

U. S. TROOPS TO IDAHO.

Latrat from Homestead—Portland's New Chief, Etc.

Regulars Ordered to Idaho.

WASHINGTON, July 12.—President Harrison has ordered Federal troops to the scene of the miners' trouble in Idaho and General Schofield has ordered Generals Roger and Merritt to send troops there.

MORE FROM GEM.

The Frisco Mines Blown up—Late Details.

WALLACE, Idaho, July 12.—At 8 o'clock yesterday afternoon about 200 miners from Gem, fifty of whom were armed with rifles, marched down to Wallace. They brought with them their prisoners, consisting of 110 non-union men and five dead bodies, another dead man, James Hennessy, being found in the mill at Gem, shot through the breast. Upon arrival here, the non-union men were turned loose, and the union men began search for A. M. Eiler, manager of the Frisco mine, against whom the union men have a special grudge. The terms of which the Gem miners and guards surrendered were that twenty-seven Winchester, a number of revolvers, and 2000 rounds of ammunition should be placed in the hands of disinterested parties, two citizens and two conservative union men, and that non-union men should be shipped out of the country tomorrow. An hour after the agreement about arms was entered into, the union men got possession of all the rifles and ammunition, and this evening large bodies of armed miners went to Wardner, twelve miles distant, in wagons and by rail. The mines employing non-union men there are Sierra Nevada and Bunker Hill and Sullivan. The Bunker Hill and Sullivan have a force of 200 men and about 100 can be armed with Winchester. There is only one way to reach the mine, and that is directly up the gulch, and the road is steep. If an attempt is made there against the men in the mine there must be serious bloodshed. The county commissioners, district attorney, and sheriff this afternoon telegraphed to Governor Willey for troops. The governor wired back that the sheriff must first exhaust the civil power. The sheriff immediately commenced the work of subjugating citizens to act as a committee of citizens, and they are to report at Wardner at 10 o'clock tonight. Instead of 750 pounds of giant powder used in blowing up the Frisco mill, there was only 250 pounds. The attempt to run a car down did not work, and the miners got upon the flume, shut off the water and sent powder in packages down the water pipe into the mill. A fuse was put in the last package sent down, and in an instant a terrible explosion occurred which shook the canyon for miles. The men then surrendered.

The Gem Trouble.

BOISE, Idaho, July 12.—The news of the outbreak in Coeur d'Alene mines created intense excitement here yesterday. Marshal Pinkham stated it would be utterly impossible for him to raise a posse in the North to enforce the decree of the court, and so wired the department of justice. Special Agent Crosswhite, of that department, sent a similar report, and he expresses the opinion that the president would be obliged to send troops, as he doesn't see any force available here equal to the emergency. The governor has notified the militia companies here, at Weiser, Moscow, and Halley to hold themselves ready to march. These companies are mere skeletons, and cannot muster sufficient force to cope with any determined mob. Late last evening the governor decided to call on the president for assistance, and has sent a dispatch to that effect. The militia by special train will start this morning; as soon as the Union Pacific can get cars here for their transportation.

The Scabs All Walked Out.

WALLACE, Idaho, July 12.—The sheriff last night made an effort to collect a posse and go to Wardner on a special train. He served all those citizens known to be in active sympathy with mine owners to report at ten o'clock but when the sheriff started for Wardner only one citizen reported. Armed bodies of miners were going from Wallace all evening to Wardner. All of Bunker Hill and Sullivan company is located on the Union Pacific track two miles from Wardner. Miners during the night took possession of this and sent word up to the mine that unless the scabs surrendered before nine o'clock this morning the mill would be blown up. Before nine o'clock this morning arrived, all the Bunker Hill and Sullivan forces walked out of the mine and surrendered. The Sierra Nevada force also surrendered. Not a shot was fired. It is not yet known what will be done with the non-union men who have surrendered. Frisco and Gem companies are paying off their men this morning.

Status at Homestead.

HOMESTEAD, July 12.—Militia arrived this morning by train from Clatsop and consisted of second and third brigades numbering 3000 men under command of General Schofield, together with 2 galling guns and 3 field pieces. They were received with perfect respect and there was an attempt at a cheer as they set up by the on looking popu-

lace. The citizens of Homestead are desperately disappointed that the militia is thought necessary to occupy the whole town instead confiding themselves to the mills but gave no evidence of the fact. Strikers have a picket line outside the picket of troops to prevent entrance of any non-union man or detectives.

Portland's Chief of Police.

PORTLAND, July 12.—The police commissioners last night elected E. W. Spencer, chief of police. The man who succeeds Mr. Parish as chief of police is Captain E. W. Spencer, an old resident of this city. Captain Spencer has been engaged in the steamboat business in this city for the past 15 years. He first was captain of the small river steamer Ohio, owned by Captain Scott. He soon branched out into the steamboat business for himself, however, and built the Gold Dust, which he ran between Portland and the Cascades. As the run did not pay as well as he expected, he cut the Gold Dust in two and shipped half of her to Lake Pend d'Oreille. He had her in service there for a while, but this venture did not suit him, so he shipped the half back and stuck it to the other half, and resumed operations on the Columbia. Captain Spencer has also been in command of the Salem and other river steamers running in opposition to the O. R. & N. Co.'s boats. He is now owner and captain of the Cricket.

Captain Spencer is a man about 42 years of age, of good business ability, and it is believed that he will make a good chief of police. Captain Spencer is to take his office on the 18th of this month.

Victims of the Berkeley Explosion.

SAN FRANCISCO, July 12.—Fifty bodies of the victims of the explosion are lying at the Oakland morgue. Three are the remains of white men and two are Chinamen. The funeral of John Rowe will be held at the Catholic church in Berkeley this morning. His ill-fated white companion will be buried at 2 o'clock. The Chinese dead will be turned over to their countrymen after the inquest, to be buried, as in the case of the white victims, at the expense of the Judson-Shepherd Company. The inquest may occupy several days, as all the employes are to be summoned. Coroner Evers summoned his jury yesterday morning.

Relief for St. John.

HALIFAX, N. S., July 12.—The citizens' committee have sent a message to the mayors of all the cities and towns in the province, saying definite information from St. John's, N. F., shows that two-thirds of the city was burned in the fire of Saturday and Sunday, leaving 15,000 persons without food, clothing or shelter, and asking how much will be given to relieve the sufferers, supplies to be sent by steamer Wednesday.

Has a Charter from Congress.

BOSTON, July 12.—President Sam. Gompers, of the Federation of Labor in this city, speaking of the Homestead trouble, said the Pinkertons have a charter from congress, obtained after the war. It is probable the Federation will petition congress to abrogate that charter, though action in that direction might await congressional investigation.

The State Has No Money.

LOUISVILLE, July 12.—The Western Union telegraph company has refused credit to the state of Kentucky. There is no money in the treasury, and the June telegraph bill is unpaid. The Western Union will take no state telegram unaccompanied by the cash, and there is no money for such use.

Ran Away With the Neice.

NEWPORT, R. I., July 12.—Mrs. George Peck, is in distress because her husband, to whom she has been married for 17 years, and her neice, Miss Elizabeth Tyler, 19 years old, are supposed to have left together for parts unknown. Two weeks ago Peck left his home here at 1 o'clock in the morning, and took the Sound boat for New York. He has not since been heard from. Mrs. Peck has taken steps to prevent her husband from marrying her neice in Chicago.

Dashed to His Death.

SUSPENSION BRIDGE, N. Y., July 12.—While Wilbert Anderson was fishing in the rapids below the whirlpool, on this side of the Niagara river, about 2 o'clock yesterday, he fell into the swift current and was dashed to death against the rocks; his body sank. His companions made several unsuccessful attempts to rescue him. He was master mechanic of the Lehigh Valley railroad here, and was 42 years old. He leaves a family. The body has not been recovered.

A County Treasurer.

PARIS, Ky., July 12.—County Treasurer Fuller, who reported that the county's money, he had hidden in a trunk, was stolen from him, has been accused by his bondsmen, after an investigation, of being a defaulter to the amount of \$8000 or \$10,000. His property has been made over to his bondsmen, but will not cover the deficits by one-half.

ENGLISH ELECTIONS.

The Home Rule Bill is Assured by Small Majority.

LONDON, July 12.—There is contentment and repose about liberal circles. Although they have not achieved the success they anticipated, they feel there is a certainty of some majority, and the assured prospect of office has a soothing influence. Groups of national clubs now discuss the constitution of the Gladstone ministry. A home rule bill will be expedited immediately, and the house of lords will be challenged under the menace of extinction if it throws the bill out. The temper of the liberals plainly points to fierce agitation against the house of lords, should a home rule bill be carried by the commons, even by an insignificant majority, be rejected, under the Gladstonian whip.

Arnold Morley, speaking at Mansfield, said if the lords are foolish enough to run counter to the vote of the house of commons they would either be mended or ended. Conservatives know they can absolutely rely upon the queen to support the lords in rejecting a home rule bill as passed by any majority that Gladstone can now obtain.

BY THE GUILLOTINE.

Ravachol's Disgraceful Behavior On the Scaffold.

PARIS, July 12.—The execution of Ravachol, the anarchist and murderer, yesterday was witnessed by a great crowd. Ravachol was hurried to the guillotine, surrounded by a cordon of troops. When given an opportunity on the scaffold to speak, he began singing an indecent song and danced in accompaniment. This was stopped when the executioner and aides seized him, and instantly he dropped the assumption of indifference and struggled violently, using the foulest epithets while being bound to the plank. The blasphemous tirade was cut short by the swift-falling knife, and the head of the notorious robber, incendiary and murderer fell into the basket. Although convicted of several crimes, the capital offense was the murder of the hermit of Chamblay, from whom he is said to have secured 60,000 francs.

He Committed Forgery.

NEW YORK, July 12.—The Herald yesterday said: "James C. Hallock, 19 years old, who says he is a student at the university of Michigan, Ann Arbor, spent last night in a cell at the police station. His anxiety to attend the convention of the young people's society of Christian Endeavor in this city led him, according to his own admission, to commit forgery. Young Hallock walked into the police station and told the sergeant he had been very anxious to attend the Christian Endeavor convention, and being unable to obtain the money honestly, he finally forged notes for \$120, with which he had his hearts desire. He is now repentant and wishes to suffer for his crime."

What Frick Has to Say.

PITTSBURGH, July 12.—H. C. Frick, chairman of the Carnegie company, said in an interview today it was the intention of the company to resume work at Homestead mills as soon as possible. There were many of locked-out men who were willing to accept the terms of the company and return to work if they could be protected in doing so. It would be necessary however, to secure additional outside non-union help. He thought it would not be long before the entire plant would be in operation.

THEY FOUGHT TO KILL.

Two Men Dead and Several Others Wounded.

BIRMINGHAM, Ala., July 12.—Information has reached this city of the first blood-letting of the heated political campaign in this state. It took place last evening just below Gadsden. A steamboat excursion party was coming up from Smoke-Neck, Etowah county, to Gadsden. On the boat there were five young men—the two Dillard brothers, Kolb men, and three Green brothers, Jones men. The Dillards were loud in denouncing Jones and his followers. Words grew to blows. One of the Dillard brothers struck Bill Green with a bill of wood. Green grabbed Whitt Dillard, threw him on the floor and drew his knife. A brother of Dillard ran up, and in the scuffle Whitt Dillard was stabbed to the heart. One of the Greens lost a finger and an eye. Dillard is dying and one of the Greens was fatally wounded. The boys belong to some of the best families in the state.

General Debility

For four years my wife suffered with large tumor tumours on the glands under the arms, and general debility of the whole system. She became so poor in health that we were on the verge of despair regarding her recovery. Physicians did not seem to understand her case, and all their treatment was without benefit. I tried Hood's Sarsaparilla. The immediate effect was so marked and satisfactory that she continued to take it, and this is the result: She has gained in weight and is stronger and in better health than she has been for years. The tumours under her arms have diminished, and we believe they will be too much for them in time." J. J. Noncross, 226 Commercial street, Boston, Mass.
