THE JOURNAL has done its part in arousing public sentiment, that it is the unanimous wish of the community to have it built.

A SOUTH BOOM .- The electric railway extension south is causing considerable excitement in that part of the city. People afoot and with rigs are scouring all over that region looking at lots, selecting homesites, considering locations for investment and projecting new additions. What helps on part of the city helps on all and the impulse given by an extension of the street car system in any direction is felt by the whole city.
