DO YOU FAVOR Building up a Strong, Independent Paper for the People in Oregon?

During the recent session of the legisture it was ine only paper in the slate its attacked successfully the Portland distributionship in oregon politics. It successful opposed all dectoring the Australian halfawin the interests of poditical bases. It advocated the law (that passed) giving the Gregon railroad commission power to its just and reasonable rat s of freight and power to enforce its decisions. It successfully advocated referration of the of railroad commission as best qualified to unforce the law. It inhored for all massing the people the right to free and unrestricted use of the waterways.
