ARE YOU GOING?

20,000,000 visitors, at least, are expected at the Columbian exposition; and whether you expect to be one of them or not, as an American, naturally you are interested in the preparations for the grand event. A splendid paper in Demorest's Family Magazine for April, "The Evolution of a Great Exposition," is the best thing of the kind that has yet been published. From it you may learn all the interesting points about the coming world's fair, and the illustrations are simply superb, including a comprehensive view and the plans of the grounds, pictures of all the magnificent buildings, and portraits of some of the leading officers having it in charge. Besides, there are splendid stories, every department is full of good things, and there are over 200 handsome illustrations; and every month's magazine is just as good, and the subscription price is only \$2 a year. Published by W. Jennings Demorest, 15 E. 14th St., New York City.

Good Roads.

Notice is given that all supervisors of road districts, in Linn county, Oregon, are requested to meet at the court house in Albany on Tuesday, the 29th day of March, 1892, at the hour of 1 o'clock p. m. of the said day, for the purpose of discussing and agreeing upon the best practicable manner of working and making good the roads in said county and compelling those who are subject to road tax to work out their assessments. This is a good plan and should be followed in Marion.

HERE YET AND WILL STAY.

A fine crowd attended the United Brethren revival last night in spite of political excitement and some deep and lasting religious impressions are being made. Messrs. Barclay and Williams are persistent and able men—a pair of preachers such as Salem has seldom heard their equal. They are also perfect gentlemen in every way. Sunday services will be at the regular hour, forenoon and evening. Meeting today at 3 p. m. and 7:30 p. m.

PEOPLE'S PARTY.

Rev. Jo Waldrop, of Portland, will speak at the opera house tomorrow at 2:30, on the present rights and needs of the people. However different in outward circumstances, at heart we are brothers. An injury to one is the concern of all. Every citizen invited. Mr. Rork will give a short talk on interest, taxes, and the treasury plan.

A CARD.

The copartnership has been formed between Dr. McAfee and Dr. Brooks, and they will be found at their respective offices, until further arrangement.

THE POULTRY SHOW.

Special Premiums to be Offered—Returns From all Sections Favorable.

At the directors meeting Friday evening much important business was done. A special committee on making up a list of special premiums was appointed, consisting of Geo. D. Goodhue, R. R. Ryan and A. F. Hofer. They will visit the merchants and business men, who are interested in advancing the poultry and egg trade, and the list of specials will be published.

A number of Polk county exhibitors have already put in their appearance.

The show is late in the season so that breeders at a distance of some varieties cannot afford to destroy their matings to ship them here. But that only stimulates breeders near by to do their utmost to have every variety represented.

The Secretary and his assistant are sending out hand bills and marked copies of the daily press booming the show to breeders of the five Northwestern states.

Keller Brown, are making fine exhibition coups to show their recently imported pair of black Leghorns. They will be worth the price of admission to see.

A number of couples of thoroughbred pigs are wanted.
