and Lung Specialty. used Boschee's German Syrup for some severe and chronic trouble of the Throat and Lungs can hard-

ly appreciate what a truly wonderful medicine it is. The delicious ensations of healing, easing, clearing, strength-gathering and recover-ing are unknown joys. For Ger-man Syrup we do not ask easy cases. This is as far as the ordinary cough medicine goes. Boschee's German Syrup is a discovery, a great Throat and Lung Specialty. Where for years there have been sensitiveness, pain, coughing, spitting, hemorr-hage, voice failure, weakness, slipping down hill, where doctors and medicine and advice have been swallowed and followed to the gulf of despair, where there is the sickening conviction that all is over and the end is inevitable, there we place German Syrup. It cures. You are a live man yet if you take it.

Co-operation in Family Supplies. Co-operation in the matter of family supplies is a well worn subject in theory, but why is it so little practiced? Its advantages are neither ment of the system were never more prevalent than now. The great facilities furnished by the railroads in recent years, whereby business men can conveniently live in the many beautiful suburbs, have induced a great and constantly increasing number to establish their families in country homes of far more comfort than anything that could be had in town for anything like the cost.

Where four or five congenial families, or more, find themselves situated reasonably near one another, they would materially benefit themselves by forming an organization to this end and making a great saving of money, time and trouble. System is the one thing needful. Our good housekeeper always makes out her menu for a week in advance. At the end of the week she either repeats it or makes such changes as taste or the season suggests. This might be done by a number of families, the gentlemen taking turns in leaving the orders at a trustworthy place.-New York Tribune.

Is the testimony of Dr. George E. Waller, of Martinsville, Va., in reference to Ayer's Pills. Dr. J. T. Teller, of Chittenango, N. Y., says:—

"Ayer's Pills are highly appreciated. They are perfect in form and coating, and their effects are all that the most careful physician could desire. They have supplemented all the pills formerly popular here, and I think it must be long before any other can be made that will at all compare with them. Those who buy Ayer's Pills get full value."

"I regard Ayer's Pills as one of the most reliable general remedies of our times. They have been in use in my family for various affections requiring a purgative medicine, and have given unvarying satisfaction. We have found them an excellent remedy for colds and light fevers."—W.
