THE TREATY RATIFIED.

The United States has taken Lord Salisbury at his word. The senate ratified the Behring sea arbitration renty yesterday by a unanimous mission that when the arbitration must admit that contingent rights have become vested in the other, which toth desire to protect," the British premier cannot now refuse to renew the modus vivendi without stuitifying himself. Having passed the treaty, this country is passed the treaty, this country is country is constituted to demand that the modus WILLIAMS & ENGLAND entitled to demand that the modus are gold prices very low, when they shall be revived in an effective form without a day's unnecessary delay. Much time has already been lost in the poster, owing to Lord Salie.

Filled daty is the strongest trait in the poster, owing to Lord Salie. the matter, owing to Lord Salis-

there was not the slightest occasion for a modus vivendi, and his dispatches indicated very clearly that vious agreement. The determination of the administration to maintain American rights to the uttermost, backed as it was by the sentiment of the entire nation, forced a compicte change of front on the part of the Tory ministry.

Lord Salisbury's latest action is an unmistakable retreat from his former position. It marks another diplomatic success for the adminis-It has been the custom of THE tration that maintains the dignity from her own veins and besought bim to drank it, as she had a vision FOREIGN AND DOMESTIC.
