIMPSON,
11-17-tf District Clerk.

A Deadly Weapon.

Carelessness in purifyin the blood leaves you at the mercy of that insidious enemy blood poison, which sooner or later will strike its fatal blow. Hibbard's Rheumatic syrup has no equal as a blood remedy, and should be taken by every person in the spring. Its efficiency has been proven by thousands on testimonies like the following

Gentlemen: I have been a great sufferer for over ten years, and I was taken with the worst forms of kidney and liver trouble dyspepsia, neuralgia, and rheumatism. The sallowness of my skin disfigured me, and the neuralgic pain was so severe that it contracted the muscles of my face. The ablest doctors gave no relief, but I am now entirely cured by Hibbard's Rheumatic Syrup, and wish to recommend it to all as a wonderful blood medicine.

SCROFULA

is that impurity of the blood which produces unsightly lumps or swellings on the glands of the neck; causes painful running sores on the arms, legs, or feet; developes sneers in the eyes, ears, or nose, often causing blindness or deafness; is the origin of pimples, cancerous growths, or the many other manifestations usually ascribed to "humors;" and fastening upon the lungs, causes consumption, and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can It Be CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula or impure blood, be sure to try Hood's Sarsaparilla.

"Every spring my wife and children have been troubled with scrofula, sores breaking out on them in various places. My little boy, three years old, has been a terrible sufferer. Last spring he was one mass of sores from head to feet. I was advised to use Hood's Sarsaparilla, and we have all taken it. The result is that all have been cured of the scrofula, my little boy being entirely free from sores, and all four of my children look bright and healthy." W. B. ATHERTON, Passaic City, N. J.
