WORK BEGUN.—The Journal
New Year's edition is well under
way. Nearly all the statistics of
building are completed and will
make a grand showing of
growth for our city. Every column
will be packed full of reliable facts
and useful information to send to
persons away from here who may
be interested in knowing about the
resources of our city and surrounding
country.

ROAD LOCATED.—J. C. Peckles,
J. M. Munkers and Wm. Taylor,
acting as viewers, have been going
over the old road leading from
Salem to Pringle school house, along
the railroad track, with a view to
re-establishing it. It will require
nearly the width of one lot of the
whole distance, but is on a good
foundation. J. H. Albert and
others protest, claiming damage of
\$1000.

WILL SEE IT.—County Judge
Davidson is taking quite an interest
in the improvements called for peo-
ple on the road from Brooks to
Howell prairie. He hopes that the
commissioner's court will be able to
go down there and see the roads and
bridge over Labish slough, for which
petitions are in and thinks those
people ought to have some relief.

BAND CONCERT TONIGHT.—The
Second Regiment band have in
store a rich treat for us all tonight,
and added to their choice selections,
Miss Scriber, Mr. Ross, and Mr.
Ford who have consented to appear,
and the names of these favorites,
insure a treat. Many tickets have
been sold, and six prizes will be
given away. Give the boys a good
house as they are surely deserving.

CAUGHT.—It will be remembered
that Miss Madge Baldwin of Salem,
was called to her home near Fonta-
nelle, Neb., by the report that her
father had been murdered by his
stepson, Arthur Sloan. He was
captured a few miles west of Slater,
la, Nov. 17.

"B" Co.—Thanksgiving eve this
Salem militia company will give
the second of its grand select dress
parties at their armory. The grand
march will take place at 9 a. m.
Tickets \$1. Give the boys a lift if
possible and help them bear their
expenses.

SPORTSMEN.—Remember the
grand turkey shoot on the Electric
line tomorrow afternoon at 1 o'clock
sharp. Come out and get a Thanks-
giving bird. Bring your shotguns
and rifles. All will be accommodat-
ed. Simpson and Rogers.

and other varieties of fresh and salt
fish, in abundance. Trained deer
on exhibition this evening and
tomorrow. Call early and select
your goods. Special free delivery
every hour of the day. Davidson &
White, wholesale and retail fish,
game and poultry depot, 94 Court
street.

WEAKENING ON PAVING.—A
JOURNAL reporter today interviewed
a number of frontage owners on the
paving question. There is a grow-
ing indifference to the whole matter.
The present plan of street improve-
ment is thought not to be worth
what it will cost. It certainly does
not seem to challenge admiration or
arouse enthusiasm to any great
extent. So great is the fear of an
injunction that it is doubtful if
the contract can ever be completed
without a law suit. Some of the
conservative citizens are coming to
think that a new charter, with am-
ple provision for street improvement
will be the better way to reach it.

A Big Pay Roll.

The unprecedented sales of woolen
goods from the Salem Woolen Mill
store, 299 Commercial street, during
the last 90 days are far beyond the
most sanguine expectations of the
promoters of the enterprise and at
the same time proves conclusively
that the people everywhere in reach
are in full sympathy with our home
mill, and realize the importance of
building up our local enterprises.
The more goods sold means the
more made, the more made means
the more money put in circulation
to the wool growers and mechanics
of Salem and surrounding country.
The monthly pay roll is now nearly
\$3000 and increasing all the time
and stockholders are not yet satis-
fied and only count this as stepping
stone to what they intend doing in
the future in the way of woolen
mill manufacturing in Salem. dw

The Grand Enticed,
The facilities of the present day fa-
cilitate the collection of everything that
tends to the material welfare and
enjoyment of mankind are almost unlim-
ited, and when Syrup of Figs was first
produced the world was enriched with
the only perfect laxative known, as it
is the only remedy which is truly
pleasant and refreshing to the taste
and prompt and effectual to cleanse
the system gently in the Spring-time
or, in fact, at any time, and the better
it is known the more popular it be-
comes.

The bad concert tonight at Reed's

event musically. The Second Regi-

Scriber, Mr. Ross and Mr. Ford, the
popular favorites.

Bad Blood.

Impure or vitiated blood is
the cause of many of the troubles
which beset mankind. It is the cause
of indigestion that clogs up the
system, when the blood
naturally becomes impu-
rated with the effete matter.
The old Sarsaparilla attempt
to reach this condition by at-
tacking the blood with the drastic mineral
"poison." Joy's Vegetable Sarsaparilla
is modern. It goes to the seat of the trouble.
It removes the liver, kidneys and bowels
and invigorates the circulation, and the impu-
ries are quickly carried off through the natu-
ral channels.

Charles Lee, at Beamish's
Third and Market sts., S. F.,
writes: "I took liver vitiated
blood and while on the first
bottle became convinced of
its merits, for I could feel it
was working a change. It
cleansed, purified and invigorated
me up generally, and every-
thing is now working full and regular."
