## MISCELLANY.

REPORTS OF THE STORM. SAN FRANCISCO, Dec. 30 .- Yesterday's storm was unquestionably the heaviest of the season in the Northwest. It spread with equal force over pretty nearly the entire Pacific coast., at least from the extreme north, including Montana, and as far south as Tehnchapi and to some extent in Southern California. The center is located by the weather bareau as in Northern Washington. In San Francisco the velocity of the wind was but twenty-two miles an hour yesterday morning. What it was at The Heads the bureau could not report, because the Point Reyes wire is also down. At Sacramente the wind velocity was twenty-eight miles, at Red Bluff forty miles, at Carson thirty-two miles, at Winnemucea and Walla Walla forty-four, Eelena, thirty-four miles an hour. The rain fell in a monotonous drizzle all day, for fourteen hours preceding 7 o'clock in the morning the local fall was 1.16 inches, and for twelve hours succeeding, up to 8 o'clock in the evening, 1.06, making storm total in this city 2.22 inches a remarkably heavy fall.

Reports to the Southern Pacific headquarters, show that the storm has been general in Northern Cali fornia and Oregon, and while the damage has been considerable, no trains have been detained ou Shasta division. The snowfall was and accompanied by heavy wind, and in some localities by snow. In the Siskiyou mountains the snow cific which left here at 8:30 p. m. is deeper than ever before at this last night met with an accident, season of the year, reaching a depth which caused the death of Engineer of eighteen and twenty feet in many of the cuts along the Shasta route. a tramp named Seaminski and fatal this division, snow plows are keep- Sigmer, when about two miles west ing the track clear with considerable of this city. The train was drawn difficulty. For twelve hours before by two engines the head one being 3 o'clock yesterday afternoon, the one of the huge ninety ton. It is other side of Red Bluff, but at that the head engine caused the rails to take. The Baltimore is expected hour communication was estab- spread precipitating the second here about Thursday. The report lished, and the track north reported engine mail and baggage car into that the culser Charleston anchored as clear.

for nine hours preceding 7 a. m. Mail Agent Holloway had a mir- rived here, nor has she yet been At Blue Canyon, twelve inches of aculous escape although his car snow fell during the night, and at plunged into the river from an 7 a. m. they had two feet of snow elevation of not less than fifty feet, on the ground. Emigrant Gap had he got out with but a slightly the same snow fall and the depth bruised arm. None of the passen on the ground, and at Cisco, with a gers were injured.

and a half feet of snow on the and, outside the railway station there is nine feet of snow. It covers the ground at Cascade. Four and a half feet was on the ground at Summit, with a fall of a foot more during Monday night.

NO WAR NEWS. P

WASHINGTON, Dec. 30.-There is a death of war news at the department today. Secretary Elkins arriwed here this morning, but will not undertake the discharge of his duties as secretary of war just yet.

ABOUT CARPENTER AGAIN. PORTLAND, Dec. 30 .- It will be

remembered that on the 27th of November young C. W. Carpenter, an employe of the A. P. Hotaling company, left this city. He forged a check purporting to bear the signature of Isaac Kaufman for \$3441, and had it eashed by the bank of British Columbia. Great sympathy was felt at the time for Miss Snell, to whom he was engaged to be married on the first of this month.

In the light of later developments it seems that she is a subject for congratulation, rather than condolence, at the sudden disappearance of her gay Lothario. Joe Day, who just returned from California, after making the fortunate and unexpected arrest of Lee Doo, the Chinese mur derer, has learned another chapter of this man's career.

It scoms that Carpenter was very much in love with a girl in Oakland and had obtained her father's relucthat overcame his scruples for the nouce, but he was uneasy. The young man was to have been married on Saturday. The detectives In San Francisco were notified to look out for him and were shadowing the house to wait for him to come to be married on Saturday at 5 o'elock.

At 3 o'clock his fiances received a note from Carpenter, saying that he had seen in the papers a dispatch from Portland that the whole bushness of his forgery was out, and that yet met, but the members are in he was going to leave for parts un-RHOW IL.
