DON'T BUY A LOT IN YEW PARK Unless you want to build on it. YEW PARK IS IN THE CITY. The city water mains are laid through it. It is so near the Depot, University, Postoffice and business portion of the city that it is not necessary to ride, although the street cars run through it and leave every twenty minutes for Commercial street, North and East Salem. YOU CAN'T SPECULATE IN YEW PARK PROPERTY.—The proprietors will attend to that, but you can buy a better home site there than in any other portion of the city for the same money. You will have no dust in Summer and no mud in winter. Its perfect drainage insures its healthfulness. The lots are large and many of them beautifully shaded with yew, fir, ash and oak. If you want to buy blocks of lots on speculation and let adjoining property make them valuable, don't patronize Yew Park.

It Isn't Built That Way If you want to speculate on options or blocks of eight or ten lots, go out in the country, NORTH, SOUTH, EAST or WEST, or to the suburbs of Portland, Astoria or on the Sound, and invest in a paper town, or what is better, buy a ticket in the Louisiana lottery, but keep away from Yew Park.
