CONGRESS

WASHINGTON, Feb. 2.—In the house the consideration of rules was resumed this morning. In the senate Mitchell, from the committee on privileges and elections, made a report in the case of the Claggett vs. Dubois contest for a seat in the senate from Idaho. The resolution declares Dubois entitled to his seat, Mitchell asked that the report and resolutions lie on table and gave notice he would call them up at a very early day. Vance gave notice of minority report which is to be presented day after tomorrow. Palmer introduced a joint resolution to amend the constitution so as to have the United States senators elected by popular vote.

THE FREE WOOL BILL

WASHINGTON, Feb. 2.—Springer free wool bill is under consideration by the Democratic majority, ways and means committee. No conclusion was reached.

COUPLE FROZEN TO DEATH

NORWALK, Conn., Feb. 2.—Russell Rose, 85 years old, and his sister, known as Aunt Mary, nearly 85 years old, lived for some time alone in a hut near the woods of the Bald Hill district. They were supported by the charity of neighbors. Thursday a resident of the neighborhood, who went to the hut with food, found the old man sitting dead and frozen in a chair. His hands were clasped in front of him. The sister was moving helplessly about, bewildered. She was put in bed, a fire started in a stove and the old man's body prepared for burial and left there and the sister went away. Sunday neighbors visited the hut and found the old woman dead and frozen in bed. Both bodies were buried yesterday afternoon.

REED'S RULING

WASHINGTON, Feb. 2.—"The principle that the presence of a majority of members constitute a quorum has the sanction of every court to which it has been referred, and I think it ought to have the sanction of this house." This was the reply of ex-Speaker Reed yesterday, in defending himself against denunciation by Democrats of his official action in the last congress, the rules of which are still a subject of harrowing discussion in the house. There is generally a distinction on both sides of the house to regard them as a party question, and Bourke Cochran, the well known Tammany congressman, this evening surprised his colleagues by eloquently approving the principle of recognizing actual evidence of a quorum, and his speech was enthusiastically applauded by Republicans as an able defense of Speaker Reed's ruling.

A HORRIBLE DEATH

WOODBURY, N. J., Feb. 2.—A most pitiful railroad accident occurred in this part of New Jersey yesterday. A mother carrying a little girl in her arms was thrown down by a train and killed. At 9 o'clock Mrs. E. Hill was walking between tracks to the railroad station, where she intended to take the train. She had her little 4-year-old girl in her arms. The express came along. Mrs. Hill turned and hearing the whistle of the approaching train became confused. She started to get off the way, but in the confusion stepped directly on the track on which the express was running. The engineer saw her and immediately reversed the lever. The next instant the locomotive caught her clothing and wrapped it about the pilot of the engine. She clung convulsively to her child. Then the engine dragged the mother and child under its wheels a distance of fully 100 feet. Their bodies were horribly mutilated, and when picked up were unrecognizable. Mrs. Hill was 38 years old. She leaves a little baby at home only a few months old. The bodies of the dead mother and child are in charge of the coroner.

APPOMATOX COURT HOUSE BURNS

RICHMOND, Va., Feb. 2.—The historic old Appomattox court house building was burned yesterday, and all the county records were entirely consumed. The loss of the records leaves the county in a bad straits. McLaine house in which General Lee signed the terms of surrender to General Grant, at one time was threatened with destruction.

WANT EGAN RECALLED

WASHINGTON, Feb. 2.—Another demand for the recall of Minister Egan has been made, this time by Arnold, Democrat, of Missouri, and it is no secret in Democratic quarters that the political advisability of introducing a resolution providing for inquiry into Minister Egan's conduct is being discussed. Republicans who have spoken say such investigation will be courted by Egan's friends, as a step which will lead to his total vindication. The

preamble to Arnold's resolution requesting the president to recall Egan says, whereas the latter by his general course of action towards that government, and more especially by his action in his giving asylum to Chilians in the late strife between the Congressional and Balmaceda parties, has rendered himself obnoxious to that government and alienated in a marked degree the former friendship that people had for this government; therefore, in order that tranquility may in future be better assured and the bonds of friendship, which ought to exist in all republics of the Western hemisphere, may be further cemented, regardless of political parties, resolved that the president be respectfully asked to recall said minister to Chili, to the end that reciprocity of amicable relations may be had and maintained between Chili and the United States.

A NEW YORK FIRE

NEW YORK, Feb. 2.—At a late hour last night an overturned kerosene lamp on the second floor of a five-story brick tenement house, 89 Hester street started a blaze which in a few minutes had spread through the upper part of the building. The tenants were panic stricken. Some unfortunate jumped and others were knocked off the fire escape to the stone court-yard below. Two were fatally injured, and four others are suffering from broken limbs and other injuries. Gustav Kauffmann and Fanny Levy, who lived on the third floor, were cut off from the staircase by the flames. They jumped, locked in each others arms, to the court-yard. They were picked up bleeding and insensible. Solomon Solinsky tried to save the Levy girl by catching her in his arms, but her weight crushed him, and he fell to the ground with a leg broken. Ida Goldenstein threw her 18-month-old child out of the window, and it was fatally injured. Rebecca Pomerantz fell from the fire escape on the fourth floor and broke her back. She will die. Firemen soon got the flames under control.

PLEADED GUILTY

SEATTLE, Feb. 2.—James Evans, the negro who killed his wife at Franklin last December, pleaded guilty to murder in the second degree in the superior court yesterday. He was tried two weeks ago, and although the evidence against him was of the most positive nature, two negroes on the jury stood out for acquittal. Yesterday the second trial began. The regular panel and an open venire of twenty-four men were exhausted without securing a jury; then Evans' attorney, a colored man, agreed with the prosecuting attorney that his client should plead guilty to murder in the second degree, the penalty for which is from ten to twenty years' imprisonment.

UTAH STATEHOOD

WASHINGTON, Feb. 2.—The question of Utah statehood is likely to become one of the political issues of the present congress. A bill is now pending in the house for the admission of that territory as a state, and yesterday Representative Bushnell, (Wis.) introduced a resolution on the subject. The resolution declares that Utah has a larger population than the three adjoining states of Wyoming, Idaho and Nevada combined; that the president in his last annual message, recommended Utah to be kept out of statehood until satisfactory evidence of effective laws against polygamy be made and maintained, because as a territory congress could reach and punish polygamy, while as a state it could not do so; that if the United States constitution be amended so as to prohibit polygamy, then there would be no excuse against admitting Utah as a state; therefore, there is submitted to the several states the following, to be known as article 16 amendments thereto: Polygamy shall never exist within the United States, or in any place subject to their jurisdiction. Congress shall have power to make all needful laws for the enforcement of the article.

A PIONEER DEAD

SAN FRANCISCO, Feb. 2.—Jacob P. Leese, first white (American) settler in California, died here yesterday, aged 82 years. He came to California in 1833, and built the first house in San Francisco in 1836.

INDIAN SOLDIERS

WASHINGTON, Feb. 2.—Indian soldiers are a success. Major Theodore S. Shawan, assistant adjutant-general, who has just returned from an extensive tour of inspection of posts where these new soldiers are stationed, gives the most satisfactory account of the progress these braves are making in their new duties. Despite the reports telegraphed east from Whipple barracks and several other western posts about the intoxication and disorderly conduct of the Indian troops, Major Shawan says there is much less drunkenness among the bucks than among the white soldiers. He says he investigated these reports carefully and found them greatly exaggerated. The drunkenness of a single Indian was the only foundation for the report from Whipple barracks and the whole troop was drunk and on the rampage. A careful watch of the habits of the Indian soldiers has been kept by the officers in charge since the beer privilege was given them at the cantenas, and with rare exceptions there has been no abuse of that privilege among them. On the whole, the war department is thoroughly satisfied with the Indian soldiers, and every effort will be made to get the full quota contemplated. Seven hundred and ten, or

about half the number desired, have been enlisted. Nine companies are fully organized, and two others are about half completed.

KILLED BY ROBBERIES

SAVANNAH, Ga., Feb. 2.—William Love, of the Commercial guano works, was shot dead by burglars a little after midnight yesterday. The officers heard a rustle, and found Love with a dozen bullets in his body, but no trace of the perpetrators. One week ago August Myer was also slain by burglars. Five men were arrested and indicted for the murder and three women are held as witnesses. A mass meeting was held at which a committee was appointed to wait on Judge Tollant and notify him of the public discontent at the slowness of the court. He assured them that prompt measures would be taken.

HUNTED WITH BLOODHOUNDS

YUMA, Ariz., Feb. 2.—The authorities of Cochise county have imported a pack of bloodhounds from Hunterville, Tex., to aid in the chase of the regale Apache. Masse and Kid, two of the worst renegades in this territory, are now in the Chiricahua mountains with a small following. These methods were adopted owing to the inability of the army to reach them. Lopez, the criminal who escaped from the territorial penitentiary Tuesday, has been recaptured at Adonde. Lopez is serving a seven-year sentence.

BOTH LEGS CUT OFF

SACRAMENTO, Feb. 1.—Wesley Sullivan, a farm laborer, had both legs cut off at 3 o'clock yesterday in the outskirts of the city by a freight train. It is thought he cannot recover. His father and mother live in Portland, Or. The man either had been drinking and had fallen asleep on the track or else he had succumbed to a fit.

HAS LEFT THE COUNTRY

ST. LOUIS, Feb. 2.—A private dispatch received here from Port Townsend, Wash., states: It is believed there that Marion Hedeprath, the notorious leader of the gang which robbed the express train at Glendale, has been in that city where he is said to have been tracked by detectives. The trail was lost at that point. Pinkerton's agent at Portland, Oregon, is of the opinion Hedeprath has boarded a lumber vessel at Burrard's inlet for Valparaiso, about two weeks ago, and is now far beyond the jurisdiction of the United States.

BRICK'S SEAT

COLUMBUS, Ohio, Feb. 2.—The house committee considering a resolution providing for investigation of the title of Brice to a seat in the United States senate reported today recommending the whole matter to be left to the United States senate with a request that Senator Sherman proceed in accordance with rules of that body.

STABBED

STOCKTON, Cal., Feb. 2.—John Bangerter, a Swede, in the employ of Almer Drullard, a farmer at Waterloo, near Stockton, was fatally stabbed by his employer Sunday. Bangerter was ill using some horses, and Drullard said a man who would mistreat a horse was a dog. The Swede said he would allow no man to call him a dog, and commenced beating Drullard with his fists. Drullard grabbed up an open pocket-knife that lay on a seed-sowing wagon and stabbed Bangerter three times. The wounded man died yesterday.

MAY HAVE TO APOLOGIZE

WASHINGTON, Feb. 2.—The blowing of the British flag by a crowd at Bridgeport, Conn., attracted considerable attention in department circles yesterday. The dispatch states that the British flag was hoisted because the schooner Glenden, a Canadian craft, did not also display the United States ensign, and that in failing to do so the captain of the schooner violated the United States law. This view of the case is not borne out by inquiry at the state and navy department, where the officials state that there was no law

Deafness Can't be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give you one hundred dollars if you can not be cured (caused by catarrh) that we cannot cure by taking Hood's Sarsaparilla. Send for circulars, free.
