A RUNAWAY FERRY.—At Albany, Friday, when the ferry boat was in the middle of the stream, the cable gave away at a point where it had been spilled, and the boat floated down stream. Mr. Devine, the ferryman, and Mrs. Rainwater, were on board. The former coolly let down the small boat and took his passenger to shore and then followed the ferry boat, which swung around to the shore just north of the O. P. bridge, where it was fastened to the shore. The cable will be mended, and the boat brought back in time to be running in a day or two.

FINED.—Townsend Savage, of Howell prairie, was fined \$5 and costs (in all \$19), Friday evening at 4 o'clock before Justice Batchelor, for assault and battery on Albert Woodworth, at a meeting of the Howell prairie debating club. Savage claims the other man struck him first, but paid his fine to avoid further trouble.

For Heads of the Ticket and What the Battle of 1892 Should be Fought Over.

Ex-Gov. Chadwick: Cleveland and Boies would make a very strong ticket, and the fight on the tariff.

A. Bush: Cleveland, with Gray, Boies or Campbell. There is but one issue—the tariff is the only thing to make the fight on.

County Judge Davidson: I have paid no attention to politics since I have been in this office. I think the public money should be spent so as to do more good than it does. I do not object to expenditures, but I do think we need a better system of roads in the county and city.

Wm. Kaiser: Cleveland and Penoyer, on a tariff reform and free coinage platform.

WILLAMETTE NOTES.

What shall the college color be? Students say, "Only three days more before Xmas."

The school will be favored during the remainder of the year by lectures from men eminent in the several professions. They will occur once in two weeks.

It is thought that when school begins after holidays everything will be finished and all repairing caused by the fire ended. The new roof and tower will give the University a stately appearance than it had before.

By a unanimous vote, it was decided to make "Current History" a required study for next year, devoting one or two hours per week to it. Current history is by far the most important and interesting of all history and its usefulness is very obvious.

The vote on the college color Monday resulted in such a varied vote that a committee of three of the lady students, three from the gentlemen and three of the faculty were appointed to settle the matter. The colors having most votes were blue, old gold and dark red.

Rhetorics: Miss Myrtle Benedict recited Bryan's "Thapsotopia"; Fred Brown, "The Battle of Fontenoy"; and Frank Brown a very creditable poem of his own composing on the University fire. D. S. Benedict read an essay on "Education," and Rik H. Dearborn on "Recreation."

We have been greatly favored with visitors this week, and are glad accordingly. Rev. S. P. Wilson visited us three times; Rev. C. E. Cline of Portland; Mr. Cruse and Miss Carrie Gleason, alumni; Alvin Bagley and Mrs. Johnnie Brooks, former students, and Mrs. Hansee were present at chapel. It is a real letter day when the students see a rostrum full of visitors; so come freely and frequently, good people.

\$100 Reward. \$100.

The readers of the CAPITAL JOURNAL will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proportions have so much faith in its curative powers, that they offer One hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. Cheney & Co., Toledo, O. SICK

Head-Aches

Sick-headaches are the outward indications of derangements of the stomach and bowels. As Joy's Vegetable Sarsaparilla is the only bowel regulating preparation of Sarsaparilla it is seen why it is a so appropriate Sarsaparilla in sick-headaches. It is not only appropriate; it is an absolute cure. After a course of it an occasional dose at intervals will forever prevent return.

Jo. M. Cox, of 735 Turk Street, San Francisco, writes: "I have been troubled with attacks of sick-headaches for the last three years from one to three times a week. Some time ago I bought two bottles of Joy's Vegetable Sarsaparilla and have only had one attack since and that was on the second day after I began using it."
