A BANNER PROCESSION.—People are still talking about Davison & White's 4th of July parade. It was headed with a banner announcing the liveliest firm in its line on the coast. Next came their trained collie pup five months old, preceding the firm's wagons as advance guard, wearing a very pretty coat bearing their advertisement, and carrying the flag of our country in his mouth after a fashion that would do credit to a veteran soldier. The boys don't brag much on themselves, but they do think they have something of a dog. Following him was a wagon containing their trained deer and another wagon decorated with specimens of the world-famed Columbia river chinook salmon weighing from 40 to 60 pounds dressed, also dressed poultry of all kinds, and a large sturgeon on a rack above the salmon. The third wagon contained coops of rabbits, geese ducks, turkeys, etc., while the fourth one had a fine display of pigeons, owls, Mongolian pheasants, fine hens and spring chickens. A man followed representing one of their hunters carrying a banner in the rear of the stupendous procession loaded with a complete trapping outfit. On the whole this firm had a very complete and original representation of their business. Their banner with Barnum's motto, "advertise" told the story of their success as business men in Salem. They advertise intelligently and aim to treat their patrons in royal style and guarantee goods to be as represented or money refunded, as square dealing is one of their mottoes.

PERFORMS MATRIMONY.—N. M. Newport, a graduate of Willamette and formerly local on the JOURNAL, would hardly be suspected by his old friends of being a party to any matrimonial schemes, but the records are against him twice, as the following notices from the Albany Democrat will testify: "Married, on July 5th 1892, by Justice N. M. Newport, W. H. Hobson and Amanda M. Miller." Again, "Married, by Justice N. M. Newport, D. R. Northern and Mary E Warner." Mr. Newport seems to be popular at this branch of the business at least.

THE CITY COUNCIL.

Franchises Granted to Two Electric Lines.

Another adjourned meeting of the city council was held last night to consider the ordinances granting to the Salem Motor Railway Co. and also to the Capital City Railway Co. certain street car privileges on the streets of this city.

The ordinance bill allowing the Capital City Railway Co. the right to build, operate and mantain a street railway was put on its third reading and passed by a unanimous vote.

The route of the road will be on that part of Liberty street running north from a connection with the present line of the company's track on Chemeketa street; and running three feet west of the center along Liberty street to the north boundary line of the city limits; and on 13th street, running south from the north side of Bellevue street to the southern limits of the city, the track on Bellevue street to be located three feet from the center. The privilege of operating a double track along 13th street at any time is given the company.

The ordinance granting to the Salem Motor Railway Co. the right to lay down and operate a street railway upon all of Winter street, south of State street, upon all of Oak street; and on Liberty north of Center; on 12th from Center to State; and from Cross to the southern limits of the city. "The railway shall consist of a single track on Liberty street and a single or double track on all other streets mentioned" and shall be laid three feet east of the center of Liberty street and three feet from the center of the other streets.

The provision allowing the company to use gas motors was stricken out after the mayor said he would refuse to sign the ordinance if it was passed with such a provision. The vote was unanimous and the bill was passed.

The following bills against the city were allowed: Robert McKillop, $34 50; J. D. Woods, $33 50; H.H.Robinson, $24 50; Salem Water Co., $18 28; R. H. Glese,$0 75; Ross E. Moores & Co., $6 75; Barr & Fetzel, $1 35; Jack Green, $2 50. T. A. Howard and James Penland,$18; H. P. Minto,$178 95.

J. H. Albert made a complaint about the condition of the bridge on Winter street across South mill creek

BRIDGE NEEDED.—Last evening J. H. Albert suggested to the council the necessity of a new bridge across Mill creek on Winter street between Trade and Mill. The old bridge is certainly in a dilapidated condition and it is to be hoped the street committee will give the matter due consideration. Travel is constantly growing over this bridge, as nearly all depot trafic goes over it. When the old structure is renewed it should be built the full width of the street and put several feet higher than the old one. Nearly every stranger who comes into the city is carried over this old tumble down affair and to say the least it must give a bad impression of our city. As soon as the city can afford it a fine bridge should be put in here.

THE CAPITALS.—Capital Engine Co., No. 1, Salem fire department, held a meeting last night. Dr. G. S. Wright, of McMinnville, was declared an exempt fireman. The thanks of the company were extended to the following ladies for decorating the engine for the Fourth of July parade: Mrs. J. G. Rennie, Mrs. O.D.Hutton, Mrs. Major Lord, Mrs. Jas.Bridgeford, Miss Lottie and Miss Rosa McPhillips, of McMinnville, Miss Anna Sims and Mis May Palmer.

MASONIC.—This evening at 7:30 o'clock Multnomah chapter, No. 1, R. A. M., will hold its regular convocation. There will be work in conferring the Royal Arch degree.

ROBBED HIS PARTNER.

W.F.Miller Robs John Bernd—Probably Caught.

For several days two laboring men have been in the city, having come from California and looking for work. They were John Bernd and W. F. Miller,and have stopped at the Cook hotel. This morning Bernd notified Capt. of Police Dilley that Miller had disappeared and that he was short $155.00,also an Elgin gold watch and a gold plated chain. Immediate search was made for Miller, but he has no doubt left on the train going north this morning, Marshal Minto started out on the search with Bernd and after telegraphing up and down the road the man has finally been located at Woodburn, or at least the authorities think he is the man. Marshal Minto left for there on the afternoon train and will no doubt return with his victim. The thief very generously left his partner $20, but he will now be allowed to return it all and spend a few years "making stoves."

TO THE ASYLUM.— W. W. Copeland, who has for a long time published the Weekly World at Portland, was brought up to the asylum last night by Deputy Sheriff Moreland. Mrs. Rathfos was committed from Portland for the fourth time. She imagines she is a queen who is born to rule, and that she has been sent by the Savior of the world to evangelize the human race. Mrs. Pauline Fasel, aged 47,was the third arrival from the metropolis.

MILITARY.—The following appointments have been made among the non-commissioned officers of H company, 2d Regt.: F. C. Sellwood, first sergeant; Hal D. Patton,second sergeant; H. E. Epley, third sergeant; C. D. Boothby, fourth sergeant; H. Davis, fifth sergeant. Four corporals will be appointed July 15th, on competitive examination. The company meets at 8:15 this evening.

NOTARIES PUBLIC—were appointed by the governor yesterdoy as follows: J. R. Bryson, Corvallis; W. H. H. Waters, Salem; John W. Robinson, Wimer, Jackson county; A. J. Florey, Eagle Point; W. A. Wilshire, Lakeview; R. S. Williams, Eugene; Frank Merrill, Clatskanine. Geo. W. Buchanan, Charles E. Benn Portland. James E. Mills, of Sarcramento, Cal., was appointed a commissioner of deeds for Oregon.

TEACHERS INSTITUTE—Profs. Ackermann, and Wetzel, of Portland have been engaged by Supt. Graham to assist in conducting institute. They will be assisted by Prof. Yoder late county superintendent. The work will begin next Monday in the East Salem school building. About 160 teachers are expected.

NO MUSIC BOXES.— It is a well known fact that one house in Salem sells shoes from 15 to 25 per cent. lower than a certain other house,and this is none other than Osburn's Racket store. They do a strictly cash business, don't have to make up for losses on bad debts nor do they make all their patrons "chip in" to help buy a music box for any one favored customer.

SUBSIDIES RAISED.-The JOURNAL is reliably informed that the Salem motor railway company is offered $1600 by J. H. Albert to run its line on Winter and Oak streets and that enough other substantial subsides are ready to induce them to build their line through there at once.

NERVOUS PROSTRATION. — Since the Wilson affair Sheriff Samson, of Clackamas county has become so thoroughly worked up over it that he is now dangerously ill at his home in Oregon City. Nervous prostration is his ailment.

CHICAGO, June 7.—A committee of the Amalgamated Iron and Steel Association from Pittsburg are here to confer with workman in the building trades, with a view of boycotting all iron and steel from Carnegie works at Homestead if non-union men are put to work. They were well received, and the course asked for will probably be complied with. Similar committees were sent to other large cities, and a general building tie-up is not improbable.
