A KANSAS MAN'S IDEA.—A Kansas man on the streets this morning noticed the immense crowd of half-frantic delegates and candidates hob nobbing on Bush's corner, when his curiosity led him to ask what was the excitement. On being informed that it was county convention day, he replied: "Is that all? I supposed there was a riot or a run on the bank."

THE REVIVAL.—At the C. P. church still continues. Rev. P. B. Williams will preach tonight at 7:30, subject: "The Church the Body of Christ," after which an organization will be effected of the Church of the United Brethren in Christ. WINNING REPUBLICANS.

Proceedings of the Nominating Convention.

IMMENSE CROWDS IN THE CITY.

What Was Done and Said at the Opera House—The Organization.

At 10 a. m. as fine a procession of citizens as ever assembled in Salem took up the line of march to Reed's opera house. While many a candidate was treading to his doom, all proceeded with the firm, buoyant and elastic step that animates men when they smell victory in the air by a thousand majority for a good ticket.

BUTTONHOLING

had filled the first floor and parlors of Hotel Willamettee with a packed throng which extended onto the streets and eddied around the street corners with all the enthusiasm of an oldfashion Republican revival. A big overflow meeting was held on Bush's bank corner and the exhorters were not a few. By 10:15 the opera house was well packed with the bronzed and broadshouldered rank and file of Marion county Republicanism. By a general understanding the different delegations found their places together and the galleries began to fill with spectators.

CALLED TO ORDER.

At 10:20 Chairman John Knight took the platform and it was several minutes before Squire Farrar nominated W. L. Tooze for temporary chairman. Dr. Cusick seconded, and Mr. Tooze was elected with a hurrah. L. F. Conn was chosen secretary and Wylie Moores as assistant secretary.

J. L. McKinney, of Turner, moved a committee of one from each precinct on credentials, to be selected from each precinct where there is no contest. Upon division the motion was carried.

J. L. McKinney moved a committee on permament organization of five; N. H. Looney, E. R. Blackerby, David Simpson, A. S. Colver and F. J. Wrightman.

On call of precincts following were named as

AFTERNOON SESSION.

At 1:15 p. m. the convention reconvened.

The temporary officers were made permanent.

The report of the committee on credentials was then made and adopted as given elsewhere.

COMMITTEES.

On order of business: Wm. Bushey, of Mehama; Everett Cone, Butteville; Jo. Ross, Abiqua; A. N. Moores, Salem No. 2; W. J. Culver, East Salem.

On resolutions: S. B. Ormsby, of Silver Falls; Sam Carr, St. Paul; J. Daly, Breitenbush; John Hoefer, Champoeg; M. J. Adams, East Silverton.

On state delegations: Mitchell, of Gervais; Will, of Aurora; Porter, of Stayton; Whitney, of Woodburn; Stinson, of North Salem.

Following were appointed Tellers: Geo. Meyers, Geo. Smith, Hamlin Smith, G. G. Stillwell.

RESOLUTIONS

were reported by the committee sustaining the Harrison administration, advocating improved roads, and instructing the delegation to the legislature to favor public improvements.

ORDER OF BUSINESS.

The majority report favors beginning with coroner and going up with clerk before sheriff.

The minority report is nearly the same except that the sheriff is to be nominated first.

A ballot was ordered on the question of adopting the minority report. Chairman Tooze undertook to dictate to the convention, but was suddenly sat down upon by the convention.

AS THE JOURNAL goes to press, by a vote of 129 to 93 the minority report was adopted, which fixes the election of sheriff before clerk and is considered a victory for John Knight.

THEIR CREDENTIALS.

Proceedings of the Committee on the Brooks Contest.

The committee met and L. H. Poujade was made chairman and M. L. Chamberlain secretary. The roll was called and each delegation was vouched for as correct by the delegate present.

J. A. Van Eaton moved that no proxies be allowed, but that the delegates present cast the vote of delegation or name a person who shall act as delegate instead of the absentee. It was seconded and carried unanimously.

The delegations as published in THE JOURNAL, except Brooks, were read off and found correct.

The list of delegates reported by E. W. Chapman as chairman was read.

A statement from primaries where Alex Lafollette was chairman was read.

Upon motion one person from each side represent the case and call witnesses.

It was moved that all spectators of the two factions retire except those selected to make statements. Carried.

Mr. Jones offered statement of several parties to the effect that a majority of the regularly called primary had voted for the Chapman delegation. Mr. Lafollette spoke for the other side, opposing the claims of the opposition.

The Jones-Lafolette delegation contest was finally decided by a vote of 17 to 15 in favor of the Chapman delegation, and so reported to the convention.

Two hundred and eight coops have been rented from the state fair grounds, and they will be brought in today, and others will be constructed.

Entries for competition will positively close at 9 a. m., tomorrow (Friday). All entries received after that date will be considered for exhibition only. Delays in receipt of same by unavoidable causes barred. All specimens not received upon time will be debarred from competition, unless detained by unavoidable delays, in which case they may be admitted by the consent of the superintendent.

Several new exhibitors were heard from yesterday who are coming with their finest specimens.

On the first Tuesday in April the quarterly meeting of the State Horticultural society will be held at Grant's Pass. Extensive preparations are being made, and a great rally is expected among all fruit-growers of the Willamette valley and Southern Oregon. The citizens of that place are making arrangements to accord all visitors a royal welcome, and it is expected that the session will be one of the most interesting and profitable held in the state. At that meeting the subject of making a magnificent display at the world's fair will be made the subject of special consideration; and it is confidently expected to secure a very substantial addition to the money already collected.

Charles Hubbard, who owns a large hopyard northwest of McMinnville, says he is just one month ahead of last year's work at this time. He has finished poleing and hoeing, and the vines are looking fine. The only danger now is from frost. He has not found hop lice, and predicts an enormous yield of hops this year. Hopgrowing is a profitable industry, and more of our farmers, who have land adapted to hops, should look into the matter. Probably money can be made by a number.

Mr. F. M Johnson, of Corvallis, says: "Our town is very prosperous. We have just started a carriage and wagon factory, of which I am secretary. The company was organized last July with a capital of $100,000. There has been $52,000 paid in, and all of it by Corvallis people. We have put up a four-story building, 60x250 feet, with a capacity of 200 men. The factory was started a few days ago with twenty-five men, and will probably employ forty during the summer. The skilled labor is all from the east, and Superintendent Sticker comes from the Portland carriage works and from the Brantford works."

Old People.

J. V. S. is the only Sarsaparilla that old or feeble people should take, as the mineral potash which is in every other Sarsaparilla that we know of, is under certain conditions known to be emaciating. J. V. S. on the contrary is purely vegetable and stimulates digestion and creates new blood, the very thing for old delicate or broken down people. It builds them up and prolongs their lives. A case in point:

Mrs. Belden an estimable and elderly lady of 510 Mason St., S. F. was for months declining so rapidly as to seriously alarm her family. It got so bad that she was finally afflicted with fainting spells. She writes: "While in that dangerous condition I saw some of the testimonials concerning J. V. S. and sent for a bottle. That marked the turning point. I regained my lost flesh and strength and have not felt so well in years." That was two years ago and Mrs. Belden is well and hearty to-day, and still taking J. V. S.

That Tired Feeling.

Is often the forerunner of serious illness, which may be broken up if a good tonic like Hood's Sarsaparilla is taken in season. This medicine invigorates the kidneys and liver to remove the waste from the system, purifies the blood and builds up the strength.

La Grippe Successfully Treated.

"I have just recovered from a second attack of the grip this year," says Mr. Jas. O. Jones, publisher of the Leader, Mexia, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days, against ten days for the first attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy, as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'" Hot Griddle Cakes.

Dr. Price's Cream Baking Powder possesses a peculiar merit not approached by that of any other baking powder. It produces the hot buckwheat, Indian or wheat cakes, hot biscuit, doughnuts, waffles or muffins. Any of these tasteful things may be eaten when hot with impunity by persons of the most delicate digestive organs. Dr. Price's Cream Baking Powder leavens without firmentation or decomposition. In its preparation none but the purest of cream of tartar, soda, etc. is used, and in such exact equivalents as to always guarantee a perfectly neutral result, thereby giving the natural and sweet flavor peculiar to buckwheat and other flour that may be used, the natural flavor so much desired and appreciated by all. The oldest patrons of Dr. Prices powder tell the story, that they can never get the same results from any other leavening agent, that their griddle cakes, biscuits, etc. are never so light and never taste so sweet or so good as when raised with Dr. Prices Cream Baking Powder.

NOB HILL.

THIS beautiful, elevated and sightly tract of land, on the new southerly extension of the Electric Street Railway, has been platted, surveyed and staked out in blocks nd lots as an addition to the City of Salem, and the streets are now being opened. The grounds are clear and seeded in grass, soil is good, no gravel or rocks. The under current of pure water from the mountain ranges forced upward to within 40 feet of the surface by the underlying strata, in addition to a 75-foot pressure from the big reservoir of the Salem Water Co., insures a never-failing supply of pure water. This, in connection with the excellent natural drainage due to the elevation of the property, gives it all the advantages for desirable homes in a healthy locality. This property will now be put on the market at low prices for SIXTY DAYS, when it is expected the street car service will be in operation. Maps of the property can be seen at the office of J. C. Booth in Ladd & Bush bank block; Spalding & Rogers in the Bush-Breyman block, and the well known firm of Thomas & Johnson, next door to The Statesman office. Any of these gentlemen will answer all questions and show the grounds to persons wishing to purchase, or any appliction to the proprietor, who may be easily found, will be attended to. GEO. H.
