Why endure it daily, nightly, and well nigh hourly, they who are troubled by chronic rheumatism. The remedy is at hand. It is the evidence in baby's Hostetter's Stomach Bitters, which it would be found to cure the worst and most obstinate cases of rheumatism. To forestall its chronic stage is the duty of prudence. SCROFULA

It is that impurity of the blood which produces unsightly lumps or swellings on the face of the neck; causes painful sores on the arms, legs, or feet; drooping eyelids in the eyes, ears, or nose, often causing blindness or deafness; is the origin of lupus, cancerous growths, or the many other manifestations usually ascribed to "humors;" and fastening upon the lungs, causes consumption, and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can SCROFULA Be CURED

By taking Hood's Sarsaparilla, which, by its remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula or impure blood, be sure to try Hood's Sarsaparilla.

DON'T Buy a lot in YEW PARK

Unless you want to build on it. YEW PARK IS IN THE CITY. The city water mains are laid through it. It is so near the Depot, University, Postoffice and business portion of the city that it is not necessary to ride, although the street cars run through it and leave every twenty minutes for Commercial street, North and East Salem. YOU CAN'T SPECULATE IN YEW PARK PROPERTY—the proprietors will attend to that; but you can buy a better home site there than in any other portion of the city for the same money. You will have no dust in summer and no mud in winter. Its perfect drainage insures its healthfulness. The lots are large and many of them beautifully shaded with yew, fir, ash and oak. If you want to buy blocks of lots on speculation, and let them lie unimproved and let adjoining property make them valuable, don't patronize Yew Park.

It IsnotBuilt That Way

If you want to speculate on options or blocks of eight or ten lots, go out in the country, NORTH, SOUTH, EAST or WEST, or to the suburbs of Portland, Astoria or on the Sound, and invest in a paper town, or what is better, buy a ticket in the Louisiana lottery, but keep away from Yew Park.
