FROM VALLEY TRANSCRIPT, Dal-  
-When Miss Ina Nies returned  
-Salem last week, Miss Emma  
-andret accompanied her and has  
-and a pleasant visit.

Mr. G. G. Bingham and Mr.  
-Campbell, of Salem, were in  
-Salem on legal business, Monday.  
-Mrs. Ashbaugh, mother of  
-Ma, whose death occurred Sunday,  
-was taken to Salem by her son Dave  
-Monday evening. "The good lady is  
-an invalid and Ella had been a con-  
-stant attendant upon her for years;  
-and it was no wonder that the moth-  
-er was grief-stricken at the loss of  
-her daughter. It is hoped that the  
-change of location for a time may  
-prove beneficial to Mrs. Ashbaugh's  
-health which is very poorly.

Mrs. Addie Holman, of Salem, has  
-visited her parents Mr. and Mrs.  
-Hardy Holman, for some days.

SHOULD NOT BE ALLOWED.—A  
-level-headed citizen suggests to the  
-JOURNAL that the painting of ad-  
-vertisements on the new Commercial  
-street bridge should not be allowed.  
-If the woodwork requires painting  
-for protection the city should have  
-it painted, but not allow its good  
-appearance to be spoiled by all man-  
-ner of lettering. This might also  
-apply to the big Willamette bridge.  
-As a rule these signs are not very  
-beautifully executed, and besides  
-there is plenty of room elsewhere  
-for such matter.

PROFESSIONAL TEACHERS.—The  
-fact that teaching in the public  
-schools is rapidly rising to the dig-  
-nity of a profession, if it has not al-  
-ready reached that position, is shown  
-by the large number of students who  
-are seeking professional training in  
-our state normal schools. The at-  
-tendance at Monmouth last year,  
-the largest perhaps in the North-  
-west, was made up of representatives  
-from almost every county in the  
-state, besides a good aggregate re-  
-presentation from Washington,  
-Idaho, British Columbia, and Alas-  
-ka.

APPLES.—Esq. Jas. Batchelor,  
-while viewing a road from the east  
-end of Asylum avenue, east through  
-Hamden park then north to Sil-  
-verton road, secured an apple branch  
-one foot long, containing forty ap-  
-ples, which was left at this office.

NO FROST.—Ed Cross can reduce  
-his cold storage room to a temper-  
-ature below freezing, but the meats  
-are never frozen, as they are kept  
-at about 38 degrees.

NEW CORNICE.—The front of the  
-entire post office block is being treat-  
-ed to a new cornice, and the build-  
-ing is being otherwise improved.

Ed Jackson, Hatter, State St.  
-Children's shoes, all grades, prices  
-and sizes, just in. We can save you  
-25 per cent. on these goods and guar-  
-antee results.—Osburn's Racket store

Lunn has to move before August  
-1st. Everything at auction.

Nothing competes with the New  
-York ice cream made by Westcott  
-& Irwin.

Church and picnic committees  
-who want ice cream cannot afford to  
-miss what Westcott & Irwin have  
-to offer.

### SALEM'S WICKED STREETS.

They Are Dangerous and Should  
-be Improved Forthwith.

The necessity of street improve-  
-ments in Salem is becoming greater  
-every day, and the city cannot  
-afford to lose any more time on the  
-matter. Unless the business streets  
-of the city are brought to grade and  
-improved soon, much annoyance  
-and expense will be incurred both  
-to the city and to individuals. For  
-instance the Capital City railway  
-company's track on State street, be-  
-tween Commercial and Liberty,  
-has already been rebuilt twice, un-  
-der the direction of the city, and it  
-is now found to be about fourteen  
-inches below grade near Liberty  
-street. The extension beyond has  
-been ordered on grade, thus leaving  
-a jog of fourteen inches, and the  
-result is that track will have to be  
-rebuilt a third time to make it con-  
-form with the new State street line,  
-and with the Liberty street line.  
-This brings great expense to the  
-company, which should be prevent-  
-ed in the future by making the  
-street as it should be. It is not only  
-a burden to the company but poor  
-economy to the city. On Commer-  
-cial street near the postoffice a sim-  
-ilar state of affairs exists. The elec-  
-tric company's track has been built  
-three times, and while the horse-car  
-line is built as the city ordered it,  
-it now stands a foot above grade.

In front of the Turner block and  
-the new Bush building both tracks  
-are from six to twelve inches higher  
-than the street. In the places re-  
-ferred to, and in many other in-  
-stances that could be cited, the streets  
-are actually dangerous to travel.  
-Now, whether these various tracks  
-are on grade or not, the city is re-  
-sponsible for the discrepancy be-  
-tween them and the streets, and im-  
-mediate action should be taken to  
-have the whole matter adjusted.  
-Without a doubt the best way to ac-  
-complish this is to order the streets  
-brought to a permanent grade.  
-Let permanent drainage be made  
-by putting in substantial curbs,  
-gutters and sewer connections to  
-carry off the water and the streets  
-will be in good shape until some  
-permanent pavement is determined  
-upon. The work thus done will be  
-for all time, and additional work  
-can be done when the city sees fit.  
-But this should be done forthwith,  
-for our streets are now not only  
-in a dangerous condition, but an  
-unsightly disgrace to our city.

CONSTABLE CARTER ALL RIGHT.  
-Sheriff Kelly has rewarded John  
-T. Carter, of West Chehalis,  
-Yamhill county, for having cap-  
-tured the child murderer, Wilson.  
-The reward consisted of \$300, in ad-  
-dition to which Constable Carter  
-was given a handsome revolver and  
-a pair of handcuffs by Multnomah's  
-sheriff. Mr. Carter came to this  
-city yesterday in an apparently  
-healthy condition, despite reports  
-that he is dying from blood-poison-  
-ing, caused by a finger being bitten  
-by Wilson. The member was badly  
-chewed up but will not cause Mr.  
-Carter further annoyance.

LAWN PARTY.—On Friday eve-  
-ning of this week, the 22d, the ladies  
-of the M. E. church will conduct a  
-lawn social on the lawn of C. B.  
-Moore, on State street. There will  
-be ice cream, egg lemonade, cake and  
-an abundance of amusement and  
-everything nice. You should be  
-sure and attend.

ALL BUT ONE.—The subscrip-  
-tions to the fourth of July celebra-  
-tion have all been paid in except \$10.00  
-against Simon cigar house, which  
-he refuses pay since the celebra-  
-tion is over. A detailed report will  
-appear soon. 4TH OF JULY COM.

Tents and complete camping out-  
-fits to suit everybody at Geo. T  
-Smith's, Cattle block.

NOT DEAD.—This morning early  
-crops was found on the door of Pat-  
-ton's book store, and as Cooke was  
-the only member of the family in  
-the city, some of his friends expected  
-to attend his funeral forthwith. But  
-at the usual hour the young man  
-was on hand and doing business as  
-usual. He still lives.

OREGON ITEMS.  
-The Troutdale distillery, burned  
-some time ago, is to be rebuilt.  
-The dedication of the First Pres-  
-byterian church of Florence is in-  
-definitely postponed, says the West.  
-Mill City Gazette: There is a  
-bare possibility that the O. P. com-  
-pany will commence work on their  
-extension about the 10th of Septem-  
-ber, if not before.  
-Captain Symons has instructed his  
-superintendent to start in on the  
-work of improving Coos bay and the  
-Coquille immediately, and his force  
-is now busy getting out specifications  
-for contract work.  
-The Eugene banks refuse to take  
-county warrants even at a discount.  
-The Florence West contains a fine  
-description and illustrations of  
-Heeeta Head, and Cape, and Cava.  
-A new wagon road is being opened  
-between Camas valley and Reston.  
-With the best material to build  
-them, Oregon has the poorest high-  
-ways of almost any state in the  
-Union.  
-A bridge is needed at Mill City,  
-and if the matter is properly pre-  
-sented to the county court favorable  
-action will no doubt be taken, as it  
-should be.—Albany Herald.  
-Express wagons. Wm. Sargeant.

### Pimples.

The old idea was that facial eruptions were  
-due to a "blood humor," for which they  
-gave potash. Thus the old sarsaparilla con-  
-tain potash, a drastic mineral, that instead  
-of decreasing, actually increases more eruptions.  
-You have noticed this when taking  
-other Sarsaparillas. It is however now known  
-that the stomach, the blood creating power,  
-is the seat of all vitiating or cleansing opera-  
-tions. A stomach clogged by indigestion or  
-constipation, vitiates the blood, result pim-  
-ples. A clean stomach and healthful di-  
-gestion purifies it and they disappear. Thus  
-Joy's Vegetable Sarsaparilla is compounded  
-after the modern idea to regulate the bowels  
-and stimulate the digestion. The effect is  
-immediate. A short testimonial to contrast  
-the action of the potash Sarsaparilla and  
-Joy's. Mrs. C. D. Stuart, of 400 Hayes St.,  
-S. F., writes: "I have for years had indus-  
-tion. I tried a popular Sarsaparilla but it  
-actually caused more pimples to break out  
-on my face. Hearing that Joy's was a later  
-preparation and acted differently, I tried it  
-and the pimples immediately disappeared."

-obstinate cases of summer complaint

-it acted as a charm, making it never

-there is not a medicine in the mar-
