THE CAPITAL JOURNAL.

NOT GET OVER

This Journal called attention to the general advance in prices of agricultural products before Harrison's administration is half over, and of this valley feel hard hit. They always make the prosperity argument against the republican party and charged it up with all strikes, When the facts of a prosperity re- to one notoriety-seeker. That is all. stored and falling prices checked under republican rules, and the operations of the much decried McKinley bill are turned against them, they squeal lustily,

The Albany Democrat is reminded grateful. that we did not go into details about duties. The duties on agricultural rnle, while under Cleveland's nursery trash. administration they went to pot. This is all we claim. Is it not true? To call our assertions "cheek and gali" is not argument nor answer. To refer to "blocks-of-five," the "billion dollar congress," is not germane to the subject as lawyers would say, for we are arguing to the facts, not to the hustings.

The most worked up and ridiculous of all organs is the democratic will buy this cheap guff, thinking tell the result. they are getting a democratic paper.

robs, insults and outrages the perhaps a valuable animal. American people" does enot explain to being insulted by a policy under

The dishwater editor of the Oregonian says of the McKinley bill out distinction the same affront from charge of murder. that it is "unnecessary, unwarranted, a metropolitan daily? is a part of the McKinley bill, the inaptitude of such criticism is apparent. That bill cannot be both bad republican policy and good democratic theory. But it is not theory that galls. It is the facts.

THE PREVIOUS YOUNG MAN.

this county,

This paper will never become the organ or apologist for office seekers or office holders. It believes in holding all such up to the highest code of public and political responsibility, at all times leaving the people "A Woodland Queen," a new novel, by Andre Theuriet, a rising French writer, who has been accused of writing "The Journal of Marie Bashkirtseff." "A Woodland Queen" is a charming free to secure the best choice among all candidates and also the best drawn, the plot interesting and the results obtainable from the competitive frictions between political

of any citizen to become a candidate for official honors. The republican party is not a close corporation, nor have we yet reached the "closed eason" in Marion county when any previous youth may get up and by merely pointing his finger at a citizen rule him out of existence as a political possibility. Such conduct might be satisfactory in Russia, but

dozen men who have lived in this county all their lives and are at least

as well known as their critic,-it is HOFER BROTHERS, - - - Editors, nonsense, to say the least. Here is

a sample of this style of politics: PUBLISHED DAILY. EXCEPT SUNDAY, BY THE
Capital Journal Publishing Company, (Incorporated.)
Office, Commercial Street, in P. O. Building Entered at the postoffice at Salem, Or., as Section in the style of politics:

John Kuight, of Salem, is another of the tools of the ring. There is nothing in his eyes so noble as party loyalty. If you were to kick John he would fight, but he would infinitely prefer you would kick him than say ought against his party. To be a republican, to vote his ticket straight, these are his criterions of righteousness.—Veryburn Independent.

About fifty members of the Miller's National Association left New York Wednesday for Earope, where dent.

Now, what does this amount to? They expect to be gone two months. What does this boy know of another man's "criterion of righteousness?" Mr. Knight as chairman of the a weekly paper published in Brook- & Northwestern Kaliroad company, called for any similar evidences of republican county commission conindustrial prosperity under democratic rule. The democratic papers off year rolled up a big republican ability. majority. He had the confidence of the people and the hearty co-operation of republican workers all over the county. The only man on the hard times, failures of crops, and ticket he could not pull through was even have gone to the extreme politi- a respectable townsman of this indecal superstition of pointing out the pendent editor. But all this style greater prevalence of cyclones and of political controversy is not worth earthquakes under a protective tariff. the ink. It gives a cheap notoriety

SUGGESTED COMMENT.

Under the McKinley bill no special tax is collected from tobacco dealers. Tobacconists ought to feel
