A RAILWAY TRYCYCLIST.

Captured By the Salem Police With Suspicious Property.

A man claiming to have come 150 miles on a railway tricycle, has been captured by the Salem police.

His name is given as Frank Carman and his conduct is such that he has excited the suspicions of the authorities. As no one but railway employes are allowed to use the tracks for purposes of locomotion; the man seems to have travelled at night to avoid attention of track men.

After trying to pawn a fine gold watch and chain at Fontaine's saloon, he tried to leave on the Roseburg express for Portland and was arrested. Search of his effects revealed a long, black mask, such as is used by train robbers and highwaymen; a pair of blue spectacles; a bunch of various sized keys which would unlock almost any lock; a glass-cutter and a 38 folding-hammer revolver completed his outfit of tools. He carried a $25 bank note, issued April 17, 1892, by the National Park bank, of New York, signed by the cashier, C. E. Stires. On the note is a statement that it is the legal currency of the New York Associated Press. He also carried the watch which he tried to sell here, a fine Waltham watch with a neatly engraved 18-carat gold case. The number of the case is 231,116, and that of the works is 3,220,576. The watch chain is a gold loose-curb and attached to it is a small square locket, containing a lock of brown hair. On one side is a diminutive diamond.

HAS A HEARING.

When arraigned before Recorder Goodell this morning, for carrying concealed weapons, he plead not guilty. Mr. Carman says he has lived at and near Lebanon, since last August, working on a ranch for A. Dodge. He asked a continuance and wrote to W. F. Stowe, a Lebanon attorney, to come and defend him. His case has been continued till Monday.

Carman is a neatly dressed fellow and a skillful penman. He has correspondence in his possession with friends in Wyoming territory and elsewhere. He does not attempt to explain the articles in his possession.

SECURE YOUR SEATS.—The box sheet for the Ovide Musin concert will be open at F.S. Dearborn's store, 253 Commercial street, next Monday morning. All those who have purchased tickets or subscribed for them would do well to go early and reserve their seats as the indications are good for a large house. All lovers of good music will want to hear Musin and his excellent company as they will give the finest concert heard in Salem for many a day.

THAT GRAVEL.—It is impossible to answer all the objections and criticisms of all the kickers, but investigation shows that the putting down of the new tracks that are going to run South on Commercial street, made it necessary to take up some gravel and to haul off a few loads, a surplus caused by putting down hundreds of ties and rendering many yards of gravel useless. So that explains that. It has got so that not a shovelful of mud can be moved without a kick.

NO SUMMER.—It is absurd to think we will have no summer, for it always has come. One of the sure advents of it is the big stock of summer clothing that Salem's leading clothiers, G. W. Johnson & Son, always get on beforehand. They have it this year, bigger than ever, and are selling out the entire stock at cost.

COMPLETE SHOE DEPARTMENT.—The Palace Dry Goods and Shoe Co. have now received about their entire shoe stock, which makes the most complete assortment of Ladies, misses and childrens' shoes in the city.

TWO AND A HALF.—That is, we sell Fargo's celebrated $2.50 shoes for ladies and gent. R. J. Fleming. State street. 4-29-tf

IN THE SUPREME COURT.

Decision That the Office of Attorney General Must Be Filled by Election.

SALEM, April 30, 1892.

The supreme court this morning handed down the following opinions:

The court held in this case that the present incumbent appointed by the governor holds his office until the next general election which is to be held in June, 1892, when his successor, whoever that may be, shall be elected, and when his successor's election shall be officially known and declared and he shall qualify as prescribed by section 6, laws of 1891, p. 188, the title of the office of attorney general will be transferred to him and he will be the attorney general of the state of Oregon for the balance of such term or until a new term begins. Judgment of the lower court affirmed. Opinion by Lord, J. Strahan, C. J., dissenting.

Petitions in the cases of Murphy vs. City of Albina, and Meir et al., vs. Kelley et al., overruled.

The court stands adjourned until May 17th.

ROBBERY.—Two stores were burglarized at Oregon City last night. O'Connell & Glass's clothing store was robbed of a lot of clothing, jewelry, valises, and $10 in money—in all $300. The shoe store of Lewthwaite & Co. was also robbed of some goods. J. S. Purdom, city marshal of Oregon City came up to Salem looking for the men. He thinks they were hobos, and got off on a night freight. They had at least $100 worth of silk handkerchiefs.

HOP SPRAYER.—A representative of Meeker & Son is showing a hop-spraying machine at Salem which is attracted much attention among growers, and is intended to do away with the hop louse evil. Several have been sold in the county and the producers of this valuable crop seem to be getting ready to save it.

MUST BE HUNGRY.—The men who have been working on the electric railway track work near the South Commercial street bridge have been frequently robbed of their dinners of late, bucket and all. Whether done by boys or tramps it is a low down piece of business, for which the perpetrators should be given the full penalty of the law.

The choicest of the season, that delicious ice cream at the Spa, 110 State street.

BUSINESS CONSOLIDATION.—Today R. R. Ryan & Co., have bought out the livery business of L. B. Huffman & Co., at the rear of the Hotel Willamette. The business office of the new firm has already been removed to the new quarters, and the dray and truck business will also be transferred at an early date.

If the mayor would work to bring about an era of prosperity for this city and promote public improvements, as he pledged himself to do when elected, he would endear himself far more to the workers of Salem than he ever can by writing long-winded veto messages.

The many friends of A. Avette, an old pioneer and business man of Salem, will regret to hear that he is lying quite ill at his home on High street and it is hoped that he may soon recover his accustomed good health.

Last night occurred the osculation of the moon and Venus. It was only partial here, and occurred between 9 and 10 o'clock. The weather was poor for for seeing the interesting sight, but the osculations of the apollos and venuses who hang over the front gates of Salem at that time of the night was diminished only by the weather.

The Woodburn school board have adopted the wise principal of hiring the best teachers they can find, no matter where they get them. The paper there say: "The school board met last Wednesday and accepted the proposition of County School Superintendent Yoder to teach the Woodburn school for the ensuing year. In securing the services of Prof. Yoder the board of directors have acted wisely. Prof. Yoder has scarcely a peer and no superior in this state. Probably no one thing could have been done to better promote the best interests of the scholars. Prof. Yorder will make a graded school and use the eight room.

Prof. J. W. Crawford, principal of the Albany Public schools, went to Salem today to make a professional visit to the Salem schools. The Prof., will look into the methods of the teachers of the Salem schools, and if he finds them superior to those that obtain here he will be prompt to adopt them here. He may also suggest a "thing or two" to the excellent corps of teachers in the Salem schools.—Albany Democrat.

A HAT TRIMMING SOCIAL.

The Congregational Y. P. S. C. E. had their regular monthly social Tuesday evening and the whole church was occupied by the young people. Only the gentlemen were allowed to trim hats furnished by the ladies with material for trimming to each one who desired. Harvey Cottle received the first prize for the best effort at artistic hat trimming; John Giesy, second. After all had completed their tasks a procession was formed for a grand march of all the amateur milliners and with their lady escorts, who were chosen by numbers, all proceeded to the lecture room where a nice lunch was served.

THOSE HORSES.—Those starved horses from the Gibson & Colgan pasture, which were taken to Minto & Low's stables last week to be fed back to a healthy animal existence, are making good progress. They are receiving the care and humane treatment which they so much needed, and Minto & Low are entitled to credit for the interest they have taken in the matter.

No Other Sarsaparilla has the merit by which Hood's Sarsaparilla has won such a firm hold upon the confidence of the people.

No Other combines the economy and strength which makes "100 Doses One Dollar" true only of Hood's Sarsaparilla.

1492 WORLD'S FAIR. 1893

THE COLUMBIAN FAIR EXCURSION CO., of Chicago has established an agency in Salem, where those who intend going to the World's Fair can obtain information of much interest and value. The purpose of this company is to provide first-class accommodations going to and from and while at the fair, at reasonable rates and on terms within the reach of all. Many people do not seem to be alive to the necessity of securing rooms and accommodations in advance. It is estimated that 30,000,000 people, an average of 166,000 per day, will visit the fair. This company is now contracting hotels, which are beng built and to be built, and it is a fact that those who do not make provision in advance had better stay at home. We would therefore impress upon those who intend to visit the fair the importance of registering upon our books and securing their certificates at once. The further payments can be made to suit the convenience of purchaser, any time between now and April, 1893. No certificates will be sold beyond the number of people to whom the company can give all they promise, viz: First-class accommodations. For full information call on
