THE BUILDING RECORD. Salem Making a Healthy Record of Growth in a Bull Season.

The brick yards about Salem cannot supply brick fast enough. Three new lumber yards were established this year. Seven brick stores are half completed, and parties are anxiously looking for sites to erect mercantile property on our business streets.

Travelers who go to any of the adjoining valley counties or cities come back delighted with Salem and Marion county. None of our neighbors beat us, and the capital city and old Marion county, have crops, prosperity, life and progress attained by no other section.

Twenty new houses are going up in North Salem. Twenty-five new houses are building in East Salem. Thirty houses are going up in Yew Park and University addition.

While the architects' offices are full of immature designs for new buildings, two contracts were practically closed yesterday. The bid of John Gray for Captain Babcock's new cottage on Commercial street, of \$2300, was accepted.

Mr. John P. Robertson has several offers for his new residence near the school house, which tempt him to sell. If he sells he will at once erect several cottages.

YESTERDAY. Judge B. F. Bonham and family took full possession of their Indian bungalow just erected on his addition to North Salem. It is a one-story structure, of a wood design for homelike comfort, that is sure to become popular.

200,000 Finished. We have just finished burning a kiln of 200,000 first-class brick, and will be ready to deliver them in a week. We expect now to be able to keep up to the demand to the end of the season, and are prepared to make contracts. Yards near fair grounds. MURPHY & DESART. d&w

SCROFULA. Is that impurity of the blood which produces unsightly lumps or swellings on the glands of the neck; causes painful running sores on the arms, legs, or feet; develops ulcers in the eyes, ears, or nose; occasions blindness or deafness; is the origin of pimples, cancerous growths, and the many other manifestations usually ascribed to "humors"; and fastening upon the lungs, causes consumption, and death. Being the most ancient, it is the most general of all diseases of affections, for very few persons are entirely free from it.

How Can SCROFULA Be CURED? By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula or impure blood, be sure to try Hood's Sarsaparilla. Every spring my wife and children have been troubled with scrofula, sores breaking out on them in various places. My little boy, three years old, has been a terrible sufferer. Last spring he was one mass of sores from head to feet. I was advised to use Hood's Sarsaparilla, and we have all taken it. The result is that all have been cured of the scrofula, my little boy being entirely free from sores, and all four of my children look bright and healthy. W. B. ARTHUR, Passaic City, N. J.

YEW PARK. DON'T Buy a lot in YEW PARK. YEW PARK IS IN THE CITY. The city water mains are laid through it. It is so near the Depot, University, Postoffice and business portion of the city that it is not necessary to ride, although the street cars run through it and leave every twenty minutes for Commercial street, North and East Salem. YOU CAN'T SPECULATE IN YEW PARK PROPERTY—the proprietors will attend to that; but you can buy a better home site there than in any other portion of the city for the same money. You will have no dust in Summer and no mud in winter. Its perfect drainage insures its healthfulness. The lots are large and many of them beautifully shaded with yew, fir, ash and oak. If you want to buy blocks of lots on speculation, and let adjoining property make them valuable, don't patronize Yew Park. It Isn't Built That Way. If you want to speculate on options of blocks of eight or ten lots, go out in the country, NORTH, SOUTH, EAST or WEST, or to the suburbs of Portland, Astoria or to the Sound, and invest in a paper town, or what is better, buy a ticket in the Louisiana lottery, but keep away from Yew Park.
