ABOUT HOP PESTS.—The Agricultural college is heading a move to have a vigorous fight made against the hop pests in this valley. Last year it was found that the hop louse was making his appearance in some of the yards, but fortunately little damage was done and a good crop was had and fair prices were obtained. This will stimulate a larger acreage for this year. From investigations made by the Agricultural college and by individuals who are acquainted with the habits of the hop louse, it is strongly inferred that they will be in numbers this year sufficient to do much damage. The English and New York crops were greatly damaged last year. A strenuous warfare is urged against these pests. The last bulletin of the college estimates that the crop of last year in Oregon and California was worth \$4,000,000, of which 5-12 was produced in this state. It further estimates that the loss from hop louse was \$340,000, or one-twelfth the entire out put. Thus it is easily seen that steps should be taken to exterminate these pests.

Remarkable Rescue.
Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own housework and is as well as ever was.—Free trial bottles of this Great Discovery at Fry's Drug-stores.

Portland Telegram. The arrest of a young girl 14 years old in a state beastly intoxication in the back room of a low grocery, is the subject of a very grave inquiry into the uses and abuses of our police and license system. It is probable that if the law prohibiting the sale of liquor to minors was enforced about half the saloons in the city would be closed.

Portland Rural Spirit: Western Oregon and Washington present a one great advantage. It is here that the larger breed of horses will do the best; by this we mean those that have been grown to greater size by long years of domestic care. It is here that the milk breeds of cattle prosper, because the food is more and better adapted to the production of milk. It here the Cotswold and other English breeds of sheep will do the best, because they are indebted to their nature from long rearing in a similar climate.

Happy Hoosiers.
Wm. Timmons, Postmaster of Idaville, Ind., writes: "Electric Bitters has done more for me than all other medicines combined for that bad feeling arising from Kidney and Liver trouble." John Leslie, farmer and stockman, of same place says: "Find Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man." J. W. Gardner, hardware merchant, same town, says: "Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength, good appetite and felt just like he had a new lease on life." Only 50cts, a bottle at Fry's Drug Store.

An Opportunity in Real Estate.

FOR SALE FOR 30 DAYS.—What is known as the "Marble Corner," corner of Court and Liberty streets. Also 1 1/2 blocks across the street north of the East Salem school house. This property will be for sale for the next 30 days. Inquire of 312 1/2 M. L. CHAMBERLAIN.

ALLIANCE FOR SALEM.—Mr. Cole, the Kansas alliance man, will be in Salem tomorrow and speak in the opera house at 1 o'clock in the afternoon. This is the initiatory step for an alliance in Salem. The move has a number of followers in this city and vicinity. Mr. Cole has organized a number of alliances in Linn county and the northern part of Marion.

A Fearful Heritage.
The transmission of blood taints entail fearful consequences, those so afflicted have need to purify the blood every spring. Neglect of this often leads to fearful complications of disease. A gentleman whose family were greatly afflicted writes us thus: "My wife and I have suffered for years from hereditary scrofula or King's evil. I have employed the best physicians, but found nothing to relieve them until I tried Hilbard's Rheumatic Syrup. Have used several bottles and the result is most gratifying. My wife and I are entirely cured. Words can't describe the value of your medicine as a blood purifier. I shall recommend it to all who are troubled from impure blood. My wife's condition is similar in gross veins and provisions. Albany, N. Y. For sale by Smith & Steiner."

A Sure Cure for Piles.
Nothing is known by medicine like hemorrhoids, causing intense itching when seated. This, as well as the bleeding and protruding, yield at once to Dr. Bosanko's Pile Remedy, which acts directly on the parts affected, absorbs the piles, always yielding a permanent cure. 50 cents. Druggist or mail order free. Dr. Bosanko, Philadelphia Pa. Sold by Smith & Steiner.
