THE JOHN-ROBINSON SHOW.—Solomon, the sagest and grandest of the Hebrew patriarchs, when he uttered that phrase, since become an axiom, that is "there is nothing new under the sun," could he "revisit the glimpse of the moon," would find that while his axiom still finds verification, yet that old things have become new in the reproduction and rehabilitation of the scenes, episodes and incidents characterizing his long and memorable reign. In placing before the people by the John Robinson show the grand biblical spectacle of "Solomon, his Temple, and the Queen of Sheba," a realistic, living illustration of the most sacred and most impressive scenes and events of biblical history is presented in vivid and entrancing form, and offers the most enjoyable and mind-nourishing afternoon and evening's entertainment ever projected or conceived. The glories, the grandeur and the greatness of Israel's wisest king are lavishly portrayed, and the most salient features and incidents of his noted regal administration find apt and accurate illustration. This gorgeous and resplendent spectacle is from the master mind of Mr. John Rettig, whose former biblical spectacular productions have made him famous, and prides himself on this, the chef-d'œuvre of his art. It certainly is a master-piece of policy in the management of the John Robinson show to thus so materially and acceptably augment their already stupendous exhibitional enterprise, which, as almost everybody is aware, is characterized as exhibiting the biggest and best circus, the most interesting menagerie and the largest hippodrome on the continent. The combined exhibitions, of which it may be said that they are given without additional entrance fee, are to display here Wednesday, August 3d.

MACCABEES.—The meeting of the newly organized tent of the Knights of the Maccabees was held last night at the I. O. G. T. hall and a goodly number of the members were present. After a few words of explanation by Sir Knights B. M. Legg and J. W. Sherwood, the tent proceeded to the regular business and the result was the membership roll was largely increased. The newly elected officers were installed and following this the tent was named Willamette; a vote of thanks was tendered the Portland sir knights and following a happy interchange of thoughts the tent adjourned to meet again on the evening of August 4th, at which time a number more names will be received for membership.

GUNNISON'S FATAL FALL.

An Ashland Man Breaks His Neck While in Salem.

Yesterday Ole C. Gunnison, who lives at Ashland, came in from Portland, where he has been taking treatment at the hospital, and stopped with F. A. Rice, on south High street. He had been ill and was sufficiently recovered to travel, so he started for his home and stopped here to visit his daughter, Mrs. Rice. He went to bed up stairs feeling quite well, and remained there until four o'clock this morning, when the family heard a crash in the hall. On rushing out it was found that Father Gunnison had fallen headlong down stairs. His head struck the wall just above the baseboard, making a large indenture, and the fall broke his neck at the base of the skull. Mr. Rice carried him to a lounge, but life was extinct.

Mr. Gunnison was born in Norway, in 1835, and has lived on this coast many years. He made his home at Jacksonville for some years. Then he was employed by the government at Ft. Klamath and also worked at Klamath agency. He was a cabinet maker and good mechanic, having worked in Ashland of late years. Mrs. Gunnison was buried at the latter place some twelve years ago. He leaves five children, three of which are here, Mrs. Rice and a younger brother and sister. Miss Edith was married a few weeks ago to Harrison Humphreys, and now resides near Clymer. Deceased was a member of the M. E. church, and a good citizen.

SACRAMENTO, July 28.—The twenty Chinese, now in Folsom prison serving twenty days for the violation of the restriction act in crossing the Mexican border, will be turned over this morning to Collector Phelps, who is instructed to return them to China. W. A. Anderson, attorney, who was retained by their countrymen, will probably sue out a writ of habeas corpus, on which an effort will be made to have them permitted to remain, on the ground that the Chinese went from Michigan to Mexico.

ATTEMPTED ROBBERY.—Tuesday evening as Mrs. H. S. Belle and family were out driving, and coming toward town near the Labish road northeast of town two men came out of the brush and gave the party quite a fright. One stood on either side of the road, and as the carriage approached one held up his hand for the driver to stop but through great presence of mind Mrs. Belle had whipped up the horses, and the lady drove bravely past. It is believed from the time and place of the occurence that the act was perpetrated by none other than H. H. Redfield and some accomplice. It should be looked into.

A TENNIS CLUB.—A party of young folks gathered at the residence of Eugene Breyman Wednesday evening for the purpose of organizing a tennis club, which was named Maple Leaf Tennis club. The following committees were appointed: By-laws, John Giesy, Clyde L. Keller; grounds, Geo. Aitken, Howard Davis. Officers were elected as follows: President, Miss Bertha Forstner; secretary, Miss Bertha Byrd; treasurer, John B. Giesy. It is the purpose of the club to turn it into a social club this winter.

POST OFFICE ROBBED.—Yesterday morning it was discovered at the post-office that the general delivery drawer had been tampered with during the previous night, and that it had been relieved of about $30 in nickels and dimes. The matter was placed into the hands of Marshal Minto, and last evening he had located his victim. Everything went to show that Leon Crossan, the mail carrier, had committed the deed, and when arrested confessed his guilt. The fact that he exchanged the small money for larger pieces during the day fixed suspicion upon him and he was easily caught. The young man's fall is attributed to the use of liquor, gambling, and bad associations. His down-fall will be a severe blow to his young wife and to his esteemed parents.

WENT A FISHING.—Carroll Tichenor, while in swimming in North Mill creek, back of Wade's store yesterday afternoon jumped astraddle of a big salmon trout, and brought him to dry land, after considerable of a tussel. When the fish was measured he was found to be two feet and a half long, and fifteen inches around the waist, and when he was weighed he was found to tip the scales at nine and three-fourth pounds.

DIED.

WESTACOTT.—Thursday morning, July 28, 1892, at the home of Amos Strong, in South Salem, of typhoid malaria, John Westacott, aged 24 years.

Great sadness prevailed this morning among the young people of our city and in business circles, when it was announced that John Westacott had passed away. He had been ill nearly three weeks, having been taken down while attending the McCauley funeral. The disease was an aggravated form of malarial fever, but he was not considered at all dangerously ill until the past few days. He bled considerably yesterday and last night, but was in good spirits, and just a short time before death he took nourishment and told the nurse how much better he felt, saying that he would be able to sit up in the morning. He soon after felt faint and asked to be fanned. The attendant noticed that he was weakening, and went up stairs to call his brother Lute, and on returning found that he had expired. It was 4 o'clock when he passed away, and his death was an easy one, as he made no struggle.

John Westacott was born in Salem February 14th, 1868, and grew up in the capital city. After graduating from the public schools he entered the store of J. J. Dalrymple as clerk. He remained in this capacity until three years ago, when he became a partner in the business. His close attention to business, and devotion to his work made him an invaluable man to Mr. Dalrymple, who feels the loss severely as though it were his own son. "Jack" Westacott, as he was familiarly known was a general favorite among young and old, and all who ever knew him mourn his death deeply.

The funeral will take place at 2 o'clock Sunday afternoon, in order to give his sisters, Mrs. Amos Strong, who is at Gearhart, and Mrs. H. Stapleton, who is at Nestucca, time to get here. The masonic fraternity, of which he was an honored member, will conduct the services, assisted by the order of Red Men, of which he was also a member.

SIMON.—Thursday morning, July 28, 1892, of a complicated fever, at her home on Cottage street, Anna Adler, wife of H. S. Simon, aged 36 years.

Deceased was a native of Wurtemburg, Germany, having lived in America since her youth. She was married to Harry S. Simon six years ago, and has been a resident of Salem about four years. After an illness of about one week, Mrs. Simon passed away this morning at 5:30 o'clock, after suffering severely. She has two sisters, and one brother living on this coast. Mrs. L. Hirsch, of this city; Mrs. S. H. Friendly, of Eugene, and Mr. Adler, of Baker City. The deceased will be buried at Portland tomorrow, in the Jewish cemetery, the family accompanying the body down on the morning local train.

Mrs. Simon had a circle of warm friends in Salem. She was finely educated in her native language, and aside from being an exceptional housekeeper, was considered a brilliant woman, by a host of admiring friends. Her death will be severely felt by all who knew her.

Bad Blood.

Impure or vitiated blood is nine times out of ten caused by some form of constipation or indigestion that clogs up the system, when the blood naturally becomes impregnated with the effete matter. The old Sarsaparillas attempt to reach this condition by attacking the blood with the drastic mineral "potash." Joy's Vegetable Sarsaparilla is modern. It goes to the seat of the trouble. It arouses the liver, kidneys and bowels and invigorates the circulation, and the impurities are quickly carried off through the natural channels.

Charles Lee, at Beamish's Third and Market Sts., S. F., writes: "I took it for vitiated blood and while on the first bottle became convinced of its merits, for I could feel it was working a change. It cleansed, purified and braced me up generally, and everything is now working full and regular."

For Locating Mines.

Dr. H. Smith is now sole agent in Oregon for the sale of Marshall's Electro Magnetic rods for locating mines of Gold or Silver. This instrument has become the most efficent force in detecting the presence of Gold and Silver deposits whether in the form of hidden coin or quartz rock. The maker claims that a careful investigation is sure to lead one to the exact locality of the treasure. For further information please address

The Secret of Fine Pastry.

Is wholly in using Dr. Price's Cream Baking Powder. The only pure Cream Tarter Powder sold on the market. Other brands contain either ammonia, alum or some other adulterant. Ammonia or alum powders dry out, make the dough too porous, leaving a bitter taste, etc.

No agency has assisted so much toward perfection in cookery as Price's Cream Baking Powder. Its ingredients are simple and so blended as to exist in exact chemical proportions, so after use there is never any excess of either left in the food. Hence there can be no impurities whatever left in the finished food. No bitter taste, no taint of ammonia, but food raised with Dr. Price's Cream Baking Powder partakes of the natural sweet flavor of the flour and keeps moist and fresh for days. This powder possesses qualities peculiar to it alone. No other makes such delicious pastry. No other contains the white of eggs.
