CONSERVATORY NOTES.—The fourth term of the Conservatory of Music of Willamette university begins April 11th and will close with the school year June 16th. The number in the conservatory this year will reach about the same as the school year of '90-91. The conservatory will give its next recital in about two weeks. Mrs. J. N. Brown, of Heppner, will enter the conservatory the coming week. In the conservatory there are very few changes. The different teachers report there will be no decrease in the number of pupils for the coming term, showing earnest, steady work, which is encouraging and will give the best results.

NEW ENGLAND CELEBRITY.—The reading at Unity church tonight by Miss Hale of the distinguished family of Edward Everett Hale, of Boston, will bring before Salem people a veritable New England celebrity. Not often does there penetrate thus far west a person who knew Emerson and who has had the honor of sitting at the feet of the sage of Concord. Miss Hale is a lady of culture and vigor of intellect. She has been spending the winter in California and has consented to give readings at several of the larger cities. Her lecture will have a distinctively literary flavor and should be heard by many.

THE ASTORIA RAILROAD.—A. B. Corey, one of the firm having the contract for building the Astoria & South Coast, received a dispatch Saturday to the effect that the first train of grading outfit, consisting of five cars, would leave Ravalli, Montana, for Portland on the evening of Tuesday. The cars are loaded with horses and mules, and the other three with cars, scrapers and other grading implements. Another train load of outfit is expected to leave Ravalli Monday evening.

STOCKING THE WILLAMETTE.—It has often been wondered at why no effort was made to stock the Willamette river with food fishes. G. Steiner, of Salem, has secured from a hatchery on the Scappoose river, Columbia county, Oregon, one thousand and fifty of the small, red variety, which he proposes to put in the Willamette river at this place. These and other various kinds of bass, would do well in the valley streams.

MILLS BIG SUNDAY.

Remarkable Men's Meeting in the Morning.

TWO LARGE WOMEN'S MEETINGS.

A Memorable Sunday in the Religious History of Salem.

MEN'S MEETING.
After half a hour of singing, Pres. Whitaker of Willamette university opened the meeting with an eloquent prayer. The vast auditorium was packed with men only. They kept pouring in until the sermon proper, filled the aisles, climbed up into the galleries over the pulpit and took up standing room as usual. Mr. Greenwood sang "Drifting Away from God" with great sweetness and a wonderfully distinct clearness of enunciation.

Mr. Mills now read the passage of Scripture where Christ feasted with publicans and sinners, and rebuked the Scribes and the Pharisees with the parables of the Prodigal Son, the lost sheep, the lost piece of silver, etc. After singing, Rev. Mills spoke from the text found in Rev. 3:20, the words "Behold I stand at the door and knock."
The central thought was that any man could know God, by following a few simple directions, and showed that God was trying to get into the hearts of men. All knew it was right to serve God and to let him rule in our hearts. At many passages in the sermon many persons were moved to tears and deeply affected. At the close some ten or fifteen arose for prayers. Mr. Greenwood sang "No Christ, No Hope in Jesus" while the ushers passed the cards to be signed by those converted.

NOTES.
One woman only was driven by curiosity to go up the steps and asked the usher to open the door a little—she wanted to see a thousand men all by themselves once. She was gratified.

It's enough sight easier to sit down to stand up, said Mr. Greenwood.

The men's singing was a little bass.

There was an unusual attendance of political candidates, business men, professional men and other hard cases on the back seats.

There was a sprinkling of Chinese present.

The percentage of bald persons was very small.

WOMEN'S MEETINGS.
were held at the Presbyterian and Congregational churches in the forenoon, preaching by Revs. Kellerman and Whitaker. Full houses greeted them.

EVENING MEETINGS.
Besides Mr. Mills' regular evening service, Rev. Gwynne, D. D. addressed a crowded house of church members only. He preached from Isaiah 11, 1 and several arose for prayers.

THE SABBATH SCHOOLS.
In the Sabbath schools there were special services and consisted of an inquiry meeting in each, conducted by the several pastors assisted by the regular workers at the Mills meetings. At these meetings many young people declared themselves.

FURTHER ANNOUNCEMENTS.
At the 7:30 meeting Monday evening only non-church members.

TUESDAY.
At 3:30 p. m. and 7:30 p. m. there will be meetings addressed by Mr. Mills, to which all will be admitted. Messrs. Mills and Greenwood go to Portland on the 5 a. m. train Wednesday, thence to Tacoma and Seattle.

A PLUCKY WOMAN.

Would Go to Jail Before She Would Pay to Peddle.

Miss L. Young, selling mucklage and towel holders, was arrested this morning for selling without a license. She was in jail for one hour at Junction City a few weeks ago. At Eugene she was threatened with arrest, but as it was election day, the police were too busy.

City Attorney Richardson was called and drew up the papers and while he did this she entertained the reporter with accounts of her various conflicts with officials. At Junction Knight of Labor had paid her fine.

WHAT SHE SAID.
"I will not pay license or pay a fine. I will go to jail and stay six months before I'll pay. I would rather take the money and give it to B. Fay Mills because I think he is working hard and deserves it. Please do not call me a female or a peddler. I am a woman and I sell goods."

HAD HER WAY.
Miss Young held her position so firmly that the recorder decided to give her until Wednesday when she will apply to the council for a permit.

MR. ROWLEY DEFEATED.—The Democratic primaries Saturday resulted in a defeat of the Rowley-D'Arcy faction of Salem. This is a hard blow to the aspiration of the mayor for the circuit judgeship and virtually eliminates him as a candidate, leaving the choice from this county between J. J. Shaw and Wm. Holmes. Mr. Rowley fought a winning fight two years ago, electing Mr. Rowley to the legislature and coming within seventeen votes of giving Governor Penney a majority. The result of the primaries is not exactly passing upon Mr. Rowley's merits, as it passing them by, in the eyes of some of his friends.

Chas. Weller, Mari Chamberlin, the county surveyor and a helper went out to survey into lots the four-acre tract bought last week by Chas. Weller on State street. This addition will be about eight blocks east of the state capitol, and will make very desirable residence property.

The Plea of Insanity.
Cannot be urged in extenuation of the conduct of those who constantly inflict injury upon themselves, and lay the foundation for serious and disastrous bodily trouble by the use, in season and out of season, upon slight necessity and without discrimination, of drastic vegetable cathartics and poisonous natural cholagogues—namely the various forms of mercury—to relieve themselves of a complaint remediable at any stage by the persistent use of Hostetter's Stomachic, a purely vegetable, never gripe, evacuates too copiously or weakens the system, and is a safe and reliable aperient in or out of the pharmacopoeia of which this can truthfully be said, we are unaware of it. Absorption of the habit of doing and using this dangerous regulator, will result in a long and painful list of ailments and disorders, such as rheumatism, neuralgia, sleeplessness, loss of appetite, emaciation, and other kidney complaints are troubles all conquerable by the Bitters.
