BOARD REDUCED.—Table board at the Willamette will be reduced to \$5.00 per week during the summer season, and rooms at proportionate rates. Landlord Wagner has concluded to make this reduction for the season, and it is to be hoped the Salem people who like first class service will appreciate his efforts to meet them. The Willamette is the best hotel Salem has ever had.

LAST NIGHT AT THE REED.—When the curtain raised at Reed's opera house last night the Albia Heywood Concert company was greeted by an cultured audience as ever assembled in that building and one able and willing to criticize. This troupe can congratulate themselves that they have passed through the cultured and capital city of Oregon and received a large house and an audience that is unanimous in pronouncing it a fine company and one receiving the attention and commendation of even critical Salem.

THE HEYWOOD IS THE CENTER TO WHICH THE TROUPE RALLIES, IN FACT HE IS A GEM IN HIS LINE. He has reduced an art science, and no person has been able to please a large audience in this city as did Albia Heywood, the mimic and facial artist last night. He put his whole soul into his acts which is transmitted to his hearers with telling affect. The change of expression and character in the imitation of the pious old lady, who "didn't want to hear the patent machine squeaking," and whose soul felt grieved that she was compelled to give up the place which she had occupied for 40 years in the old home church to a new "fangled" organ, and the reckless tippler who could be imagined. The tears and sobs of the first called forth sympathy, while the latter was risible in the extreme. "Josiah Allen's Wife" and "Silly Billy" and "Wah-Shing" were no less contrasted and were equally as well received. Miss Annie Miller stands at the head of her profession as a violinist. Her playing was a prominent part in the evening's entertainment. The solos from Dwey Heywood on the flute and Clint Heywood on the euphonium were excellent renditions of master pieces. Signor Antonio Jovine is a clever singer with a fine voice. The orchestra with this troupe is the best the people of Salem have had the pleasure of hearing from any traveling company. To say all in one word the concert was good.

OLD TIME FAVORITES.—The announcement that John Jack and Annie Firmin, the veteran actors, on their return to Salem will be hailed with delight by those who are acquainted with them. Their date for Salem is Thursday, April 30, which will be tomorrow night. The Hoquiam Washingtonian says of them: "Miss Firmin is one of the most talented actresses now traveling. Mr. John Jack is an old-time popular actor, a leading support of the great tragedian Edwin Forrest and Neil Davenport of Wallack's. He supported Charlotte Cushman at Both's theatre, New York, on the occasion of her farewell to the stage; and he and Miss Firmin have made the longest running tour of any American artists, which lasted five years, and embraced every portion of the globe where the English language is spoken."

IN BATTLE ARRAY.—A few young men of Clatsop took aboard a good ballast of bad whisky last Saturday, and then went over to Butteville to "paint the town red." They proceeded to a saloon which they intended to raid, and then the fun began. After a few pistol shots were fired, in which one was seriously hurt, the boys lost courage and retreated. The Woodburn Independent says: "There will be an interesting funeral or two around Butteville, which will afford a good item and the country will be better off. Butteville is evidently trying to sustain its unenviable reputation of being a little bit tougher than Geneva."

**STILL AT WORK.**  
Tuesday, May 5th, the President's Day in Salem—Extensive Arrangements Being Made.

It is now definitely known that the President and his party will be in Salem Tuesday morning, May 5th. Monday evening Mayor D'Arcy, of this city received the following dispatch from the officials in charge of the presidential party now in San Francisco.

SAN FRANCISCO, April 28  
P. H. D'Arcy, Mayor:  
Please wire me care of Palace hotel, San Francisco, your programme of entertainment as requested in my telegram of the 17th ult, and oblige,  
Geo. W. Boyd.

The mayor later on dispatched the following in answer:  
SALEM, April, 28.  
Geo. W. Boyd:  
Citizens will meet presidential party at depot; parade; address of welcome on behalf of city; on behalf of state; exercises at capitol, large attendance promised.  
P. H. D'Arcy, Mayor.

The Presidential party is as follows: President and Mrs. Harrison, Mrs. McKee, Mrs. Dimmick, Mr. and Mrs. Russell Harrison, Postmaster-General Wanamaker, Marshal Russell, Mr. and Mrs. Geo. W. Boyd, Mr. E. F. Tibbitt, the President's stenographer, and the representatives of the press associations. The President's private secretary, Halford, who intended to be one of the party, remained in Washington on account of the illness of his wife.

Should the weather continue favorable there will be 25,000 people in Salem on that occasion and it will be a gala day for Salem. News is coming in from all the country towns that they will be in Salem in full force. The towns which are fortunate enough to be the proud home of a band will bring it along to take part in this gala celebration. This is not simply a day for Salem, but for all this part of the Willamette valley. It is not only the privilege of any town to send her citizens, bands and all bouquets that can be made, but the duty to assist in making the success unparalleled in any event in the history of Oregon.

**FINE SOLAR COMPASS.**—At the office of Surveyor General Byars is to be seen a handsome solar compass, the principal parts of which are made of aluminum. It is the property of Mr. R. S. Moore, a surveyor of Linkville, and was sent here to be tested by Mr. Byars. It is a very handsome instrument and cost \$300. It is very much lighter than an ordinary brass compass, which is quite an item where a thing has to be packed many miles through dense forests and in mountainous country. Owing to the numerous deposits of iron ore in this section the solar compass is the only instrument that government surveyors are allowed to use, as with an ordinary magnetic compass the variation of the needle in some places is so great that the results attained by it would be of no value.—Oregonian.

**TIME TO PLANT CORN.**—The old residents who have lived in Iowa, Illinois and Missouri will remember the old adage that when the dogwood blooms is the time to plant corn. The grandfathers of the people had full faith in the old adage and when the beautiful bloom of the dogwood was out began to plant their corn. The dogwood in the vicinity of Salem is in full bloom now. Tuesday afternoon an Iowa gentleman and his wife were seen coming from Polk county where they had been to secure a bouquet of that snowy flower.

**AFTER TEN YEARS.**—Ten years ago today Clint Brown was lodged in the Oregon penitentiary under a life sentence for killing a man named Walker in Lane county, who had been endeavoring to break up Brown's home and happiness. Today he was pardoned out and went forth a free man to reunite himself with his two children. A strong petition and recommendation of the district attorney caused the cessation of a sentence which it is now said should never have been imposed. Brown has been a trusty almost the entire time of his incarceration.

**NOW IN THE PEN.**—An Albany man who recently visited the state penitentiary, saw among the residents in a striped suit Mr. Ben Post, who curved the balls for the Albany base ball club last year. Post was recently sent up from Portland for two years for stealing a woman's purse at the restaurant where he was working. He is in the foundry department curving red hot iron instead of red hot balls, a fact to be regretted, for Post is not all bad by any means.—Albany Democrat.

**GONE TO MISSOURI.**—Clare B. Irvine, of the Statesman staff, started for his old home in Missouri yesterday afternoon. He will be gone about six weeks. Clare visited his home less than a year ago, and at that time rumors were afloat that he would not return alone, but they were not well founded. The rumor is current again to the same effect. It is said enough rumors will make a fact, but how truly is not said.

**THE PRESIDENT.**—Yes, he is coming to Salem, but our city also has other attractions, and the greatest of these are to be seen at Farrar & Co's.

**FOR SALE.**—Three-year-old bay carriage horse, Morgan stock, sound and gentle. C. BODERHEIMER, 20th street.

**TEMPERANCE UNION.**  
Officers and Delegates of the Woman's Christian Temperance Union for the Ensuing Year.

The meeting of the W. C. T. U., of Salem, was held Tuesday at which time officers and delegates to act for the ensuing year were elected: Officers: Vice presidents of Salem Union: Mrs. R. S. Wallace, First Presbyterian church; Mrs. B. W. Cooke, Congregational; Mrs. H. Leach, Christian; Mrs. T. H. Wilson, Methodist; Mrs. E. C. Matheny, Evangelical; Mrs. F. E. Hodgkin, Episcopal. Superintendents of departments: Evangelistic, Mrs. C. L. Fiske; Sunday school work, Mrs. I. C. Dodd; conference with influential bodies, Mrs. B. M. Scott; prison and jail work, Mrs. S. E. Piper; fairs, Mrs. M. A. Ramp; juvenile work, Mrs. B. M. Scott; literature, Mrs. C. L. Fiske; agent union signal, Mrs. S. E. Piper; press, Mrs. B. W. Cooke.

At the meeting on April 28th of the Salem Union the following were appointed delegates to the state convention to be held in Portland in May: Mrs. E. J. Royal, Mrs. S. R. Jessup, Mrs. C. L. Fiske, Mrs. T. H. Wilson. Alternates: Mrs. F. E. Hodgkin, Mrs. F. Lockley, Mrs. M. A. Ramp, Mrs. M. Jory.

**OFF FOR THE SEA ISLANDS.**—Frank C. Baker, the state printer, left last evening for San Francisco on his way to the Sandwich Islands, where he goes to visit Charles Baker, his brother. They have not met since 1872, and Mr. Baker expects to be absent about five weeks. Upon his return he will attend the convention of the International Typographical Union, to be held at Boston on June 8th. Mr. Baker states the work of the last legislature is very nearly cleared up, and during his absence the state printing office will be looked after by George Hibbert, of Astoria.

**ALLIANCE PICNIC.**—On Saturday May 2nd it is expected that a picnic will be held at McAlpin's school house four miles east of Madley. State Alliance Organizer Cole will be present and will speak. Representatives of alliances from other parts of the county will be present and the public generally are invited to be present.

**GOES TO EUGENE.**—Jack Harkins, the well known blacksmith, went today to Eugene, where he has purchased a shop and will reside in future. Mr. Harkins is recognized as one of the best tradesmen on the whole Pacific coast, especially in making shoes and shoeing horses, and the people of that live city who have trotters and other valuable animals will not be long in appreciating his skill. Jack takes with him universal wishes for prosperity.

**FUNERAL.**—The funeral of the late Mrs. Geo. W. Brown will be held from the Presbyterian church at 10 o'clock Thursday, instead of from the residence of Thos. King, as yesterday announced.

**GAFFER GREENS.**—The best line of greens, cabbage, cauliflower, lettuce, radishes, and everything in that line at Clark & Eppley's, 100 Court street. Remember we have the quickest delivery in the city.

**BIRDS OF SPRING.**—They are here, but the handsomest ones are those "birds" of spring just in at Mrs. Flester's, opposite the opera house, Salem. Prices always the lowest. dwt.

**IMPORTED.**—Schoettle, the leading merchant tailor, keeps in stock not only the best American goods, but also the finest imported patterns. The best styles only. It

**ONLY EXPERTS.**—John Knight, who is himself an expert, employs only the best of mechanics for horse shoeing.

**Fates of old gras, Caviar, Truffles, Sardellen, Egg Nuddles and other Imported table delicacies, at Sroat & Gille's.** dzt.

**PERSONAL MENTION.**

T. McF. Patton, of Salem, was at the Perkins yesterday.—Oregonian.  
The Contractor Z. Craven returned this afternoon from a business trip to Corvallis.  
Miss Ella Dearborn is home from a few weeks' visit with her friends at Portland.  
Miss Prosser and Miss Hixson were passengers for the metropolis this afternoon.  
Ed. Burjon, the brick-maker, returned today from a business trip to Junction City.  
Dr. H. R. Holmes returned to Portland this afternoon after a brief visit among Salem friends and relatives.  
Mrs. Juice Deady, of Portland, was a passenger on the one o'clock train north. She was joined here by her son, P. H. U. S. commisioner at Portland.

**PENNOYER WILL BE THERE.**  
He Considers Salem the Proper Place in Which to Live His President.

Governor Pennoyer was seen by a JOURNAL representative at the 130 train this afternoon, as he was leaving the capital for Portland. He is still feeling very much grieved over the Telegram interview and the criticisms to which he has been, as he considers, so unjustly subjected. He said:  
"I will be on hand in Salem to meet and welcome the President at whatever point his train is halted in the city. I consider it my duty to take part here and very much desire that a most cordial reception be given General Harrison and party. I shall be happy to contribute as much as anyone to the success of the occasion, financially and otherwise, and have so notified the local committee."  
It will be a great day for Salem and local enthusiasm is running high, and the JOURNAL is glad to announce that all the signs point to a grand reception in honor of the President.

**BUILDING RESUMED.**—The building interest, which was delayed a few days on account of the rain, has resumed with all its vigor. A look through the suburbs of the city reveals the fact that new cottages are going up in every quarter and everywhere improvements are being made. The unoccupied lots in the city proper are receiving attention and new buildings are going up on them. Work will be about completed today on the grading for the electric line extension to the fairground. The timber is on the ground for the bridge over North Mill creek for the street car bridge. The new vestibule cars are over due and may be expected to arrive any day. Work is again progressing on the Fairmount park reservoir. The ring of hammer and saw is heard on every side. Verily Salem is a progressive city.

**CHURCH AND PACKING CO.**—Articles were filed today incorporating the M. E. church, of Colburg, Lane county, with Jacob Pheneager, S. J. Pheneager and F. R. Rich as trustees; capital stock, \$1,000. Articles were also filed incorporating the Southern Oregon Pork Packing Co., of Medford, Jackson county, with Wm. Slinger, J. W. Hoekersmith, and W. J. Vawter, incorporators; capital stock \$25,000.

**The World Enriched.**  
The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited, and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the Spring-time, or, in fact, at any time, and the better it is known the more popular it becomes.

**MOTHERS' KINDERGARTEN CLASS.**—Mothers and all ladies interested in kindergarten and the new educational work are invited to meet at Miss O. Ballou's kindergarten, in the Christian church parlors, on Thursday afternoon this week, at 1:30 o'clock, for the organization of a "mothers' club." Free. 28-2t.

**FOR SALE.**—House and lot. Five good, large rooms, hard finish, splendid well, lot set to fruit trees and small fruit. Enquire of T. J. Cronise, at printing office over State Ins. Co. 429-d-6t

**New Potatoes—Sroat & Gille.**  
The month of May will be a gala one for the bouquet city of Oregon. The president, an excursion to Albany, excursion from Portland, a colt show, a strawberry fair, Decoration day and other attractions. There is no wild "west" about Salem.

**Don't Throw up the sponge!**  
The hideous ogre, Giant Despair, often fastens his clutch upon the chronic invalid. Constantly plagued by dyspepsia, biliousness and constipation—nervous and sleepless too—what wonder is it that he longed to "throw up the sponge." Let the stomach Bitters come and will put the "sponge" back in your hand. It strengthens the stomach, confers nervous vigor by promoting assimilation of the food, and relieves the liver when dormant, and releases the bowels without pain. The ability to digest and assimilate retained, the ability to sleep follows. Nothing else can stay the renewal of health but imprudence. Hostetter's Stomach Bitters transcends all others as a remedy for malarial, rheumatic and kidney complaints. A wingless falcon three times a day.

**Merit Wins.**  
We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Hocken's Africa Salve and Electric Remedies that sell well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits, at Fry's Drugstore.

Unless you want to build  
**YEW PARK IS IN THE CITY.**  
The city water mains are laid through it. It is so near the Depot, Union, Postoffice and business portion of the city that it is not necessary to ride, although the street cars run through it and leave every twenty minutes for Commercial and North and East Salem. YOU CAN'T SPECULATE IN YEW PARK PROPERTY.—the proprietor will attend to that; but you can buy a better home site there than in any other portion of the city for the same money. You will have no dust in Summer and no mud in winter. Its perfect drainage insures its healthfulness. The lots are large and many of them beautifully shaded with yew, fir, ash and oak. If you want to buy blocks of lots on speculation, and let them lie unimproved and let adjoining property make them valuable, don't patronize Yew Park.

**It is not Built That Way**  
If you want to speculate on options or blocks of eight or ten lots, go out in the country, NORTH, SOUTH, EAST or WEST, or to the suburbs of Portland, Astoria, or on the Sound, and invest in a paper town, or, what is better, buy a ticket in the Louisiana lottery, but keep away from Yew Park.  
Lots sold at low prices on long time and easy terms to home seekers. 4-14 em.
