FREE LIBRARY.—The trustees met at Dr. Cusick's office Tuesday at 3 p. m. Mrs. Wm. England was chosen temporary chairman, Mr. Davis secretary, Dr. Cusick treasurer. Messrs. Davis, Shaw and Cusick were appointed a committee to draft by-laws for the government of the library and its management There were two propositions for location of library, one from the First National bank, of a room rent free for one year; the other from the Capital National bank, of two rooms for one year rent free with two electric lights. The latter was accepted by a majority of the committee. The powers of the directors were discussed and it is understood that a majority of the directors reached the conclusion that all actions of the committee were subject to the approval or disapproval of the Alka-Hesperian society, and that all authority to act in the matter of a library was derived from said society. This decision is not final, as members of the society referred to wish the trustees to take all responsibility, the society simply having a voice in the annual election. Another meeting is to be held for permanent organization.

HARMONIZED.—Affairs between the Mill Co., and the city council have been fully harmonized. Messrs. Wilcox and Ladd of Portland were before the city council, met the city officials and became better acquainted. Mr. Wilcox made a few remarks to the council that were well received and created the best of feelings all around. The company consents to complete planking its ditch on Front street and is given two months to lower its dam and repair its race. All hostilities are at an end.

HUMANE WORK.—Mrs. Etta Dowd of San Francisco is in the city in the interest of the Western Humane Journal of St. Paul, a valuable monthly magazine devoted to human treatment of animals. She will remain a week or more and canvass the city. One branch of her work is to send this periodical a year free to every teamster, drayman or person having the handling of horses. Mrs. Dowd is a sister of Geo. M. Beeler, the insurance man.

FALSE.—The statement in the Statesman report of council proceedings that the Commercial street viaduct will cost twenty-one thousand dollars is false. The correct report of the estimates submitted, will be found in this JOURNAL.

Moores, $3.75; Cronise & Cook, $2.75; E. J. McCaustland, $25.

From streets and public property for light at Court and Twelfth, that it is not granted. Hunt stated that there was a light one block away, Report adopted. B. A. Witzell was refused right to connect with Court street sewer, as it would soon be necessary to build lateral sewers. Hunt made verbal report on Liberty street bridge, that it was well constructed and he moved that same be accepted by city. Carried. Hunt moved bill of McCoy be allowed as follows:

Contract price	$ 863 00
54 perch rock in abutment	232 20
Total	$1095 20

HIGH STREET BRIDGE.

Contract was let to lowest bidder. It is to be 250 feet long. There is to be a queen truss and pile approaches. From fire and water com., a petition for light at 16th and Bellevue street. Adopted

FIRE PLUGS

On petition of school board and others for hydrant at corner Thirteenth and Center, that it be granted. Mr. Hutton said a contract was let for twenty-five new two-way hydrants to Baker & Strang. He opposed putting in any of the old style hydrants. Report adopted.

On petition of citizens for an electric light at corner of Twelfth and State, granted.

Lamoureux asked further time for location of water ditch in Depot addition.

THE VIADUCT.

Hunt called up the South Commercial street viaduct. He said he hoped the matter would be taken up if within the reach of the city, Johnson said he was anxious to have it built. Hutton favored it and said the bridge could be put in for much less than first estimated, not over $14,000 to $16,000. The city attorney informed the council that a bridge 99 feet wide was to be built. He had figures that would bring it down to $12,000. With a cut stone arch it should not cost over $14,000. Lafore spoke in favor of it and said action should be had at once.

The mayor suggested a committee to investigate and report. Johnson opposed delay. The city could get along with the old bridge for awhile but the electric road wanted to go ahead and this would have to be pushed. Mayor D'Arcy said the city could not build it at present without help from the county. The city had not the means.

Johnson moved that the committee on streets and public property in consultation with the city attorney and engineer be instructed to prepare plans and specifications and advertise for bids for a stone arch or iron bridge. Carried.

REPORTS OF CITY OFFICERS.

City Attorney Richardson said the county had assessed city property at two mills for road purposes. The city charter required that all such taxes be expended in the city. The city attorney was instructed to confer with the court and make an amicable arrangement.

PETITIONS.

Petition to remove light at corner Oak and Capital to center of street. Referred to committee on fire and water.

Acceptance by C. M. Lockwood of city ordinance establishing messenger system.

Proposition of C. M. Lockwood to establish police calls in connection with his messenger system, accepted.

Hunt advocated placing electric lights in city buildings and jail. The gas bill was $79 last month but was reduced to $47. Electric lights could be had for $30 a month. Committee on fire and water ordered to investigate the matter.

FIRST READING ORDINANCES.

To define dutes chief engineer and officers of fire department, defining duties and fixing salary of chief at $30 a month. To committee on ordinances.

City Engineer McCaustland asked instruction as to what grade should be established between South Mill creek to city limits on Commercial street for the electric railway. Referred to committee on streets, etc.

FRONT STREET RACE.

Hutton called up matter of covering Front street race. Mr. Wilcox, of the milling company, was asked to address the council and spoke at some length. He said it was a hard ship on his company to be obliged to cover the ditch, tho' he had learned since coming to the city that the old ordinance which was repealed contained the same clause.

Johnson said he hoped the council would do all it could to encourage capital and manufactures and give employment to labor. He favored granting time to plank the race. Lafore favored enforcement of the ordinance. Hutton also insisted on the race being covered. Hunt said the petition was signed by the consolidated business interests of Salem and entitled to respect. We need more manufactures. We needed employment for labor. We could not antagonize these industries and have a prosperous city. He moved that two months further time be given the company.

Mr. Wilcox stated that his company had purchased the Dr. Golden property with a view to taking the race out of the streets altogether to save $4000 cost of plankings and carry the water to the mill down the creek bed. He did not wish to feel that his company was being antagonized here.

Hutton moved that the company should have two months time to lower dam but cover race at once. Carried.

The council adjourned.

COUNTY COURT.—The county commissioners court met for the regular February term Tuesday at 1:30 p. m. County Judge Davidson, Commissioner Grim and Watson were present. The routine business of the term was entered upon.

THE FORWARD CALL.

City Council Takes Necessary Steps to Build the Viaduct—Unanimous.

Salem cracked the whip of progress at the last council meeting, and the whole team started.

Every member of the city council expressed himself in favor of the Commercial street viaduct, and some excellent speeches were made with the clear ring of progress and a forward movement for permanent public improvements. The details of the plan will be reported at the next meeting.

The street committee is authorized to act with the city attorney and engineer to prepare plans and specifications, get bids on the work and have all in readiness for the next meeting of the council. This will require quick work and energetic action. The city engineer has the plan for a stone arch viaduct, all complete. The finances will be the hardest to arrange. The city has been slow in acting, but it is not too late. The Electric road people have virtually let the contract for their whole line already, and say they have an arrangement with their contractor to turn over to the city bridge fund whatever it would cost their contractors to put a trestle bridge across there for. They do not know what sum this will be or what the city would require of them. If the Electric company and adjoining property will contribute liberally there should be little left for the city to pay, according to the following estimate:

From county, one-half	$ 6,000
From Electric road	2,000
From property owners	2,000
Balance for city	2,000
Total cost	$12,000

THE JOURNAL has no means of knowing what will be done or can be done. But it is certain if properly handled the viaduct is within reach and that now is the time to build it. Both the people and the council are unanimously for it. Circumstances unalterably fix the present as the time to build it. It is a movement all the people of the city approve of. The city committee that now has the matter in hand deserve only encouragement in their labor of providing means.

BOARD OF TRADE.

Holds a Meeting and Does Some Good Work—Wants a Viaduct.

An active meeting of the Salem board of trade was held at the Willamette hotel last evening. About the first business transacted after calling to order, was to pass the following

RESOLUTION:

Resolved. That it is the sense of this board of trade that the present condition of our main business street demands among other permanent improvements a substantial bridge over South Mill creek, on Commercial street, in place of the unsafe and unsightly old "covered" bridge; that the new structure should be the full width of the street, without top braces, built of stone and steel or other imperishable material.

The soliciting committee reports a monthly income of $178 now subscribed, and there is already on hand over $300 in cash.

The subject of having all our streets sprinkled in the summer season by the city was brought up. A committee composed of L. B. McClane, P. S. Knight, and E. C. Cross, was appointed to investigate the matter and report.

The date of the regular monthly meetings will hereafter be on the first Monday of each month, instead of the first Tuesday, as the latter is the date of the council and other public meetings in the city. This brings the next meeting on Monday evening, March 1st.

The next regular meeting will be the annual meeting, when officers will be elected for the year.

Many new applications for membership will be made soon, and all things considered, the board is in a flourishing condition. Advertising will soon be placed in the east, when a revival of immigration may be looked for.

LOCAL AND PERSONAL.

J. B. Heninger, of Woodburn, is on the sick list.

Newton McCauley has so far recovered as to be able to be about.

The annual Episcopal convention will meet in Salem Feb. 15-16.

If for no other reason than to give the unemployed laborers of this city something to do, the Commercial street viaduct should be built.

Salem Building and Loan society has just loaned $1500 at 85 month's interest in advance, and 200 new shares of stock will be issued.

J. L. Mitchell, who was recently hurt by a horse, is now able to be about.

Moses Woods, a young Indian at Chemawa, died Tuesday. There are only ten on the sick list.

The new Park school was opened Tuesday, and there was so large an attendance they could not all be accommodated. The new South school will be opened next Monday.

Attorney-General Chamberlain returned to Salem this afternoon.

Mrs. Dr. Giesy returned to her home in Portland today, after visiting at the home of Judge Murphy.

Judge Lord made a trip to Portland today.

Mrs. W. S. Biggs returned to Portland today, after visiting old time friends.

Dr. and Mrs. L. L. Rowland returned from Corvallis on the afternoon train.

Gov. Chadwick was a passenger for Portland this afternoon.

J. E. Eldridge was a passenger for Woodburn this afternoon on business matters.

Attorney Ford is at Portland on legal business today.

Hon. E. F. Parkhurst is reported to be a victim of the grip, while their youngest daughter is also quite sick with fever.

F. X Matthieu, of Butteville, is in the city, and is a subscriber to THE JOURNAL.

Rev. Father White was among the distinguished list of passengers going north this afternoon. He went to Gervais to pay Father Brousseau's parish a visit.

Deputy Sheriff Heley, of Pendleton brought H. Speese down for a term of eight years.

C. B. Brown has taken a position with Gray Bros., as salesman in the building material department.

J. K. Wagner, a younger brother of the Willamette landlord, has come up from San Francisco, and will make his future home in Salem. He has been with Wells Fargo & Co. for twelve years, and will act as night clerk in the hotel for the present. Mr. Wagner's family will follow soon.

Geo. F. Smith opens in his new quarters in the Cottle block Thursday morning when the balance of his stock will be offered at the greatest bargains ever known in Salem.

John G. Wright tells a JOURNAL reporter that the cash system which he has adopted is working finely and that customers are receiving neat benefits in the way of lower prices as the cash business entails much less expense. He is closing out a full line of imported china ware at bed rock prices.

If there are any members of the city council who believe in street improvements for 1892 they should get their ideas together and in shape to go ahead.

Hon. J. M. Wallace, brother of the late R. S. Wallace of Salem, sends us the catalogue of the State Normal school, of Greeley, Colorado, of which he is president. The school is a fine structure, has a faculty of twelve professors and a total enrollment of 157 students. Mr. Wallace takes a deep interest in educational work.

The firm of Simpson & Rogers has dissolved partnership, J. B. Simpson, the painstaking conductor on the Electric line having bought out J. M. Rogers, and the firm will hereafter be known as Simpson Bros.

The will of Isabel D. Parker, Independence, disposing of 216 a.in tp. 8s 4w, to her husband and heirs, has been filed with the county recorder.

Mr. and Mrs. J. H. McNary, returned on the morning overland from Roseburg and will be home at the Dr. Hall residence on Summer street.

Old People.

J. V. S. is the only Sarsaparilla that old or feeble people should take, as the mineral potash which is in every other Sarsaparilla that we know of, is under certain conditions known to be emaciating. J. V. S. on the contrary is purely vegetable and stimulates digestion and creates new blood, the very thing for old delicate or broken down people. It builds them up and prolongs their lives. A case in point:

Mrs. Belden an estimable and elderly lady of 510 Mason St., S. F. was for months declining so rapidly as to seriously alarm her family. It got so bad that she was finally afflicted with fainting spells. She writes: "While in that dangerous condition I saw some of the testimonials concerning J. V. S. and sent for a bottle. That marked the turning point. I regained my lost flesh and strength and have not felt so well in years." That was two years ago and Mrs. Belden is well and hearty to-day, and still taking J. V. S.

Summons.

In the Circuit Court of the State of Oregon, for Marion county.

Miles Riley, plaintiff, vs. R. M. Glover, defendant.

To R. M. Glover the defendant:

In the name of the state of Oregon you are hereby required to appear and answer the complaint filed against you in the above entitled action, on or before the 4th day of February, 1892, the same being the first day of next regular term of the above entitled court after the expiration of the publication of this summons, and if you fail so to appear and answer, the plaintiff will take judgment against you for the sum of $70 together with interest thereon at the rate of 8 per cent. per annum from March 20, 1888, until paid, and all costs and disbursements of this action. You are hereby notified that this summons is served upon you by publication by order of the Hon. R. P. Boise, judge of said court, made on the 11th day of Nov. 1891, directing that said summons be published six consecutive weeks in the CAPITAL JOURNAL, published at Salem, Marion county, Oregon.
