A good substantial meal orked in first-lass style Twenty-five cents per meal

unknown quantities in regard to capture. Now they were living in the matter, and learning the names this legislation. The people know peace, the great father furnished of some of the perpetrators, had that at their hands they will get them implements to work and sent ordered their apprebension. Among faithful consideration and just treat. men to show them how; he built the offenders were three Klowa chiefs, Satanta, Satank and Big Tree, ployed teachers to lead them on to who were confined in the fort, and the path of the paleface. They were were to be conveyed to Texas for met in council, the wisest and most trial. General Sherman's peril experienced men of the various grew out of this episode, and he told tribes-gathered together from forest it in words and figures as follows: and plain; and he bade them, as a GEN. SHERMAN'S NARBATIVE. "I had partaken of breakfast with of the white farmers who planted Gen. Grierson and family, and was their fields, and show to Washington seated on the porch reading a news-

paper while the boys hitched up for departure. All of a sudden I be-The general did not make over came aware of the presence of some fifteen minutes talk, but the way it one, and looking up I saw half a was delivered lengthened it out to dozen breachloaders pointed at my were a dozen or fifteen interpreters head, in the hands of as many savage looking Indians, This startled to make the speaker's words known me, it is no use denying; but the to their respective delegations. next moment a colored orderly, who These men could retain thirty or had stood unnoticed by, holding forty words in their memories, which Grierson's saddle-horse, advanced they repeated to the delegates. If the latter approved the talk, cou-

on the foremost Indian and placed his revolver at his ear. At that optented "ughs" made known their portune moment, too, there was a relief of the camp guard, (seven or eight men,) at the commandant's quarters relieving guard. The corporal in charge of this relief happened to get wind of what was going on, and had the good sense to double quick his men to the rear of the resi-

dence and order them to take aim at the Indians who were menacing me. I felt I was safe now, but I tell you it was trying to the nerves. Here was I the center piece of a grand dramatic tableau, but there was no

knowing when its effect might be destroyed by one of those red men puncturipg me with lead.

With this assistance at hand I ordered the arrest of my assailants, and they were captured after stubborn resistance. Grierson was prompt to put in an appearance, and when I referred to him for an explanation he revealed the condition of things. I being "a big war chief" on a visit to the post, these bucks thought to capture me as a stand off

for the chiefs they wanted released. THE SOLDIER AND CIVILIAN. It may be well to mention here that two of the above named chiefs were tried and convicted of murder, and sentenced to the penitentiary
