THE OFFICIAL COUNT .- Mayor Williams Justice of the Peace Gooddelland Recorder Conn have concluded the count of the votes of last Monday's city election. The results by the judges on Monday evening. The official count shows the vote in the fourth ward between Hugh Lamoroux and John Ellis, the candidates for aldermen. According to the ludges' count it gave Fills 103 votes while Lamoroux had only 101. The official count gives to each 101 votes. This discrepency occurred by two or three of the tickets of the other wards being used in the fourth ward, and of course, had other names for aldermen than the candidates in that ward. The only way now to settle who shall be the new alderman from the fourth ward will makes a provision for such a case.
