HOFER BROTHERS, - - - Editors.

FRESNO, March 18, 1892. This is to certify that we had our UBLISHED DAILY, EXCEPTSUNDAY principal business streets paved with oituminous rock in the years 1889. and 1890, and it is giving entire satisfaction. When laid upon a good foundation it is, no doubt, the best and cheapest paving in use and greatly adds to the value of property fronting on the street paved with it. The pavement has as yet required no repair and shows no signs of THE JOURNAL has favored good wearing or giving out.

uniformty laid a good pavement.

Republicans.

REPUBLICAN PLATFORM

Adopted at Portland Covering the Whole Field.

PORTLAND, Oregon, April 7 .-Following is the platform adopted: First-We reaffirm our devotion peak. He is worth a million times that principle concted in fulfillment of Republican promises and as affording equal protection to the manufacturers, the mechanics, and It will cost you nothing and will the workingmen of America, from an

> great injury of the American preducer. We regard the reciprocity. clause of the McKinley law as a wise and masterly stroke of Republican statesmanship, under the operation of which protection guards the home market, while reciprocity reaches out to the foreign market. While protection establishes, builds up, and maintains American industries, reciprocity opens a new outlet for the surplus products of our farms,

workshops and factories. Third-We favor such legislation by congress and in this state as will encourage, protect, and promote the interests of agriculture in all of its departments. Protection of labor and rights of laborers such as will grant to toil its full and just rewards, is among the first obligations of

government. Fourth-We demand protection for the wool industry equal to that accorded to the most favored manufacturer of wool, so that in due time American wool growers will supply all the wool of every kind required for consumption in the United States, and we denounce the Springer free wool bill now pending in congress as unjust and unpa-

Fifth-Thoroughly believing that gold and silver should form the basis of all circulating medium, we endorse the amended coluage of the last Republican congress, by which

Sixth-We commend the patriotic services of our senators and representative in congress, and approve their efforts and measures for the general benefit of the state, and we ing up and improvement of the Columbia river, and we deplore all factional opposition to these meas-

Seventh-That we are heartily in favor of the passage by congress of a bill providing for a boat rallway at the dalles of the Columbia river, which has been twice passed through the senate by the efforts of Benators Mitchell and Dolph; that we believe it to be the most practicable plan for relief of the producers and for the development of that vast territory Columbia river, and we are in favor of liberal appropriations for internal improvements, especially for all our

Eighth-We demand the appro-

its due proportion in payment of the legitimate expenses of the government, and to this end we are in favor of such amendment to our assessment laws as will secure the assessment and taxation of all prop-

erty at its true cash value. Tenth-We are in favor of an early survey of the unsurveyed publie lands of the state, in order that the same may be claimed and occupied and the tities thereto speedily procured by bonafide settlers under the laws of the United States.

Eleventh-We favor the development of our state by the construction of califords and other systems
