CALIFORNIA DISTRICT DEAD.
SAN FRANCISCO, Aug. 15.—Joseph P. Howe, superior judge, and old-time member of the legal profession in this city, died yesterday, at the age of 80 years. He served in the Twenty-eighth and Twenty-ninth congresses, from 1843 to 1847, being elected by the Democrats of Galena, Illinois.

WHEAT GOES UP.
CHICAGO, Ill., Aug. 15.—December wheat opened with a continuation of yesterday's wild scenes, strong cables continued to effect the market. Those who sold wheat earlier to 6 yesterday thinking the culmination was reached rushed into the pit to cover at any terms to stop loss of orders from New York and St. Louis, shouts came pouring in and all together there was a wild scene all sorts of prices bid and asked in different parts of the pit at the same time, within two minutes after the bell tapped, all the way between \$1.01 1/2 @ \$1.02 1/2 with some trades possibly at \$1.03 were paid. A flood of selling orders caused a break to \$1.01. There was a rally to \$1.02 and another break to \$1.01 and an advance to \$1.02. About 10:15 another bull wave swept over the wheat pit and amid indescribable scenes of excitement the prices were put up by halves and quarters to \$1.05 within three minutes. This bulge in demand resulted from buying in account of shorts who failed to respond to margin calls. When these were satisfied there was a quick reaction to \$1.03, and at 10:30 prices were \$1.04. After 10:30 the force subsided somewhat, at least for a time, and fluctuations were narrow; then another advance set in and the price rose to \$1.09 about 11 o'clock. Ten minutes later it dropped to \$1.08. Other markets were lost sight of in the excitement in wheat.

THE CANADIAN SENSATION.
OTTAWA, Aug. 15.—The senate railway committee met again last night. Startling evidence was brought forth in connection with the Hale des Chateaux railway scandal. Contractor Armstrong, who previously refused to answer a certain question made a clean breast of it. He said that when the effort to reorganize the company failed, he set about organizing a new syndicate, as he had heavy claims against the road. In New York he had a lengthy conference with Premier Mercer and other members of the Quebec provincial government. In order to complete the deal he got Ernest Peard, editor of Le Soleil, government organ, to act as agent between himself and the government. An arrangement was made by which the government paid him in subsidies \$175,000. The witness repaid Peard \$100,000, retaining only \$75,000. The state ment created a sensation. Peard, when called on, said, "The witness explained of the government in paying money." Peard showed the witness a list of persons whose debts had to be liquidated. Among the names appeared R. I. Tarte, M. P.
