### DATES OF LOCAL EVENTS.

May 7. Ovide Musin, violinist.  
May 7.—General Weaver, at Marion square, at 1 p. m., and perhaps Mrs. Mary Lease, of Kansas, for People's party. dw f

LEAD THE WAR.—We are for re- trenchment and reform beginning right at home and asking no favors from competitors, for we are able to meet all single or double headed clothing establishments on any proposition and the prices in our windows in big letters show that our cuts in monstrous prices are appreciated by the people. Our trade grows daily. G. W. Johnson & Co.

NOT IN IT.—Dunham Wright, People's party nominee for supreme judge declines to run, and M. V. Rork of Salem has not proved up on his claim to the congressional nomination of the same party and it is now too late except on petition of the people.

Tea—"The best tea I've drank in Salem," is what people say of "Wire Leaf Jap. Tea, price only 50 cents per pound. Try it. It is DELICIOUS. You can get it only at the "Blue Front"—"spot cash" grocery and crockery store, Parkhurst & Cottle block, 335 Commercial street. dw

"SPECIAL BARGAIN."—Twelve acres near the city, 800 fruit trees, good house, well with pump, western slope, two acres timber, small fruit of every kind, will be sold below cost. See Meeks & Scott, 203 Commercial street. 4-23-71

TWO AND A HALF.—That is, we sell Fargo's celebrated \$2.50 shoes for ladies and gent. R. J. Fleming, State street. 4-20-71

### LOCAL AND PERSONAL.

J. W. Gilbert at Labiah is reported seriously ill.

Services at the Baptist church to-night at 7:30.  
Mrs. W. D. Gibson, wife of Police Officer Gibson, is dangerously sick.  
Mrs. Jo Tyler of Salem has been visiting her relatives at Halsey.

The funeral of the late E. C. Upon was conducted by Pacific Lodge Masons.  
Dr. Lund has returned from a Portland visit of a professional character.  
The Chemeketa street improvement may yet go, but it is doubtful.

Henry Wecker, a former subject of Emperor William of Germany, has taken out his papers.  
W. M. Lyle, of Wasco county, formerly state librarian, is in the city.

Frank Baker, state printer, is off for Portland and Astoria.  
Hon. L. T. Barin, of Portland, is in the city.

Mrs. Munley, of Portland, is the guest of her son, W. A. Munley, private secretary to his excellency, Governor Pennoyer.  
For really first class canned peaches and canned corn, Clark & Epley carry the best stock in Salem.

A Salem Democrat says they used to sell shoes in New York labelled "States Prison Made." He thinks that is the kind of a ticket they have in Marion county.  
Cyrus Shaffer, of Josephine county, sent to prison for life, and Mrs. S. C. Trobaugh, of Umatilla county, sent to the asylum, have been received at those institutions at this city.

The Journal does not care to crow of any description. It believes in Davy Crockett's motto—Be sure you are right and then go ahead with all the energy that is in you.  
See our famous low prices on shoes. Racket Store 231 Commercial street.

Judge and Mrs. J. J. Murphy are moving their old home on Court street back to Front and Chemeketa street. A new residence will one day stand upon the old site.  
Prof. A. L. Francis, of Portland, an old-time music teacher and piano tuner is in the city for a few days.

Children's week—special sale of dolls and toys this week. See the display of dolls at Geo. F. Smith's, Cottle block.  
Rogers Bros. silver table ware at "way down" prices at the Blue Front. dw

C. W. Pugh, formerly in the saloon business on State street, has returned from a trip to Quartzville mining district. He denies that he secretly had the goods removed from his saloon, but says his license expired and he wanted to quit.  
G. E. Hayes, the Republican nominee for state senator of Clackamas county, paid this city a visit last evening and was the guest of his mother. He expresses his opinion that Clackamas county will be Republican again this year.

It is seldom that a new firm with a brand new stock of latest and most fashionable goods starts right off with a big trade. But that is the case at Hart & Tallifero's tailoring rooms, Dalrymple building.  
SORGHUM MOLASSES.—The best for all uses—at the Blue Front. dw

When anyone in Salem offers you French ice cream or French ice cream soda, except Jones & Bernardi, you can make up your mind it is a fraud. This delicious article is made and sold only by us. Jones & Bernardi.

The oldest couple ever married in Oregon was Robert Scott, of Eugene, aged 74, and Mrs. Smith, of the same place, aged 71 years.—West.  
The above from our esteemed exchange is a mistake. Brownville has a couple who were married two years ago at the ages of 79 and 78. His name is William Hunter and her name was Martha Beamer.—Brownville Times.

Remove boils, pimples, and skin eruptions, by taking Ayer's Sarsaparilla.  
The Nebraska man is getting there. One exchange says: "Hon. John Whitaker, one of the wheelhorses of Democracy in this state, who has held every office, almost, in the gift of the people, from congressman down, was last week defeated in the Lane county convention for the office of county judge. His opponent was a new comer from Nebraska who had barely been in the state long enough to pick the grass-hoppers from his teeth."

The arrival of fourteen car loads of rolled oats in this city from Iowa is a sad commentary on the energy and enterprise of Oregon farmers. Oats to Oregon would be a good deal like carrying coal to Newcastle if our agriculturists in the state would get a move on themselves.—Welcome!  
Pitch into the capitalists.—Albany Democrat. Yes, that is the way to get capitalists; pitch into them! Oh! Ye blind and erring guides.

Hundreds of persons, using Ayer's Hair Vigor, certify to its efficacy in restoring to their hair the color and beauty of youth.  
"Brookside"—asked to see "Brookside" pattern decorated semi-porcelain dishes—at the Blue Front. It is lovely. dw

### CON STIPATION

At least half the American people yet there is only one preparation of Sarsaparilla that acts on the bowels and restores this important trouble, and that is Joy's Vegetable Sarsaparilla. It relieves it in 24 hours, and an occasional dose prevents return. We refer by permission to C. E. Elkington, 125 Locust Avenue, San Francisco; J. H. Brown, Petroleum; H. S. Winn, Geary Court, San Francisco, and hundreds of others who have used it in constipation. One letter is a sample of hundreds. Elkington writes: "I have been for years subject to bilious headaches and constipation. Have been so bad for a year back have had to take a physic every other night or else I would have a headache. After taking one bottle of J. V. S., I am in splendid shape. It has done wonderful things for me."

### Joy's Vegetable Sarsaparilla

Most modern, most effective, largest bottle same price, \$1.00, six for \$5.00.  
For sale by Dan'l J. Fry, 225 Com. street.

THE CENTRAL COMMITTEES.  
The Republican campaign appointments will be found elsewhere in THE JOURNAL. They very properly throw the meetings open to every other party—supposed to be limited to candidates on the county ticket.—The Democratic committee concluded its work by filling vacancies on its legislative ticket with William Hendershot, Butteville; G. W. Weeks, Howell; J. W. Jory, Salem. Great difficulties was experienced in ascertaining who were members of the county central committee, but by opening active an active correspondence Chairman Gordon hopes not only to discover the committee members but locate their postoffice. R. O. Thomas and Geo. Allen were appointed to assist the chairman in filling the vacancies of recorder and surveyor still existing.—The People's committee seemed to have little to do, except by their presence and tacit consent pave the way for the fusion legislative ticket. They met at the Grange hall just before the Democrats and the latter waited patiently.

It is reported that two of the People's party men will publicly announce that while they cannot object to being nominated on the Democratic ticket they will in no wise endorse the fusion or any part of the Democratic platform.

A Slow Job.  
ED. JOURNAL.—At the instance of a number of East Salem people I would like to call your attention to a very slow job. About six months ago the city council ordered a walk built on the south side of Chemeketa street from near Fourteenth street to the city limits at the creek beyond Eighteenth street and on the north side of Eighteenth street from Chemeketa to State. A little patch has been put down every once in a while, all winter long, but the walk is just about as useless now as none at all. A few of the crossings have been put in by the city, but the most important ones are still wanting. On the whole, this is about the slowest job of public improvement on record. Some body had better "get a move on."

No Other Sarsaparilla has the merit by which Hood's Sarsaparilla has won such a firm hold upon the confidence of the people.  
No Other combines the economy and strength which makes "100 Doeses One Dollar" true only of Hood's Sarsaparilla.  
No Other possesses the combination, proportion, and process which make Hood's Sarsaparilla peculiar to itself.

### THE GIRL WAS SAVED

But Her Brave Rescuer Was Drowned.  
PORTSMOUTH, N. H., April 23.—Yesterday Rose Foster, Ethel Gray, Oscar Tretheven and Fred Burke, all of this city, started up the Piscataqua river in a sailboat.

When near Portsmouth and Kittery bridge, a strong current sent the boat against a bridge and all four occupants were thrown out. Young Tretheven caught hold of the bridge and pulled himself out of the water. Burke tried to support both girls, finding he could not, he relinquished his hold on Miss Gray, who turned on her back and floated. Cries from Tretheven caused boats to be put out from two schooners lying at the pier. One of the boats reached the Gray girl, who had floated half a mile in the river, and picked her up unharmed. The other boat proceeded after Burke and his companion, but just before it reached them Burke sank and was drowned. The girl was sinking for the third time when seized by her rescuers. The Foster girl was taken ashore at Kittery, and after being unconscious nearly two hours, recovered her senses, but has been in a very precarious condition ever since.

AMERICANS ONLY TO BE EMPLOYED.  
WASHINGTON, April 23.—Secretary Tracy recently had his attention called to the fact that civilians are employed in the navy-yards who are not citizens of the United States. He thereupon issued an order that none but American citizens be employed hereafter, and that aliens already in the service of the navy department must become citizens or get out. The Association of American Draughtsmen is engaged in preparing a record showing the nationality of the draughtsmen at the various government institutions. When it is completed it will be shown the department authorities at Washington in order that steps may be taken to make the force strictly American.

### 1492 WORLD'S FAIR. 1893

THE COLUMBIAN FAIR EXHIBITION CO., of Chicago has established an agency in Salem, where those who intend going to the World's Fair can obtain information of much interest and value. The purpose of this agency is to provide first-class accommodations going to and from the fair, at reasonable rates, and on terms within the reach of all. Many people do not seem to be alive to the necessity of securing rooms and accommodations in advance. It is estimated that 30,000 people, at an average of \$5.00 per day, will visit the fair. This company is now contracting hotels, which are being built and to be built, and it is a fact that those who do not make provision in advance had better stay at home. They would therefore impress upon those who intend to visit the fair the importance of registering upon our books and securing their certificates at once. The further payments can be made to suit the convenience of purchaser, any time between now and April, 1893. No certificates will be sold beyond the number of people to whom the company can give all they promise, viz: First-class accommodations. For full information call on
