### SALEM'S CELEBRATION.

A Good Program—Lyell Baker the Orator—Industrial Parade.

From day to day the committees are working up new attractions for the big celebration to be held in Salem on July 4th. It is to be a real boom and no mistake.

The military encampment of three days with a grand sham battle by the entire Second Regiment is a feature that will alone be worth coming a hundred miles to see.

The 4th will be ushered in with an artillery salute at sunrise. At ten o'clock will appear a grand industrial parade, in which nearly every business house in the city will be represented. This will be followed by a superb round-up by the "Tribes of the Earth." After the parades will be held the usual exercises in Marion Square, Hon. Lyell Baker, of Portland has been secured for orator, and Miss Ida Dinsmore will read the Declaration. All will be accompanied by the best of vocal and a band contest will be the big feature of the evening on Marion Square, in which some of the best bands on the coast will participate. Also the prize drill will occur at the same time and place.

On the 5th will occur the great sham battle at 10 o'clock a. m. At 3 o'clock p. m. will occur a grand game of base ball between the Portland and Spokane league teams.

It is expected to have the fire engine contest in the forenoon of the 6th, and baseball teams will have an other match game at 3 o'clock in the afternoon.

On the whole the Capital city will present three days of unexcelled sport and amusements, such as most please all visitors. The three day feature is a good one and the more it is considered the better it is thought of by all concerned.

### The Mythological Fates.

"Somewhere upon the unknown shore, Where the streams of life their waters pour, There sit three sisters, evermore, Weaving a silken thread."

Lovers of classic paintings are familiar with that famous group, called the "Three Fates." Fate seems cruel when it deprives women and girls of health. But in Dr. Pierce's Favorite Prescription they find a cure of untold value for nervous prostration, sick headache, bearing-down pain, bloating, weak stomach, anteversion, retroversion, and all those excruciating complaints, that make their lives miserable. All who use it praise it. It contains no hurtful ingredients, and is guaranteed to give satisfaction in every case, or its price (\$1.00) will be refunded.

# SICK AT ACTUAL COST

## Head-Aches

Head-aches are the outward indications of derangements of the stomach and bowels. As Joy's Vegetable Sarsaparilla is the only blood regulating preparation of Sarsaparilla, it is seen why it is the only appropriate Sarsaparilla in sick-headaches. It is not only appropriate; it is an absolute cure. After a course of it an occasional dose at intervals will forever after prevent return.

John M. Cox, of 735 Turk Street, San Francisco, writes: "I have been troubled with attacks of sick-headache for the last three years from one to three times a week. Some time ago I bought two bottles of Joy's Vegetable Sarsaparilla and have only had one attack since and that was on the second day after I began using it."
