children were at a garden restaurant in nificent Pullman and Wagner sleepthe suburbs of the city, and had been ing cars, elegant Puliman and enjoying the fresh air and good coffee Northwestern dining cars, free re at the same time. As they rose to leave clining chair cars, handsome day the table Max, then seven years old, saw that a large and tempting piece of sugar had been left in the sugar bowl. Thinking himself unobserved he quickly seized it and put it in his mouth.

Unfortunately for him he had been noticed by Heinrich, who, without meaning to be a talebearer, run to his mother with an expression of horror on his face, as if he expected some calamity would instantly befall them, and pany flag, presented by a gentleman

said in a shocked and astounded tone "O mother, mother, would you be-Heve it? Max has eaten the respect!"-Youth's Companion.

The Church of the Future. The churches of the future will be founded on the idea of righteousness. "Other foundation can no man lay. Any narrower church is unworthy of humanity and of God, and will, in the natural course of events, be swept away. The gods of ecclesiasticism have very often been devils, but the true God is a perfectly good Being, and his church must therefore be co-extensive with the perous community. race. In righteousness, and in right eousness alone, we have an idea that we will unite all men by a common bond. In righteousness, and in right eousness alone, we have an idea capable of indefinite expansion, of unceasing application to the ever changing. ever growing necessities of human life.

A church founded on the idea of righteousness is a church which all wise storing your nervous system to its men must approve, which all good men normal, healthy condition. Suprismust love, for righteousness is abso- ing results follow the use of this Intely necessary for the well being of mankind. A church founded on the ion is restored, and the Liver and idea of righteousness is part of that Kidneys resume healthy action. eternal and universal church which ex Try a bottle. Price 50c, at Fry's isted long before the Christian era, drugstore. which will continue to exist when every ecclesiastical institution in Christendom June is a strong number, giving has collapsed. Ecclesiasticism must be destroyed before religion can begin. The churches of men must be revolutionized in order that the church of the public schools. This issue closes God may be saved .- Rev. Dr. Alfred a year's work of excellent serials and Momerie in Forum.

They Worship a Log.

gate, Pekin. This log has remained in in Chicago; \$1.50 per annum. its present position since the fall of the old Ying dynasty. It is in good preservation, and has commanded the respect of all classes and conditions of people. neighbors talking about it, You Insects in China usually make inroads may be one of the many who know on timber in a very short while, but from personal experience just how they are said never to alight upon this good a thing it is. If you have ever tried it, you are one of its staunch sacred tree trunk, and it is true that friends, because the wonderful thing they have not left a single trace of their about it is, that when once given a work upon it, while the timbers in every trial, Dr. King's New Discovery direction are a perfect honeycomb of insect work.

The Chinese people believe that the log is the habitation of some god, and on that account gather and worship at a fair trial. It is guaranteed every its base at least once a year. Among time, or money refunded, the higher classes the day for this bottle free at Fry's Drugstore. unique species of worship is the first of each succeeding month, unless that day should happen to be a new moon day. On Oct. 1 of every year the emperor commands the board of ceremonies to appoint a committee to pay their respects to the deifled log.-St. Louis Republic.

Southern Wit in War.

"As we are reminded by the author of "Four Years in Rebel Capitals," the south, as well as the north, needed to exercise its sense of humor, whenever that was possible, to carry it through the terrible strain of the war. Some of the puns, burlesques and repartee of that dreadful time have become locally historie. Colonel Tom August, of the First Virginia, was the Charles Lamb dered, Sie per pound. of Confederate war wits, genial and ever gay.

Early in secession days a bombastic friend approached him with the ques German, 10c per pound; raisins, \$2 25 per tion, "Well, sir, I presume your voice box; plummer dried pears, 10 to the; sun is still for war?"

Always to be remembered is General bit, flying by him from a heavy rifle fire: "Go it cottontail! If I hadn't a smoked means and Lard smoked mean reputation I'd be with you!"

Saving Oil.

A centrifugal machine is now used in engineering workshops by means of week opened on a quieter market. No.1 which 75 per cent, of the oil remaining white, \$1.60 per cental. in the metal cuttings from drilling and planing machines can be recovered. The gain in recovered oil is about forty to fifty gallons per ton of cuttings. -New York Commercial Advertiser.

matters of efiquette, and her boys were brought up with great strictness, and occasional severity. Among other things, she was extremely decided in the dean of table efiquette, and her children's manners in this regard were then thought quite irreproachable.

They were tanght, when they were greats at a table, never to eat all the food which was put on their plates; a portion must always be left "for respect," so their mother said. Also, they must never take more than a certain fixed amount of sugar in their cups of coffee, no matter what the eravings for it might be.

This last rule was a great trial to Maximilian, Heinrich's younger brother, who had a particularly sweet tooth.

On one occasion Fran Heine and her decay were brought up with great strictness, and occasional severity. Among other things, and would asy that is all practices and experience have never seen and experience hav

JOURNAL.
During the recent session of the legislature it was the only paper in the state that three it was the only paper.

It is a stanked successfully the Porland distance in the state that three it was the only paper.

It is a stanked successfully the Porland distance in the stanked successfully the Porland distance in the stan JOURNAL.

The Capital Journal favors a reform in national finances, to the end that the present expensive monopoly system of supplying an inadequate currency may be supplained by the government issuing direct to the people an adequate supply of legal fender money, with a coin basis subtlent to conform to sound banking principles. It favors election of all officials who legislate far, or are directly responsible to the people, by direct vote of the people, by direct vote of the people. It favors raising all state revenues by a tax on the gross earnings of corporations, both foreign and state. It favors opening all waterways to the sea and a control of all common carriers to the end that the producer shall secure for his labor the largest net returns.

If you they relating all powers possible in the hands of the people and government in the interests of the people, circulate this paper. For terms, see elsewhere.
